Describes the accounting practices used and the related monetary effect on statutory surplus, net income, and risk- based capital. If an insurance enterprise' s risk- based capital would have triggered a regulatory event had it not used a permitted practice, that fact is disclosed in the financial statements. Permitted statutory accounting practices include practices not prescribed but allowed by the domiciliary state insurance department regulatory authority. < / p > < / div > < a href =" javascript: void (0);" onclick =" Show. toggleNext (this);" > References < / a > < div style =" display: none;" > < p > Reference 1: http: / / www. xbrl. org / 2009 / role / commonPracticeRef < br >- Topic 944 < br >- SubTopic 210 < br >- Name Accounting Standards Codification < br >- Section S99 < br >- Paragraph 1 < br >- Subparagraph (SX 210. 7- 03 (a) (23) (c)) < br >- Publisher FASB < br >- URI https: / / asc. fasb. org / 1943274 / 2147478777 / 944- 210- S99- 1 < br > < br > Reference 2: http: / / fasb. org / us- gaap / role / ref / legacyRef < br >- Name Accounting Standards Codification < br >- Topic 944 < br >- SubTopic 505 < br >- Section 50 < br >- Paragraph 1 < br >- Publisher FASB < br >- URI https: / / asc. fasb. org / 1943274 / 2147477908 / 944- 505- 50- 1 < br > < br > Reference 3: http: / / fasb. org / us- gaap / role / ref / legacyRef < br >- Name Accounting Standards Codification < br >- Topic 944 < br >- SubTopic 505 < br >- Section 50 < br >- Paragraph 6 < br >- Publisher FASB < br >- URI https: / / asc. fasb. org / 1943274 / 2147477908 / 944- 505- 50- 6 < br > < br > Reference 4: http: / / fasb. org / us- gaap / role / ref / legacyRef < br >- Name Accounting Standards Codification < br >- Topic 944 < br >- SubTopic 505 < br >- Section 55 < br >- Paragraph 2 < br >- Publisher FASB < br >- URI https: / / asc. fasb. org / 1943274 / 2147478420 / 944- 505- 55- 2 < br > < br > Reference 5: http: / / fasb. org / us- gaap / role / ref / legacyRef < br >- Name Accounting Standards Codification < br >- Topic 944 < br >- SubTopic 505 < br >- Section 55 < br >- Paragraph 1 < br >- Publisher FASB < br >- URI https: / / asc. fasb. org / 1943274 / 2147478420 / 944- 505- 55- 1 < br > < br > Reference 6: http: / / fasb. org / us- gaap / role / ref / legacyRef < br >- Name Accounting Standards Codification < br >- Topic 944 < br >- SubTopic 505 < br >- Section 50 < br >- Paragraph 3 < br >- Publisher FASB < br >- URI https: / / asc. fasb. org / 1943274 / 2147477908 / 944- 505- 50- 3 < br > < / p > < / div > < a href =" javascript: void (0);" onclick =" Show. toggleNext (this);" > Details < / a > < div style =" display: none;" > < table border =" 0" cellpadding =" 0" cellspacing =" 0" > < tr > < td > < strong > Name: < / strong > < / td > < td style =" white- space: nowrap;" > us- gaap_StatutoryAccountingPracticesDisclosureTextBlock < / td > < / tr > < tr > < td style =" padding- right: 4px;
