Aggregate bank commitments as of the balance sheet date under a credit facility agreement in which loan proceeds can continuously be obtained following repayments, but the total amount borrowed
cannot exceed a specified maximum amount. Terms typically include interest rate, collateral required, guarantees required, repayment requirements, and restrictions on use of assets and activities of
the entity. < / p > < / div > < a href =" javascript: void (0);" onclick =" Show. toggleNext (this);" > References < / a > < div style =" display: none;" > < p > No definition available. < / p > < / div > <
