Risk Factors Comparison 2025-04-15 to 2024-04-02 Form: 10-K

~~● Our stockholders may experience substantial dilution from the issuance of equity consideration in the Forever 8 acquisition and may not realize a benefit from the Forever 8 acquisition commensurate with the ownership dilution they may experience in connection with the acquisition;~~ ● Our business depends on our strong and trusted brand, and failure to maintain and protect our brand, or any damage to our reputation, or the reputation of our partners, could adversely affect our business, financial condition or results of operations; ● We are dependent upon consumers continued and unimpeded access to the internet, and upon their willingness to use the internet for commerce; and ● Our results of operations may be adversely affected by changes in foreign currency exchange rates. Risks Related to Our Securities ● We do not expect to issue dividends; ● An active trading market for our securities may never develop, and the price of our securities may be volatile; ● We may issue shares of preferred or common stock in the future, which could dilute your percentage ownership of the Company; and ● In the event that we fail to satisfy any of the listing requirements of Nasdaq, our common stock may be delisted, which could affect our market price and liquidity. Risks Related to Our Business Generally We are a recently formed entity with little track record and limited historical financial information available. Eightco Holdings Inc. was formed on September 21, 2021, in the State of Nevada and converted to a Delaware corporation on March 9, 2022. Our **Corrugated** Packaging Business was formed in 1966 ~~, .~~ ~~however~~ **However** the rest of our businesses were recently started. Because we are in the early stages of executing our business strategy, we cannot provide assurance that, or when, we will be profitable. We will need to make significant investments to develop and operate the Company and expect to incur significant expenses in connection with operating components, including costs for developing technology, talent fees, marketing, and salaries. We expect to incur significant capital, operational and marketing expenses for a few years in connection with our strategy and growth plan. Any failure to achieve or sustain profitability may have a material adverse impact on the value of the shares of our common stock. The Company has limited financial resources. Our auditors have expressed in the report of independent registered public accounting firm that there is substantial doubt about our ability to continue as a going concern. The report of our independent registered accounting firm expresses substantial doubt about our ability to continue as a going concern based on the absence of our significant losses from operations and our need for additional financing to fund all of our operations. It is not possible at this time for us to predict with assurance the potential success of our business. The revenue and income potential of our proposed business and operations are unknown. If we cannot continue as a viable entity, we may be unable to continue our operations and you may lose some or all of your investment in our common stock. Loss of any or all of our key management personnel may present challenges. We aim to recruit the most qualified candidates and strive for a diverse and well- balanced workforce. While we expect to reward and support employees through competitive pay, benefits, and perquisite programs that allow employees to thrive, due to our size we may not be able to provide compensation equal to our more established competitors and may not be able to attract qualified management personnel. If we are unable to retain the key management personnel at our Company, the underlying business could suffer. We could be adversely affected by declines in discretionary consumer spending, consumer confidence and general and regional economic conditions. Our success depends to a significant extent on discretionary consumer spending, which is heavily influenced by general economic conditions and the availability of discretionary income. We believe the markets that all of the Eightco ~~Businesses~~ **businesses** depend on are heavily reliant on discretionary consumer spending. The current economic environment, coupled with high volatility and uncertainty as to the future global economic landscape, may have an adverse effect on consumers' discretionary income and consumer confidence. Future volatile, negative, or uncertain economic conditions and recessionary periods or periods of significant inflation may adversely impact consumer spending on our products and services, which would materially adversely affect our business, financial condition and results of operations. Such effects can be especially pronounced during periods of economic contraction or slow economic growth. We operate in highly competitive industries and our revenues, profits or market share could be harmed if we are unable to compete effectively. Each of the Eightco ~~Businesses~~ **businesses** will face competition from existing competitors. Our competitors in the Inventory Management Solutions business include Clearco **and Payoneer** . With respect to the **Corrugated** Packaging Business, our competitors include Sutherland Packaging, Acme Corrugated Box Company, and Trenton Corrugated Products, Inc. Competition in each of these areas may increase as a result of technological developments, changes in consumer preferences, economic conditions, changes in market structure, and other factors. Increased competition may divert consumers from our products, which could reduce our revenue or increase our marketing costs. Our competitors may have substantially greater financial resources than we do, and they may be able to adapt more quickly to changes in consumer preferences or devote greater resources to promotion of their offerings and services or to development or acquisition of offerings and services that are perceived to be of a higher quality or value than our offerings and services. As a result, we may not be able to compete successfully against such competitors. We may not be able to fund capital expenditures and investment in projects and offerings. A principal competitive factor for a large portion of the Eightco ~~Businesses~~ **businesses** is the originality and perceived quality of our products and offerings. We will need to make continued capital investments to adapt to constantly changing consumer preferences. Our ability to fund capital expenditures will depend on our ability to generate sufficient cash flow from operations and to raise capital from third parties. We cannot assure you that our operations will be able to generate sufficient cash flow to fund such costs, or that we will be able to obtain sufficient financing on adequate terms, or at all, which could cause us to delay or abandon certain projects or plans. A deterioration in the domestic and international economic environment, whether by way of current inflationary conditions or potential recessionary conditions, could adversely affect our operating results, cash flow and financial condition. Current inflationary conditions in the United States and other parts of the world have increased some of our costs, including our cost of materials and labor. While we thus far have been largely successful in mitigating the impact of current inflationary conditions, we may need to increase our own prices on goods and services sufficiently to offset cost increases, we may not be able to maintain acceptable operating margins and achieve profitability. Additionally, competitors operating in regions with less inflationary pressure may be able to compete more effectively, which could further impact our ability to increases prices and / or result in lost sales. Recessionary economic conditions could lower discretionary spending of our consumers, which could result in a loss of sales. Recessionary economic conditions may cause difficulty in collecting accounts receivable and reduce the availability of credit and spending power for our customers, both of which may negatively impact our business. Geopolitical risks, such as those associated with Russia' s invasion of Ukraine, could result in a decline in the outlook for the U. S. and global economies. The uncertain nature, magnitude, and duration of hostilities stemming from Russia' s ~~recent~~ military invasion of Ukraine, and the ongoing conflict between Israel and Hamas, including the potential effects of sanctions and retaliatory cyber- attacks on the world economy and markets, have contributed to increased market volatility and uncertainty, and such geopolitical risks could have an adverse impact on macroeconomic factors which affect our businesses, as well as our access to capital. Cyber security risks and the failure to maintain the integrity of internal, partner, and consumer data could result in damages to our reputation, the disruption of operations and / or subject us to costs, fines or lawsuits. We have and will continue to collect and retain large volumes of internal, partner and consumer data, including credit card numbers and other personally identifiable information, for business purposes, including for transactional or target marketing and promotional purposes, and our various information technology systems enter, process, summarize and report such data. We also maintain personally identifiable information about our employees. The integrity and protection of our customer, employee, and company data is critical to our business and our customers and employees are likely to have a high expectation that we will adequately protect their personal information. The regulatory environment, as well as the requirements imposed on us by the credit card industry, governing information, security and privacy laws is increasingly demanding and continues to evolve. Maintaining compliance with applicable security and privacy regulations may increase our operating costs and / or adversely impact our ability to market our products and services. We also rely on accounting, financial and operational management information technology systems to conduct our operations. If these information technology systems suffer severe damage, disruption or shutdown and our business continuity plans do not effectively resolve the issues in a timely manner, our business, financial condition and results of operations could be materially adversely affected. We may face various security threats, including cyber security attacks on our data (including our vendors' and customers' data) and / or information technology infrastructure. Although we utilize various procedures and controls to monitor and mitigate these threats, there can be no assurance that these procedures and controls will be sufficient to prevent penetrations or disruptions to our systems. Furthermore, a penetrated or compromised data system or the intentional, inadvertent or negligent release or disclosure of data could result in theft, loss, fraudulent or unlawful use of customer, employee, or company data which could harm our reputation or result in remedial and other costs, fines or lawsuits and require significant management attention and resources to be spent. In addition, our insurance coverage and indemnification arrangements that we enter into, if any, may not be adequate to cover all the costs related to cyber security attacks or disruptions resulting from such events. Our insurance coverage may not be adequate to cover all possible losses that we could suffer and our insurance costs may increase. We seek to maintain comprehensive insurance coverage at commercially reasonable rates. There can be no assurance that our insurance will be sufficient to cover the full extent of all losses or liabilities for which we are insured, and we cannot guarantee that we will be able to obtain insurance policies on favorable terms, or at all. Our management has limited experience in operating a public company. Our executive officers have limited experience in the management of a publicly traded company. Our management team may not successfully or effectively manage its transition to a public company that will be subject to significant regulatory oversight and reporting obligations under federal securities laws. Their limited experience in dealing with the increasingly complex laws pertaining to public companies could be a significant disadvantage in that it is likely that an increasing amount of their time may be devoted to these activities, which will result in less time being devoted to the management and growth of our business. We may not have adequate personnel with the appropriate level of knowledge, experience and training in the accounting policies, practices or internal controls over financial reporting required of public companies in the U. S. The development and implementation of the standards and controls necessary for us to achieve the level of accounting standards required of a public company in the U. S. may require costs greater than expected. It is possible that we will be required to expand our employee base and hire additional employees to support our operations as a public company, which will increase our operating costs in future periods. The requirements of being a public company may strain our resources and distract management. We incur significant costs associated with our public company reporting requirements and costs associated with applicable corporate governance requirements. These applicable rules and regulations are expected to significantly increase our legal and financial compliance costs and to make some activities more time consuming and costly than those for privately owned companies that are not registrants with the SEC. Compliance with these rules and regulations may divert management' s attention from other business concerns. Our business plan may require additional liquidity and capital resources that might not be available on terms that are favorable to us, or at all. We currently obtain a portion of the capital required for the development and operations of the Company from various forms of public and private financing. We may require additional capital and / or cash flow from future operations to fund the Company, our debt service obligations and our ongoing business. There is no assurance that we will be able to raise sufficient additional capital or generate sufficient future cash flow from our future operations to fund our ongoing business. If the amount of capital we are able to raise, together with any income from future operations, is not sufficient to satisfy our liquidity and capital needs, including funding our current debt obligations, we may be required to abandon or alter our plans for the Company. The Company may also have to raise additional capital through the equity market, which could result in substantial dilution to existing stockholders. Our ability to obtain necessary financing may be impaired by factors such as the health of and access to capital markets, our limited track record and the limited historical financial information available, or the substantial doubt about our ability to continue as a going concern. Any additional capital raised through the sale of additional shares of our capital stock, convertible debt or other equity may dilute the ownership percentage of our stockholders. Risks Related to Our **Corrugated** Packaging Business An increase in the cost or a reduction in the availability of wood fiber, other raw materials, energy and transportation may have an adverse effect on our profitability and results of operations. Wood fiber, including old corrugated containers (" OCC "), is the principal raw material in many parts of the paper and packaging industry, including the corrugated cardboard on which our **Corrugated** Packaging Business relies. Wood fiber is a commodity, and prices historically have been cyclical and have varied on a regional basis. Environmental litigation and regulatory developments have caused, and may cause in the future, significant reductions in the amount of timber available for commercial harvest in the United States. In addition, future domestic or foreign legislation and litigation concerning the use of timberlands, the protection of endangered species, the promotion of forest health and the response to and prevention of catastrophic wildfires could also affect timber supplies. Availability of harvested timber may further be limited by fire, insect infestation, disease, ice storms, windstorms, flooding and other causes, thereby reducing supply and increasing prices. Demand for OCC, especially from China, could result in shortages or spikes in the cost of OCC. Industry supply of commodity paper and wood products is also subject to fluctuation, as changing industry conditions can influence producers to idle or permanently close individual machines or entire mills. Oversupply in these markets can also result from producers introducing new capacity in response to favorable short- term pricing trends. Industry supply of commodity papers and wood products is also influenced by overseas production capacity, which has grown in recent years and is expected to continue to grow. Wood fiber pricing is subject to regional market influences, and the cost of wood fiber may increase in particular regions due to market shifts in those regions. In addition, the ability to obtain wood fiber from foreign countries may be impacted by economic, legal and political conditions in those countries as well as transportation difficulties. Energy is a significant input cost for the paper and packaging industry. Increases in energy prices can be expected to adversely impact businesses. Because we rely on a supply of corrugated sheets of cardboard to produce packaging, these uncertainties in the supply and cost of raw materials used to produce paper products could affect the availability of the corrugated sheets of cardboard we rely on. Increases in costs may need to be passed on to our customers, and ultimately may negatively affect our business. Disruptions in transportation could adversely affect our supply of raw materials and could have an adverse effect on our results of operations, profitability, and liquidity. Since we receive our supply of raw material from suppliers that use third- party shippers that rely on truck, rail, and other forms of transportation, the reduced availability of those modes of transportation could limit our ability to promptly produce products for our customers, which could have an adverse effect on our operations, financial condition, and liquidity. In addition, the increased cost of transportation of raw material from our suppliers may reduce our profitability if we are not able to recover those costs through price increases for our products. Paper and packaging companies face strong competition. We face competition from numerous competitors, domestic as well as foreign. Some of our competitors are larger, more vertically integrated companies that have greater financial and other resources, greater manufacturing economies of scale, greater energy self- sufficiency, and / or lower operating costs. Certain paper and wood products are vulnerable to long- term declines in demand due to competing technologies or

materials. Companies in the paper and packaging industry are subject to possible declines in demand for their products as the use of alternative materials and technologies grows and the prices of such alternatives become more competitive. Any substantial shift in demand from wood and paper products to competing technologies or materials could result in a material decrease in sales of our products and could adversely affect our results of operations, cash flows, and financial position. We cannot ensure that any efforts we might undertake to adapt our product offerings to such changes would be successful or sufficient. Because we service customers in a variety of industries, we may be particularly impacted by general economic downturns. Our **Corrugated** Packaging Business provides packaging for third-party customers in a variety of industries, including pharmaceutical and e- commerce companies. Certain of our **Corrugated** Packaging Business customers provide goods that are discretionary items for consumers. Therefore, their business, and in turn our **Corrugated** Packaging Business, depends on the strength of the retail, commercial, and industrial sectors of the economy in various parts of the world, and trends therein. During a downturn in the economy, consumer purchases of discretionary items are affected, which could materially lower our customers' demand for our packaging products, and negatively affect our profitability and financial condition. We incur significant expenses to maintain our manufacturing equipment and any interruption in the operations of our facilities may harm our operating performance. We regularly incur significant expenses to maintain our manufacturing equipment and facilities. The machines and equipment that we use to produce our products are complex, interdependent, and have many parts. We must perform routine maintenance on our equipment and will have to periodically replace a variety of parts. Disruptions to our **Corrugated** Packaging Business could occur due to any number of circumstances, including prolonged power outages, mechanical or process failures, shortages of raw materials, natural catastrophes, disruptions in the availability of transportation, labor disputes, terrorism, changes in or non- compliance with environmental or safety laws, and the lack of availability of services from any of our facilities' key suppliers. Any facility shutdowns may be followed by prolonged startup periods, regardless of the reason for the shutdown. Any prolonged disruption in operations at any of our facilities could cause significant lost production, which would have a material adverse effect on our results of operations. We rely on a limited number of third- party suppliers for certain raw materials required for the production of our products. Our dependence on a limited number of third- party suppliers, and the challenges we may face in obtaining adequate supplies of raw materials, involve several risks, including limited control over pricing, availability, quality and delivery schedules. We cannot be certain that our current suppliers will continue to provide us with the quantities of these raw materials that we require or will continue to satisfy our anticipated specifications and quality requirements. Any supply interruption in limited raw materials could materially harm our ability to manufacture our products until a new source of supply, if any, could be identified and qualified. Although we believe there are other suppliers of these raw materials, we may be unable to find a sufficient alternative supply channel in a reasonable time or on commercially reasonable terms. Any performance failure on the part of our suppliers could interrupt production of our products, which would have a material adverse effect on our business. **We may not achieve the desired benefits of selling Ferguson Containers. We have entered into the APA to sell Ferguson Containers. If we consummate the sale of Ferguson Containers pursuant to the APA, we may not achieve the expected benefits of such sale and may incur additional expenses related thereto. This may have a negative impact on our business and results of operations. It could also cause the market price of our securities to decline.** Risks Related to Forever 8 and its Operations ~~Our stockholders may experience substantial dilution from the issuance of equity consideration in the Forever 8 acquisition and may not realize a benefit from the Forever 8 acquisition commensurate with the ownership dilution they will experience in connection with the Acquisition. In connection with the acquisition, we may issue shares of our common stock as consideration to Forever 8' s former owners, including the issuance of shares of our common stock upon the exercise of a put right on certain preferred membership interests of Forever 8 and upon the achievement of certain earnout targets. Our stockholders may experience substantial dilution from the issuance of such shares of our common stock.~~ Our business depends on our strong and trusted brand, and failure to maintain and protect our brand, or any damage to our reputation, or the reputation of our partners, could adversely affect our business, financial condition or results of operations. We have developed a strong and trusted brand that has contributed significantly to the success of our business. We believe that maintaining and promoting our brand in a cost- effective manner is critical to achieving widespread acceptance of our products and services and expanding our base of customers. Maintaining and promoting our brand will depend largely on our ability to continue to provide useful, reliable, secure, and innovative products and services, as well as our ability to maintain trust and remain a global payments leader. We may introduce, or make changes to, features, products, services, privacy practices, or terms of service that customers do not like, which may materially and adversely affect our brand. Our brand promotion activities may not generate customer awareness or increase revenue, and even if they do, any increase in revenue may not offset the expenses we incur in building our brand. If we fail to successfully promote and maintain our brand or if we incur excessive expenses in this effort, our business could be materially and adversely affected. We rely on relationships with marketplaces and enterprises to obtain and maintain customers. Our ability to acquire new customers could be materially harmed if we are unable to enter into or maintain these relationships on terms that are commercially reasonable to us, or at all. Harm to our brand can arise from many sources, including failure by us or our partners and service providers to satisfy expectations of service and quality, inadequate protection or misuse of personally identifiable information (" PII "), compliance failures and claims, litigation and other claims, and misconduct by our partners or other counterparties. We are dependent upon consumers' continued and unimpeded access to the internet, and upon their willingness to use the internet for commerce. Our success depends upon the general public' s ability to access the internet and its continued willingness to use the internet as a means to pay for purchases, communicate, research and conduct commercial transactions, including through mobile devices. The adoption of any laws or regulations that adversely affect the growth, popularity or use of the internet, including changes to laws or regulations impacting internet neutrality, could decrease the demand for our products, increase our operating costs, or otherwise adversely affect our business. Given uncertainty around these rules, we could experience discriminatory or anticompetitive practices that could impede both our and our merchants' growth, increase our costs or adversely affect our business. If consumers or merchants become unable, unwilling or less willing to use the internet for commerce for any reason, including lack of access to high- speed communications equipment, congestion of traffic on the internet, internet outages or delays, disruptions or other damage to merchants' and consumers' computers, increases in the cost of accessing the internet and security and privacy risks or the perception of such risks, our business could be adversely affected. If we do not successfully maintain a strong and trusted brand, our business could be materially and adversely affected. Our results of operations may be adversely affected by changes in foreign currency exchange rates. We are subject to risks related to changes in currency rates as a result of our investments in international operations and from revenues generated in currencies other than the United States dollar. Our results of operations may be affected by such international operations as a result of changes in foreign currency exchange rates. From time to time, we may utilize foreign currency forward contracts and other hedging instruments to mitigate the market value risks associated with foreign currency- denominated transactions and investments. These hedging strategies may not, however, eliminate all of the risks related to foreign currency translation, and we may forgo the benefits we would otherwise experience if currency exchange rates were to change in our favor. In addition, our ability to optimize foreign exchange revenues as part of the payment delivery process may be adversely affected due to foreign exchange market and regulatory conditions outside of our control, as a result of which revenue and profit may decrease as compared to prior periods. In addition, we may become subject to exchange control regulations that restrict or prohibit the conversion of our foreign revenue currencies into United States dollars. Any of these factors could decrease the value of revenues and earnings we derive from our international operations and have a material adverse effect on our business. ~~Climate change and environmental issues could adversely affect our operations, business, customers and partners. Concerns over the risks~~ **Risks Related to Our Securities** ~~associated with climate change and environmental matters have been growing in recent years and are at the center of rapidly evolving rule- making in the United States and abroad. Customers, investors, partners,~~ and other **General Risks** ~~stakeholders are increasingly focused on environmental, social and governance (" ESG ") practices. While we have not yet identified a material impact on our results and operations, we acknowledge that physical events, such as extreme weather and natural disasters, could disrupt our operations or those of our customers, partners, or third parties on which we rely, and may result in market volatility, shift in customer purchasing behaviors and travel patterns, and subsequently adversely impact our business. In addition, current and emerging ESG- related regulation, such as mandated disclosures or requirements to reduce carbon footprint, may result in increased compliance requirements, which may increase our costs.~~ We currently do not intend to pay dividends on our common stock. Consequently, our stockholders' ability to achieve a return on their investment will depend on appreciation in the price of our common stock. We do not expect to pay cash dividends on our common stock. Any future dividend payments are within the absolute discretion of our board of directors and will depend on, among other things, our results of operations, working capital requirements, capital expenditure requirements, financial condition, level of indebtedness, contractual restrictions with respect to payment of dividends, business opportunities, anticipated cash needs, provisions of applicable law and other factors that our board of directors may deem relevant. As a result of being a public company, we are obligated to develop and maintain proper and effective internal control over financial reporting in order to comply with Section 404 of the Sarbanes- Oxley Act of 2002 (the " Sarbanes- Oxley Act "). We may not complete our analysis of our internal control over financial reporting in a timely manner, or these internal controls may not be determined to be effective, which may adversely affect investor confidence in us and, as a result, the value of our common stock. As a result of being a public company we are subject to SEC reporting and other regulatory requirements. We will incur expenses and diversion of our management' s time in its efforts to comply with Section 404 of the Sarbanes- Oxley Act regarding internal controls over financial reporting. Effective internal controls over financial reporting are necessary for us to provide reliable financial reports and, together with adequate disclosure controls and procedures, are designed to prevent fraud. Any failure to implement required new or improved controls, or difficulties encountered in their implementation could cause us to fail to meet our reporting obligations. In addition, any testing by us conducted in connection with Section 404 of the Sarbanes- Oxley Act, or the subsequent testing by our independent registered public accounting firm when required, may reveal deficiencies in our internal controls over financial reporting that are deemed to be material weaknesses or that may require prospective or retrospective changes to our consolidated financial statements or identify other areas for further attention or improvement. If we are unable to assert that our internal controls over financial reporting are effective, we could lose investor confidence in the accuracy and completeness of our financial reports, which would cause the price of our common stock to decline, and we may be subject to investigation or sanctions by the SEC. ~~One of our companies,~~ Ferguson Containers ~~,~~ has material weaknesses in its controls over financial reporting, which could negatively impact investor confidence in the accuracy and completeness of our financial reports, and cause the price of our common stock to decline. For Ferguson Containers' fiscal years ended December 31, **2024 and** 2023 ~~and 2022~~ , respectively, Ferguson Containers had the following material weakness in internal controls over financial reporting: ● Primarily due to the small size of Ferguson Containers, it does not maintain sufficient segregation of duties to ensure the processing, review and authorization of all transactions including non- routine transactions. ● Ferguson Containers' processes lacked timely and complete reviews and analysis of information used to prepare its financial statements and disclosures in accordance with accounting principles generally accepted in the United States of America. The material weaknesses of Ferguson Containers' internal control over financial reporting could negatively impact investor confidence in the accuracy and completeness of our financial reports, which could cause the price of our common stock to decline. An active, liquid trading market for our common stock may not develop, which may limit your ability to sell your shares. Although our common stock is listed on the Nasdaq under the trading symbol " OCTO, " an active trading market for our common stock may never develop or be sustained. A public trading market having the desirable characteristics of depth, liquidity and orderliness depends upon the existence of willing buyers and sellers at any given time, such existence being dependent upon the individual decisions of buyers and sellers over which neither we nor any market maker has control. The failure of an active and liquid trading market to develop and continue would likely have a material adverse effect on the value of our common stock, and you may not be able to sell your shares of our common stock. We may issue shares of preferred stock in the future, which could make it difficult for another company to acquire us or could otherwise adversely affect holders of our common stock, which could depress the price of our common stock. Our Certificate of Incorporation authorizes us to issue one or more series of preferred stock. Our board of directors has the authority to determine the preferences, limitations and relative rights of the shares of preferred stock and to fix the number of shares constituting any series and the designation of such series, without any further vote or action by our stockholders. Our preferred stock could be issued with voting, liquidation, dividend and other rights superior to the rights of our common stock. The potential issuance of preferred stock may delay or prevent a change in control of us, discouraging bids for our common stock at a premium to the market price, and materially adversely affect the market price and the voting and other rights of the holders of our common stock. On January 19, 2023, the Company filed a Certificate of Designation with the Delaware Secretary of State for its Series A Preferred Stock. The number of shares designated is three hundred thousand (300, 000). The trading price of our securities will likely be, and continue to be, volatile and you could lose all or part of your investment. The trading price of our securities could be volatile and subject to wide fluctuations in response to various factors, some of which are beyond our control, including but not limited to our general business condition, the release of our financial reports and general economic conditions and forecasts. Broad market and industry factors may materially harm the market price of our securities irrespective of our operating performance. The stock market in general, and Nasdaq, have experienced price and volume fluctuations that have often been unrelated or disproportionate to the operating performance of the particular companies affected. The trading prices and valuations of these stocks, and of our securities, may not be predictable. A loss of investor confidence in the market for the stocks of other companies which investors perceive to be similar to us could depress our stock price regardless of our business, prospects, financial conditions or results of operations. A decline in the market price of our securities also could adversely affect our ability to issue additional securities and our ability to obtain additional financing in the future. Any of these factors could have a material adverse effect on our stockholders' investment in our securities, and our securities may trade at prices significantly below the price they paid for them. In such circumstances, the trading price of our securities may not recover and may experience a further decline. ~~A reverse stock split may decrease the liquidity of the shares of our common stock. On October 5, 2022, we received a letter from the Listing Qualifications Department of Nasdaq indicating that, based upon the closing bid price of the Company' s common stock for the 31 consecutive business day period between August 22, 2022, through October 4, 2022, the Company did not meet the minimum bid price of $ 1. 00 per share required for continued listing on The Nasdaq Capital Market pursuant to Nasdaq Listing Rule 5550 (a) (2). In order to regain compliance pursuant to Nasdaq Listing Rule 5810 (c) (3) (A), the Company may effect a reverse stock split. The liquidity of the shares of our common stock may be affected adversely by our reverse stock split given the reduced number of shares that are outstanding following the reverse stock split, especially if the market price of our common stock does not increase proportionately as a result of the reverse stock split. On March 15, 2023, a Special Meeting of Security Holders was held to vote upon the proposal to approve an amendment to the Certificate of Incorporation to effect, at the discretion of the Board but prior to the one- year anniversary of the date on which the reverse stock split is approved by the Company' s stockholders, a reverse stock split of all of the outstanding shares of Common Stock at a ratio in the range of 1- for- 2 to 1- for- 50, with such ratio to be determined by the Board in its discretion and included in a public announcement (the " Reverse Stock Split Proposal "). The proposal was approved by Security Holders. On April 3, 2023, the Company filed a Certificate of Amendment to the Company' s Certificate of Incorporation with the Secretary of State of Delaware (1) to effect a 1- for- 50 reverse stock split of the shares of the Company' s common stock, par value $ 0. 001 per share, either issued and~~

~~outstanding or held by the Company as treasury stock (the " Reverse Stock Split ") and (2) to change the name of the Company from " Cryptyde, Inc. " to " Eightco Holdings Inc. " (the " Name Change "). Both the Reverse Stock Split and the Name Change were effective as of 4: 05 p. m., New York time, on April 3, 2023. The Common Stock began trading on a reverse stock split- adjusted basis on the Nasdaq Capital Market on April 4, 2023. The trading symbol for the Common Stock following the Reverse Stock Split and the Name Change is " OCTO. " The new CUSIP number for the Common Stock following the Reverse Stock Split and the Name Change is 22890A203. Following a reverse stock split, the resulting market price of our common stock may not attract new investors, including institutional investors, and may not satisfy the investing requirements of those investors. Consequently, the trading liquidity of our common stock may not improve. Following our reverse stock split, we believe that a higher market price of our common stock will result and may help generate greater or broader investor interest However, we cannot assure you that our reverse stock split will result in a share price that will attract new investors.~~ Anti- takeover provisions contained in our Certificate of Incorporation and Bylaws, as well as provisions of Delaware law, could impair a takeover attempt. Eightco' s Certificate of Incorporation, Bylaws ~~,~~ and Delaware law contain ~~,~~ provisions that are intended to deter coercive takeover practices and inadequate takeover bids by making such practices or bids unacceptably expensive to the bidder and to encourage prospective acquirers to negotiate with Eightco' s board of directors rather than to attempt a hostile takeover. These provisions ~~are expected to~~ include, among others: ● rules regarding how stockholders may present proposals or nominate directors for election at stockholder meetings; ● the right of Eightco' s board of directors to issue preferred stock without stockholder approval; ● the ability of Eightco' s directors, and not stockholders, to fill vacancies (including those resulting from an enlargement of the board of directors) on Eightco' s board of directors; ● the division of Eightco' s board of directors into three classes of directors, with each class serving a staggered term; and ● a provision that directors serving on a classified board may be removed by stockholders only for cause. In addition, Eightco is subject to Section 203 of the Delaware General Corporation Law (the " DGCL "). Section 203 provides that, subject to limited exceptions, persons that (without prior board approval) acquire, or are affiliated with a person that acquires, more than 15 percent of the outstanding voting stock of a Delaware corporation shall not engage in any business combination with that corporation, including by merger, consolidation or acquisitions of additional shares, for a three- year period following the date on which that person or its affiliate becomes the holder of more than 15 percent of the corporation' s outstanding voting stock. Eightco believes these provisions will protect its stockholders from coercive or otherwise unfair takeover tactics by requiring potential acquirers to negotiate with Eightco' s board of directors and by providing Eightco' s board of directors with more time to assess any acquisition proposal. These provisions are not intended to make Eightco immune from takeovers. However, these provisions will apply even if the offer may be considered beneficial by some stockholders and could delay or prevent an acquisition that Eightco' s board of directors determines is not in the best interests of Eightco and its stockholders. These provisions may also prevent or discourage attempts to remove and replace incumbent directors. ~~In addition, an acquisition or further issuance of Eightco' s stock could trigger the application of Section 355 (e) of the Code. For a discussion of Section 355 (e), see the section entitled " Material United States Federal Income Tax Consequences of the Distribution ".~~ These anti- takeover provisions may also limit the opportunity for our stockholders to receive a premium for their shares of our common stock and could also affect the price that some investors are willing to pay for our common stock. ~~For a discussion of the anti- takeover provisions, See " Description of Capital Stock – Anti- Takeover Provisions. "~~ Our Certificate of Incorporation provides that the Court of Chancery of the State of Delaware will be the sole and exclusive forum for substantially all disputes between us and our stockholders, which could limit our stockholders' ability to obtain a favorable judicial forum for disputes with us or our directors, officers, or employees. Our Certificate of Incorporation provides that, unless we consent in writing to the selection of an alternative forum, the (i) Court of Chancery (the " Chancery Court ") of the State of Delaware shall, to the fullest extent permitted by law, be the sole and exclusive forum for: (A) any derivative action or proceeding brought on behalf of Eightco, (B) any action asserting a claim of breach of a fiduciary duty owed by any director, officer, stockholder, employee or agent of Eightco to Eightco or Eightco' s stockholders, (C) any action asserting a claim against the Eightco or any director, officer, stockholder, employee or agent of the Eightco arising out of or relating to any provision of the DGCL, Eightco' s Certificate of Incorporation or Eightco' s Bylaws, or (D) any action asserting a claim against the Corporation or any director, officer, stockholder, employee or agent of Eightco governed by the internal affairs doctrine of the State of Delaware. Notwithstanding the foregoing, in the event that the Chancery Court lacks subject matter jurisdiction over any such action or proceeding, including in the event claims are brought under the Securities Exchange Act of 1934, as amended (the " Exchange Act "), the sole and exclusive forum for such action or proceeding shall be another state or federal court located within the State of Delaware. The choice of forum provision may limit a stockholder' s ability to bring a claim in a judicial forum that it finds favorable for disputes with us or our directors, officers, or other employees, which may discourage such lawsuits against us and our directors, officers, and other employees. Alternatively, if a court were to find the choice of forum provision contained in the proposed charter to be inapplicable or unenforceable in an action, we may incur additional costs associated with resolving such action in other jurisdictions, which could harm our business, results of operations, and financial condition. If securities or industry analysts do not publish research or publish inaccurate or unfavorable research about our business, our stock price and trading volume could decline. The trading market for our securities will depend in part on the research and reports that securities or industry analysts publish about us or our business. If only a limited number of securities or industry analysts commence coverage of our Company, the trading price for our securities would likely be negatively impacted. In the event securities or industry analysts initiate coverage, if one or more of the analysts who covers us downgrades our stock or publishes unfavorable research about our business, our stock price may decline. If one or more of these analysts ceases coverage of our Company or fails to publish reports on us regularly, demand for our securities could decrease, which might cause our stock price and trading volume to decline. We are an emerging growth company and a smaller reporting company within the meaning of the Securities Act, and we are taking advantage of certain exemptions from disclosure requirements available to emerging growth companies or smaller reporting companies, this could make our securities less attractive to investors and may make it more difficult to compare our performance with other public companies. We are an " emerging growth company, " as defined in Section 2 (a) of the Securities Act, as modified by the Jumpstart Our Business Startups Act of 2012 (the " JOBS Act "), and are taking advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies, including, but not limited to, not being required to comply with the auditor attestation requirements of Section 404 of the Sarbanes- Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved. Further, Section 102 (b) (1) of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a registration statement under the Securities Act declared effective or do not have a class of securities registered under the Exchange Act) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that a company can elect to opt out of the extended transition period and comply with the requirements that apply to non- emerging growth companies, but any such an election to opt out is irrevocable. We have elected not to opt out of such extended transition period, which means that when a standard is issued or revised and it has different application dates for public or private companies, we, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make comparison of our financial statements with another public company, which is neither an emerging growth company nor an emerging growth company that has opted out of using the extended transition period, difficult or impossible because of the potential differences in accounting standards used. We will remain an emerging growth company until the earlier of: (1) the last day of the fiscal year (a) following the fifth anniversary of the closing of the Company' s initial public offering, (b) in which we have total annual revenue of at least $ 1. 07 billion, or (c) in which we are deemed to be a large accelerated filer, which means the market value of our common equity that is held by non- affiliates exceeds $ 700 million as of the end of the prior fiscal year' s second fiscal quarter; and (2) the date on which we have issued more than $ 1. 00 billion in non- convertible debt securities during the prior three- year period. References herein to " emerging growth company " have the meaning associated with it in the JOBS Act. Additionally, we are a " smaller reporting company " as defined in Item 10 (f) (1) of Regulation S- K. Smaller reporting companies may take advantage of certain reduced disclosure obligations, including, among other things, providing only two years of audited financial statements. We will remain a smaller reporting company until the last day of any fiscal year for so long as either (1) the market value of our shares of common stock held by non- affiliates did not equal or exceed $ 250 million as of the prior June 30, or (2) our annual revenues did not equal or exceed $ 100 million during such completed fiscal year and the market value of our shares of common stock held by non- affiliates did not equal or exceed $ 700 million as of the prior December 31. Because we subject the above listed reduced reporting requirements, investors may not be able to compare us to other companies, this could make our securities less attractive to investors and may make it more difficult to compare our performance with other public companies. **We may not receive the desired benefits of selling Ferguson Containers.** Your percentage ownership in our company may be diluted in the future. In the future, your percentage ownership in our company may be diluted because of equity issuances for warrant exercises, acquisitions, strategic investments, capital market transactions, or otherwise, including equity compensation awards that we grant to our directors, officers and employees ~~. Our Compensation Committee can be expected to grant additional equity compensation awards to our employees after the Separation~~ . These awards would have a dilutive effect on our earnings per share, which could adversely affect the market price of our common stock. From time to time, we may issue additional equity compensation awards to our employees under our employee benefits plans. In addition, our Certificate of Incorporation authorizes our board of directors to create and issue, without the approval of our stockholders, one or more series of preferred stock having such powers, preferences, and rights, if any, and such qualifications, limitations, and restrictions, if any, as established by our board of directors. The terms of one or more series of preferred stock that is created and issued by our board of directors may dilute the voting power or reduce the value of our common stock. For example, our board of directors could create and issue one or more series of preferred stock having the right to elect one or more of our directors (in all events or on the happening of specified events) and / or the right to veto specified transactions. Similarly, the repurchase or redemption rights or dividend, distribution, or liquidation rights of a series of preferred stock created and issued by our board of directors could affect the residual value of the common stock. ~~See " Description of Capital Stock — Preferred Stock. "~~ Our common stock will be subordinate to all of our future indebtedness and any series of preferred stock, and effectively subordinated to all indebtedness and preferred equity claims against our subsidiaries. Shares of our common stock will rank junior to all of our future indebtedness and other liabilities. Additionally, holders of our common stock may become subject to the prior dividend and liquidation rights of holders of any series of preferred stock that our board of directors may designate and issue without any action on the part of the holders of our common stock. Furthermore, our right to participate in a distribution of assets upon any of our subsidiaries' liquidation or reorganization is subject to the prior claims of that subsidiary' s creditors. Investors are subject to litigation risk and their respective investments in the shares of our common stock may be lost as a result of our legal liabilities or the legal liabilities of our affiliates. We or our affiliates may from time to time be subject to claims by third parties and may be plaintiffs or defendants in civil proceedings. There can be no assurance that claims will not be brought in the future if we cannot generate the revenue that we forecast or raise sufficient capital to pay our liabilities. The expense of prosecuting claims, for which there is no guarantee of success, and / or the expense of defending against claims by third parties and paying any amounts pursuant to settlements or judgments, would generally be borne by the Company and could result in the reduction or complete loss of all of the assets of the Company, and investors in our common stock could lose all or a part of their investment. In the event that we fail to satisfy any of the listing requirements of Nasdaq, our common stock may be delisted, which could affect our market price and liquidity. Our common stock is listed on Nasdaq. For continued listing on Nasdaq, we **are** ~~will be~~ required to comply with the continued listing requirements, including the minimum market capitalization standard, the corporate governance requirements and the minimum closing bid price requirement, among other requirements ~~. On September 29, 2023, we received a letter from the Listing Qualifications Department of Nasdaq indicating that, based upon the closing bid price of the Company' s common stock for the 31 consecutive business day period between August 16, 2023, through September 28, 2023, the Company did not meet the minimum bid price of $ 1. 00 per share required for continued listing on The Nasdaq Capital Market pursuant to Nasdaq Listing Rule 5550 (a) (2). The letter also indicated that the Company has a compliance period of 180 calendar days, or until March 27, 2024 (the " Compliance Period "), in which to regain compliance pursuant to Nasdaq Listing Rule 5810 (c) (3) (A)~~ . In the event that we fail to satisfy any of the listing requirements of Nasdaq ~~or fail to regain compliance with Nasdaq' s minimum bid price requirement within the Compliance Period~~ , our common stock may be delisted. If we are unable to **remain** ~~list~~ **listed** on Nasdaq, ~~we~~ **it** would likely be more difficult to trade in or obtain accurate quotations as to the market price of our common stock. If our common stock is delisted from trading on Nasdaq, and we are not able to list our common stock on another exchange or to have it quoted on Nasdaq, our securities could be quoted on the OTC **Markets** ~~Bulletin Board or on the " pink sheets~~ . ~~"~~ As a result, we could face significant adverse consequences including, without limitation: ● a limited availability of market quotations for our securities; ● a determination that our common stock is a " penny stock " which will require brokers trading in our common stock to adhere to more stringent rules and possibly result in a reduced level of trading activity in the secondary trading market for our securities; ● a limited amount of news and analyst coverage for our Company; and ● a decreased ability to issue additional securities (including pursuant to short- form registration statements on Form S- 3 or obtain additional financing in the future). ~~On March 28, 2024, we received a letter from the Listing Qualifications Department of Nasdaq indicating that the Company has not regained compliance with Nasdaq Listing Rule 5810 (c) (3) (A) and is not eligible for a second 180 day period. The Company has not regained compliance with the Rule and is not eligible for a second 180 day period. Specifically, the Company does not comply with the $ 5, 000, 000 minimum stockholders' equity initial listing requirement for The Nasdaq Capital Market. Accordingly, unless the Company requests an appeal of this determination as described in further detail below, we have determined that the Company' s securities will be scheduled for delisting from The Nasdaq Capital Market and will be suspended at the opening of business on April 8, 2024, and a Form 25- NSE will be filed with the Securities and Exchange Commission (the " SEC "), which will remove the Company' s securities from listing and registration on The Nasdaq Stock Market. We intend on appealing the Staff' s determination to a Hearings Panel (the " Panel "), pursuant to the procedures set forth in the Nasdaq Listing Rule 5800 Series. A hearing request will stay the suspension of the Company' s securities and the filing of the Form 25- NSE pending the Panel' s decision.~~ ITEM 1B. UNRESOLVED STAFF COMMENTS None. ITEM 1C. CYBERSECURITY Cyber Risk Management and Strategy We recognize the importance of assessing, identifying, and managing risks from cybersecurity threats. Our approach to cybersecurity risk management is aligned with our risk profile and business. We have leveraged the support of third- party information technology and security providers, including to perform a risk assessment designed to identify, assess, and manage cybersecurity risks. Further, we follow a formal, documented process to assess the data protection practices of certain third- party vendors that handle sensitive information on our behalf. Although risks from cybersecurity threats have to date not materially affected, and we do not believe they are reasonably likely to materially affect, us or our business strategy, results of operations or financial condition, we could, from time to time, experience threats and security incidents relating to our and our third- party vendors' information systems. For more information, please see the section entitled " Risk Factors " in this Annual Report on Form 10- K. On March 9, 2022, the Company converted to a Delaware corporation pursuant to a plan of conversion entered into with the Former Parent. On April 3, 2023, the Company changed its name to Eightco Holdings Inc. from Cryptyde, Inc. and its stock symbol to " OCTO. " The Company is comprised of two main businesses, Forever 8 **' s** Inventory Cash Flow Solution and ~~our~~ **the Corrugated** Packaging Business **of Ferguson Containers** . **We acquired** ~~Our Inventory Cash Flow Solution Business,~~ Forever 8 **in October 2022 and it** ~~Fund, LLC, a Delaware limited liability company~~ is focused on purchasing inventory and becoming the supplier for e- commerce retailers ~~, which we acquired on October 1, 2022 (" Forever 8 ")~~. We no longer intend to generate revenue from our Web 3 Business. Our **Corrugated** Packaging Business manufactures and sells custom packaging for a wide variety of products and through packaging helps customers generate brand awareness and promote brand image. On June 29, 2022, the Company separated from ~~its the former~~ **Former** ~~parent~~ **Parent** ~~company~~ , Vinco Ventures Inc. (" Vinco "). As previously announced, we concluded a spin- off from Vinco **in May 2022** (the " Separation ") ~~and continue operating our BTC Mining Hardware Business and our Packaging Business. The Separation occurred concurrently with the distribution (the " Distribution ") of our common stock to stockholders of Vinco as of May 18, 2022 (the " Record Date ") at a ratio of one share of our common stock for every ten shares of Vinco common stock held by the Vinco stockholders~~ . Following the Separation, we are an independent, publicly traded company, and Vinco retains no ownership interest in our Company. In connection with the Separation, we entered into a Separation and Distribution Agreement and other agreements with Vinco to effect the Separation and provide a framework for our relationship with Vinco after the Separation. These agreements provide for the allocation between us and our subsidiaries, on the one hand, and Vinco and its subsidiaries, on the other hand, of the assets, liabilities, legal entities, and obligations associated with the Eightco Businesses, on the one hand, and Vinco' s other current businesses, on the other hand, and govern the relationship between our Company and our subsidiaries, on the one hand, and Vinco and its subsidiaries, on the other hand, following the Separation. In addition to the Separation and Distribution Agreement, the other principal agreements entered into with Vinco include a Tax Matters Agreement and certain commercial agreements. ~~Name Change, Symbol Change and Recapitalization On April 3, 2023, the Company filed a Certificate of Amendment (the " Certificate of Amendment ") to the Company' s Certificate of Incorporation (the " Certificate of Incorporation ") with the Secretary of State of Delaware (1) to effect a 1- for- 50 reverse stock split of the shares of the Company' s common stock, par value $ 0. 001 per share (the " Common Stock "), either issued and outstanding or held by the Company as treasury stock (the " Reverse Stock Split ") and (2) to change the name of the Company from " Cryptyde, Inc. " to " Eightco Holdings Inc. " (the " Name Change "). Both the Reverse Stock Split and the Name Change were effective as of 4: 05 p. m., New York time, on April 3, 2023. The Common Stock began trading on a reverse stock split- adjusted basis on the Nasdaq Capital Market on April 4, 2023. In connection with the Series D Agreement, on March 15, 2024, Forever 8 also entered into a Subordination Agreement (the " Subordination Agreement ") with each of the ~~Lenders~~ **lenders** , the several individuals, financial institutions or entities from time to time party thereto (collectively, the " Senior Lenders ") and the collateral agent for the Senior Lenders. Forever 8 additionally entered into an Intercreditor Agreement (the " Intercreditor Agreement ") with the lenders party thereto and the collateral agent for such lenders. As of the date of this filing, a total of $ 250, 000 has been committed by ~~a Lender. As of~~ the ~~date of this filing, $ 600, 000 has been committed by the Lenders~~ **lender** . May 2023 Debt Exchange On May 30, 2023, the ~~Forever 8 Fund, LLC (the "~~ Borrower ~~")~~ entered into a Debt Exchange Agreement (the " Debt Agreement ") with two Lenders for funds advanced to the Borrower pursuant to secured promissory notes (the " Old Notes "), executed by the Borrower in favor of the Lenders during 2021. Under the terms of the Debt Agreement, the Old Notes **were** ~~shall be~~ exchanged for new Notes (" New Notes ") as per the terms of the Loan and Security Agreement dated May 30, 2023. The principal of the New Notes issued under the Debt Agreement is $ 1, 650, 000. March 2023 Offering On March 15, 2023, ~~Eighteo Holdings Inc. (~~the ~~"~~ Company ~~")~~ entered into a Securities Purchase Agreement (the " Securities Purchase Agreement ") with Hudson Bay **Master Fund Ltd.** (~~the~~ " ~~Investor~~ **Hudson Bay** ") for the issuance and sale of a Senior Secured Convertible Note with an initial principal amount of $ 5, 555, 000 (the " **Hudson** Note ") at a conversion price of $ 6. 245 per share of the Company' s common stock, ~~par value $ 0. 001 (the " Common Stock "),~~ and a warrant (the " **Hudson** Warrant ") to purchase up to 889, 512 shares of Common Stock with an initial exercise price of $ 6. 245 per share of Common Stock (the " Private Placement "). The purchase price of the **Hudson** Note and the **Hudson** Warrant is $ 5 million. ~~In connection with the Private Placement, the Company entered into a Registration Rights Agreement (the " Registration Rights Agreement "), a Security and Pledge Agreement (the " Pledge Agreement "), and various ancillary certificates, disclosure schedules and exhibits in support thereof prior to the closing of the Securities Purchase Agreement. The Securities Purchase Agreement provides for the purchase by the Investor and the sale by the Company of the Note and the Warrant. The Securities Purchase Agreement contains representations and warranties of the Company and the Investor that are typical for transactions of this type. The representations and warranties made by the Company in the Securities Purchase Agreement are qualified by reference to certain exceptions contained in disclosure schedules delivered to the Investor. Accordingly, the representations and warranties contained in the Securities Purchase Agreement should not be relied upon by third parties who have not reviewed those disclosure schedules and the documentation surrounding the transaction as a whole. The Securities Purchase Agreement closed upon the satisfaction of certain conditions of the Investor and the Company that are typical for transactions of this type, as well certain other condition including the following: ● the Company delivered to the Investor a lock- up agreement (the " Lock- Up Agreement "), executed by each of the parties identified in the Securities Purchase Agreement; ● the Company received stockholder approval of a resolution to increase the amount of authorized shares of the Company, and filed with the Delaware Secretary of State a Certificate of Amendment to the Company' s Certificate of Incorporation causing the increase in the amount of authorized shares of the Company; and ● the Company, the Investor and the certain creditors of the Company amended that certain Subordination Agreement, dated as of September 13, 2022, by and among the Company, the Investor and certain persons identified in that Subordination Agreement (the " Subordination Agreement Amendment "). The Securities Purchase Agreement also obligates the Company to indemnify the Investor for certain losses resulting from (1) any misrepresentation or breach of any representation or warranty made by the Company or any subsidiary of the Company, (2) any breach of any obligation of the Company or, any subsidiary of the Company, of the Securities Purchase Agreement or any agreements and instruments entered into or connection with the Securities Purchase Agreement and (3) certain third party claims. Senior Secured Convertible Note The Company issued the Note upon the closing.~~ The entire outstanding principal balance **on the Hudson Note** and any outstanding fees or interest ~~is~~ **was** due and payable in full on January 15, 2024 (" Maturity Date "). The **Hudson** Note ~~does~~ **did** not bear interest, provided, however, that the **Hudson** Note ~~will~~ **would** bear interest at 18 % per annum upon the occurrence of an event of default ~~(as described below)~~. The ~~Maturity Date may be extended at~~ **Hudson Note was paid in full on February 26, 2024. Additionally,** the ~~sole option of the Investor for so long as certain events of default is continuing or for so long as an event is continuing that if not cured and with the passage of time would result in an event of default. The Note is convertible at the option of the Investor into shares of Common Stock at a conversion price of $ 6. 245 per share, subject to adjustment for stock splits, combinations or similar events (each a " Stock Combination Event "). If on the on the fifth trading day immediately following a Stock Combination Event, the conversion price then in effect on such fifth trading day (after giving effect to a proportional adjustment of the conversion price), is greater than the lowest weighted average price of the Common Stock during the twenty consecutive trading day period ending and including the trading day immediately preceding the fifth trading day after such Stock Combination Event (the " Event Market Price "), then the conversion price shall be adjusted to the Event Market Price. The Note contains certain limitations on conversion. It provides that no conversion may be made if, after giving effect to the conversion, the Investor would own in excess of 9. 99 % of the Company' s outstanding shares of Common Stock. This percentage may be increased or decreased to a percentage not to exceed 9. 99 %, at the option of the Investor, except any increase will not be effective until 61- days' prior notice to the Company. The conversion price of the Note will be subject to adjustments for stock splits, combinations or similar events. In addition, the conversion price of the Note will also subject to anti- dilution adjustment which, subject to specified exceptions, in the event that the Company issues or is deemed to have issued certain securities at a price lower than the then applicable conversion price, immediately reduces the conversion price of the Note to equal the price at which the Company issues or is deemed to have issued its Common Stock. The Note imposes penalties on the Company for any failure to timely deliver any shares of its Common Stock issuable upon conversion. The Note contains events of default that are typical for transactions of this type, as well as the following events: ● the failure of any registration statement required by the Registration Rights Agreement to be filed within five trading days after the date required by the Registration Rights Agreement or the failure of any such registration statement to become effective within five trading days after the date required by the Registration Rights Agreement; ● the lapse or unavailability of any registration statement required by the Registration Rights Agreement for more than 5 consecutive trading days or more than an aggregate of 10 trading days in any 365- day period (other than certain allowable grace periods); ● the suspension from trading or failure of the Common Stock to be listed for trading on an eligible market for more than 2 consecutive trading days or more than an aggregate of 5 trading days in any 365- day period; ● the failure of the Company to issue shares upon conversion of the Note for more than 2 trading days after the relevant conversion date or a notice of the Company' s intention not to comply with a request for conversion; ● the failure for 2 consecutive trading days to have reserved for issuance 250 % of the full number of shares issuable upon conversion in accordance to the terms of the Note; ● the failure for 2 trading days to pay the Investor principal, interest, late charges or other amounts when and as due under the Note; ● the occurrence of any default under, redemption of or acceleration prior to maturity of any indebtedness of the Company or a subsidiary; ● the invalidity of any material provision of the Security Documents (defined below) or if the enforceability of validity of any material provision of the Security Documents is contested by the Company; ● the failure of the Security Documents to perfect or maintain the Investor' s first priority security interest; and ● the failure to comply with certain covenants of the Note. If there is an event of default, then the Investor has the right to request redemption of all or any portion of the Note, at 130 % of the sum of the outstanding principal, interest and late fees to be redeemed, provided that if certain conditions specified in the Note are not satisfied, then the Investor has the right to request redemption of all or any portion of the Note, at 130 % of the greater of (i) the sum of the outstanding principal, interest and late fees to be redeemed and (ii) the product of (a) the number of shares into which the Note (including all principal, interest and late fees) subject to redemption may be converted and (b) the greatest closing sale price for the Common Stock beginning on the date immediately preceding the event of default and ending on the date the Company makes the entire payment required to be made upon the redemption provided, however, that if no Cash Release Event (as defined in the Note) has occurred on or prior to the applicable of default redemption date, the principal amount used in calculating the applicable event of default redemption price on such event of default redemption date shall be decreased by the holder' s pro rata portion of $ 222, 000. The Note prohibits the Company from entering into certain transactions involving a change of control, unless the successor entity assumes in writing all of the obligations of the Company under the Note and the other transaction documents. In the event of such a transaction, the Investor will have the right to request redemption of the Note, at Redemption Variable Premium (as defined in the Note) of the greater of (i) of the sum of the amount of principal, interest and late fees to be redeemed; and (ii) the product of (x) the sum of the amount of principal, interest and late fees to be redeemed and (y) the quotient determined by dividing (1) the greatest closing sale price of the shares of Common Stock during the period beginning on the date immediately preceding the earlier to occur of (A) the consummation of the applicable change of control and (B) the public announcement of such change of control and ending on the date the Note Investor delivers a change of control redemption notice, by (2) the Conversion Price; or, (iii) Redemption Variable Premium of the product of (x) the number of shares into which the Note (including all principal, interest and late fees) subject to such redemption may be converted multiplied by (y) the greatest closing sale price of the shares of Common Stock during the period beginning on the date immediately preceding the earlier to occur of (x) the consummation of the change of control and (y) the public announcement of such change of control and ending on the date the Investor delivers the change of control redemption notice; provided, however, that if no Cash Release Event has occurred on or prior to the applicable change of control redemption date, the principal amount used in calculating the applicable change of control redemption price on such change of control redemption date shall be decreased by the holder' s pro rata portion of $ 222, 000. If the Company issues options, convertible securities, warrants, stock, or similar securities to holders of its Common Stock, the holder of the Note shall have the right to acquire the same as if it had converted its Note. The Investor is entitled to receive any dividends paid or distributions made to the holders of the Common Stock on an " as if converted " to Common Stock basis. The Note contains a variety of covenants on the part of Company that are typical for transactions of this type, as well as the following covenants: ● the Note ranks senior to all other indebtedness of the Company, except that certain permitted indebtedness ranks pari passu with the Note; ● the Company will not incur other indebtedness, except for certain permitted indebtedness; ● the Company will not incur any liens, except for certain permitted liens; ● the Company will not, directly or indirectly, redeem or repay all or any portion of any permitted indebtedness if at the time such payment is due or is made or, after giving effect to such payment, an event constituting, or that with the passage of time and without being cured would constitute, an event of default has occurred and is continuing; and ● the Company will not redeem, repurchase or pay any dividend or distribution on its Common Stock or any other capital stock. Warrant to Purchase Shares of Common Stock The Warrant was issued upon closing and is immediately exercisable and, in the aggregate, entitles the Investor to timely purchase up to 889, 512 shares of Common Stock. The Warrant has an initial exercise price of $ 6. 245 per share payable in cash, or while each share of Common Stock issuable upon exercise of the Warrants is not registered for resale with the SEC or such prospectus is not available for resale, by way of a " cashless exercise " or an " alternative cashless exercise, " at the option of the Investor. An " alternative cashless exercise " will provide the investor with 0. 7 shares of Common Stock for each share that would have been issuable to the Investor upon such exercise had the Holder elected to pay the exercise price in cash. The Warrants will expire on the fifth anniversary of its date of issuance. The exercise price of the Warrant is subject to adjustment for a Stock Combination Event. If on the on the fifth trading day immediately following a Stock Combination Event, the exercise price then in effect on such fifth trading day (after giving effect to a proportional adjustment of the exercise price), is greater than the Event Market Price, then the conversion price shall be adjusted to the Event Market Price. Upon each such adjustment of the exercise price hereunder, the number of underlying shares of Common Stock shall, subject to specified exceptions, be increased (but in no event decreased) to the number of shares of Common Stock determined by multiplying the exercise price in effect immediately prior to such adjustment by the number of underlying shares of Common Stock acquirable upon exercise of the Warrant immediately prior to such adjustment and dividing the product thereof by the exercise price resulting from such adjustment. The Warrant requires payments to be made by the Company for failure to deliver the shares of Common Stock issuable upon exercise. The Warrant also contains limitations on exercise, including the limitation that the Investor may not exercise its Warrant to the extent that upon exercise the Investor, together with its affiliates, would own in excess of 9. 99 % of the Company' s outstanding shares of Common Stock (subject to an increase or decrease, upon at least 61- days' notice by the Investor to the Company, of up to 9. 99 %). The exercise price of the Warrant and the number of shares issuable upon exercise of the Warrant will be subject to adjustments for stock splits, combinations or similar events. In addition, the exercise price of the Warrant will also be subject to anti- dilution adjustment which, subject to specified exceptions, in the event that the Company issues or is deemed to have issued certain securities at a price lower than the then applicable exercise price, immediately reduces the exercise price of the Warrant to equal the price at which the Company issues or is deemed to have issued its Common Stock. The Company may not enter into a fundamental transaction unless the successor entity assumes the obligations of the Company under the Warrant. Upon the occurrence of a fundamental transaction involving a change of control, the holder of the Warrant will have the right to have the Warrant repurchased for a purchase price in cash equal to the Black- Scholes value (as calculated pursuant to the Warrants) of the then unexercised portion of the Warrant. If the Company issues options, convertible securities, warrants, stock, or similar securities to holders of its Common Stock, the holder of the Warrant shall have the right to acquire the same as if it had exercised its Warrant. The Investor is entitled to receive any dividends paid or distributions made to the holders of the Common Stock on an " as if exercised " to Common Stock basis. The~~ Company redeemed all of the **Hudson** Warrants ~~related to the Investor~~ for $ 660, 000 on October 23, 2023. ~~Registration Rights Agreement Pursuant to the Registration Rights Agreement, the Company agreed to file a registration statement with the SEC covering the resale of 250 % of the maximum number of shares of Common Stock underlying the Note and 150 % of the maximum number of shares of Common Stock underlying the Warrant on or before the 45th calendar day following the closing of the Securities Purchase Agreement (the " Filing Deadline ") and cause such registration statement to be declared effective by the SEC by the earlier to occur of (x) ninety (90) calendar days after the closing date and (y) the fifth business day after the date the Company is notified (orally or in writing, whichever is earlier) by the SEC that such the registration statement will not be reviewed or will not be subject to further review (the " Effectiveness Deadline "). If (i) the registration statement is not filed by the Filing Deadline or declared effective by the Effectiveness Deadline, (ii) the sales of all of the securities required be included on such registration statement cannot be made pursuant to such registration statement, or (iii) the registration statement is not effective for any reason and either (x) the Company fails for any reason to satisfy the requirements of Rule 144 (c) (1), or (y) the Company has ever been an issuer described in Rule 144 (i) (1) (i) or becomes such an issuer in the future, and the Company shall fail to satisfy any condition set forth in Rule 144 (i) (2), then the Company shall pay to the Investor in an amount equal to 2 % of the aggregate purchase price paid by the Investor on the day~~

~~of delinquency and each 30th day (pro- rated for periods of less than 30 days) of delinquency thereafter. Pursuant to the Registration Rights Agreement, the Company must maintain the effectiveness of the registration statement from the effective date until the date on which all securities registered under the registration statement have been sold, or are otherwise able to be sold pursuant to Rule 144 without the requirement to be in compliance with Rule 144 (c) (1) and otherwise without restriction or limitation pursuant to Rule 144, subject to the Company' s right to suspend or defer the use of the registration statement in certain events. In connection with the full payoff of the Hudson Bay Notes the Registration Rights Agreement is no longer effective. Security Documents Pursuant to the Securities Purchase Agreement, the Company, and its subsidiaries, as applicable, provided guarantee agreements, a pledge agreement, a control agreement and all financing statements, pledges, assignments, opinions of counsel, and all other documents requested by the collateral agent to create, perfect, and continue perfected or to better perfect the collateral agent' s security interest in and liens on all assets of the Company, and in order to fully consummate all of the transactions contemplated hereby and under the other transaction documents. Placement Agent~~ Palladium Capital Group, LLC ~~(the " Placement Agent ")~~ acted as placement agent for the Private Placement. For the acting as placement agent in the Private Placement, the Placement Agent ~~is to receive~~ **received** (i) ~~upon closing~~ cash compensation of $ 400, 000 (8 % of the gross proceeds to the Company) **and** (ii) ~~upon closing~~ a warrant to purchase up to 71, 161 shares of Common Stock (8 % of the shares of Common Stock underlying the **Hudson** Note) **. The Company repaid the full amount under the Hudson Note and redeemed the Hudson Warrant in 2024. See " Note 16 – Convertible Note Payable " in the accompanying financial statements for further information** . Forever 8 Acquisition On September 14, 2022, the Company entered into a Membership Interest Purchase Agreement (the " Purchase Agreement ") by and among the Company, Forever 8 and the **former members of Forever 8 (the "** Sellers **")** pursuant to which Eightco was to acquire 100 % of the issued and outstanding membership interests of Forever 8 (the " Membership Interests ") from the Sellers (the " Acquisition "). On October 1, 2022, the closing of the acquisition occurred (the " Closing "). Pursuant to the Purchase Agreement, the Sellers received consideration consisting of (i) the Initial Base Preferred Units, subject to adjustments discussed below, (ii) the Promissory Notes, and (iii) the right to receive potential earnout amounts. In addition, $ 4. 6 million in cash was transferred to the Company in consideration for the Company' s payment of certain of its obligations. In the event that the VWAP of the Eightco Shares the later of (i) the 15 trading days immediately prior to the date the put right pursuant to Section 7 (b) of the Amended Operating Agreement (as defined below) is exercisable and (ii) the 15 trading days following the Company' s filing of its Annual Report on Form 10- K for the fiscal year ending December 31, 2022 is less than $ 3. 07, then Sellers shall be entitled to receive an additional number of Preferred Units (" Additional Base Preferred Units " and together with the Initial Base Preferred Units, the " Total Base Preferred Unit Consideration ") such that the Total Base Preferred Unit Consideration multiplied by the Additional Base Preferred Unit VWAP equals $ 21. 5 million; provided that in no event shall more than 3, 750, 000 Additional Base Preferred Units be issued. As indicated below, the Purchase Agreement provides that the Sellers are entitled to receive three potential earnout payments (the " Earnout Consideration). The Earnout Consideration is payable to the Sellers in cash or, at Eightco' s election, in up to 7, 000, 000 additional Preferred Units, upon the achievement of certain performance thresholds relating to cumulative collected revenues (each, an " Earn- Out Target "). If Eightco elects to issue additional Preferred Units upon the achievement of any Earn- Out Target and the VWAP of Eightco' s common stock for the 15 trading days preceding the date that any Earn- Out Target is achieved (the " Earn- Out VWAP ") is (A) with respect to the first Earn- Out Target, less than $ 5. 00, (B) with respect to the second Earn- Out Target, less than $ 6. 00 or (C) with respect to the third Earn- Out Target, less than $ 5. 00, then Sellers shall be entitled to receive an additional number of additional Preferred Units (the " True- up Units " and together with the additional Preferred Units, the " Total Additional Preferred Units ") such that the Total Additional Preferred Units multiplied by the Earn- Out VWAP equals (x) $ 15 million for the first Earn- Out Target, (y) $ 12 million for the second Earn- Out Target and (z) $ 10 million for the third Earn- Out Target; provided that in no event shall more than 4. 5 million True- up Units be issued for the first Earn- Out Target, in no event shall more than 4. 0 million True- up Units be issued for the Second Earn- Out Target and in no event shall more than 3. 0 million True- up Units be issued for the Third Earn- Out Target. In accordance with the Purchase Agreement, the Company' s existing operating agreement was amended and restated. The amended and restated operating agreement (the " Operating Agreement ") provides for, among other things, a put right for designated members (the " Preferred Members "). The Preferred Members (who are the Sellers) have a put right to cause Eightco to redeem certain Preferred Units, from time to time on or after the six- month anniversary following the Closing. Upon exercise of the put right, each Initial Base Preferred Unit (as defined in the Purchase Agreement) shall be exchanged for one Eightco share. The Preferred Members have a put right, on terms and conditions set forth in Section 7. 01 of the Operating Agreement, to cause Eightco to redeem the Preferred Units as follows: (a) starting on the later of (i) six (6) months following the Closing and (ii) the Threshold Date (as defined in the Subordination Agreement), one (1) Eightco Share per Initial Base Preferred Unit being redeemed up to a maximum of 6, 281, 949 Initial Base Preferred Units; (b) upon the satisfaction of (i) the receipt of Shareholder Approval on or prior to June 30, 2023, (ii) six (6) months following the Closing and (iii) the occurrence of the Threshold Date, one (1) Eightco Share per Initial Base Preferred Units that could not be converted due to the 6, 281, 949 unit limit in Section 7. 01 (a) of the Operating Agreement (such shares being an aggregate of 718, 051 Initial Base Preferred Units being defined as the " Extra Initial Base Preferred Units ") being redeemed, and one (1) OCTO Share per Additional Base Preferred Unit being redeemed; (c) if Shareholder Approval is not obtained on or before June 30, 2023, subject to both (i) six (6) months following the Closing and (ii) the terms of the Subordination Agreement, a cash payment equal to the difference between $ 3. 07 minus the Additional Base Preferred Unit VWAP (as defined in the Purchase Agreement with it being subject to a $ 2. 00 floor) (such difference being the " Additional Base Preferred Unit Cash Catch Up Amount ") with the Additional Base Preferred Unit Cash Catch Up Amount being multiplied by each Extra Initial Base Preferred Unit and each Additional Base Preferred Unit being redeemed; (d) upon the satisfaction of (i) the receipt of Shareholder Approval on or prior to June 30, 2023, (ii) six (6) months following the time a Preferred Unit issued in connection with the first Earn- Out Target is earned under Section 1. 04 of the Purchase Agreement and (iii) the occurrence of the Threshold Date, one (1) OCTO Share per Earnout One Unit being redeemed; (e) if Shareholder Approval has not been obtained on or before June 30 2023, subject to both (i) six (6) months following the time an Earnout One Unit is earned under Section 1. 04 of Purchase Agreement and (ii) the terms of the Subordination Agreement, a cash payment equal to the amount of $ 15, 000, 000 divided by the number of Earnout One Units (the " Earnout One Unit Redemption Amount ") with such Earnout One Unit Redemption Amount then being multiplied by each Earnout One Unit being redeemed; (f) upon the satisfaction of (i) the receipt of Shareholder Approval on or prior to June 30, 2023, (ii) six (6) months following the time a Preferred Unit issued in connection with the second Earn- Out Target is earned under Section 1. 04 of the Purchase Agreement and (iii) the occurrence of the Threshold Date, one (1) OCTO Share per Earnout Two Unit being redeemed; (g) if Shareholder Approval has not been obtained on or before June 30 2023, subject to both (i) six (6) months following the time an Earnout Two Unit is earned under Section 1. 04 of the Purchase Agreement and (ii) the terms of the Subordination Agreement, a cash payment equal to the amount of $ 12, 000, 000 divided by the number of Earnout Two Units (the " Earnout Two Unit Redemption Amount ") with such Earnout Two Unit Redemption Amount then being multiplied by each Earnout Two Unit being redeemed; (h) upon the satisfaction of (i) the receipt of Shareholder Approval on or prior to June 30, 2023, (ii) six (6) months following the time a Preferred Unit issued in connection with the third Earn- Out Target is earned under Section 1. 04 of the Purchase Agreement and (iii) the occurrence of the Threshold Date, one (1) OCTO Share per Earnout Three Unit being redeemed; (i) if Shareholder Approval has not been obtained on or before June 30 2023, subject to both (i) six (6) months following the time an Earnout Three Unit is earned under Section 1. 04 of the Purchase Agreement and (ii) the terms of the Subordination Agreement, a cash payment equal to the amount of $ 10, 000, 000 divided by the number of Earnout Three Units (the " Earnout Three Unit Redemption Amount ") with such Earnout Three Unit Redemption Amount then being multiplied by each Earnout Three Unit being redeemed. Pursuant to the Operating Agreement, Eightco unconditionally guaranteed the payment, when due, of obligations pursuant to the put right. Eightco shall satisfy these obligations to the Preferred Members either in cash or, if Shareholder Approval has been obtained, through the issuance and delivery to each Preferred Member of one OCTO Share per Preferred Unit held by each Preferred Member. Upon the Closing, Eightco issued the Promissory Notes. The Promissory Notes bear interest at the rate per annum equal to (i) ten (10 %) for the first twelve (12) months of the Promissory Notes and (ii) twelve percent (12 %) thereafter until the maturity date of the Promissory Notes (the " Note Maturity Date "). The Note Maturity Date is the date that is the later of (i) 91 days after the Maturity Date (as defined in the Investor Note (as defined below)) of the Senior Secured Convertible Note issued by Eightco in favor of the Investor on May 5, 2022 (the " Investor Note ") and (ii) three years following the Closing. Subject to the terms of the Subordination Agreement, the Promissory Notes may be prepaid in full or in part at any time without premium or penalty, provided, however, that Eightco agrees that, subject to the terms of the Subordination Agreement which specifically permit such prepayments in accordance therewith, it will make prepayments on the Promissory Notes and all other Seller Notes (as defined in the Promissory Notes) in amounts equal to the pro rata amount of the outstanding principal amount of the Seller Notes as a whole, as follows: (i) after Section 4 (d) of the Amendment Agreement is satisfied such that excess cash may be removed from the Control Account, 50 % of the cash proceeds of warrants exercised for common stock of the Eightco until an aggregate amount of $ 10 million in prepayments is made on the Seller Notes from such warrant exercises, (ii) 25 % of all gross proceeds received by Eightco in any and all debt and equity capital raises by the Eightco (excluding warrant exercises) from and after the date of the Purchase Agreement and (iii) at least an aggregate of $ 11. 5 million (including any prepayments made pursuant to clauses (i- ii) above) within the first twelve (12) months of the issuance of the Promissory Notes. So long as the Eightco has received Shareholder Approval and the Threshold Date has been reached, at any time commencing after the 12- month anniversary of the date of the Promissory Notes, the holder of the Promissory Notes may, in its sole and absolute discretion, convert all or part of the Promissory Notes into shares of common stock of the Eightco (the " Conversion Shares ") at a per share conversion price equal to the VWAP of a OCTO Share for the ten trading days immediately preceding the conversion notice being provided to the Eightco by the holder of the Promissory Notes (the " Conversion Price "), with the Conversion Price being subject to a conversion price floor of $ 2. 00 per share of common stock. If the VWAP is less than $ 2. 00 and the holder converts all or part of the Note at $ 2. 00 per share, then the holder shall be entitled to receive an additional Promissory Note with the same economic terms as the original Promissory Note in a principal amount equal to (A) $ 2. 00 minus the VWAP multiplied by (B) the number of Conversion Shares issued upon the conversion. **During fiscal year 2024, the Company entered into a series of amendments with the Sellers to restructure obligations related to the Promissory Notes issued in connection with the Forever 8 acquisition. On March 17, 2024, the Company entered into an initial amendment pursuant to which: ● Approximately $ 3. 0 million in accrued interest was forgiven with no additional consideration, ● An additional $ 1. 1 million in accrued interest was converted into 1. 4 million shares of common stock, and ● All remaining payments under the Promissory Notes were deferred to October 30, 2024.** On March 27, 2024, the Company issued 120, 974 shares of common stock which retired a portion of the Promissory Notes **. On June 14, 2024, the Company executed further amendments to accomplish the following: ● The Company recorded a gain of $ 6. 1 million related to the full release of contingent consideration, originally recognized at the time of acquisition. This was recorded as other income in the consolidated statement of operations. ● The Sellers also forgave $ 5. 4 million of principal outstanding under the related- party Promissory Notes. Due to the related- party nature of the transaction, the forgiveness was recorded as a non- cash gain directly to additional paid- in capital (APIC) in accordance with ASC 470- 50 and ASC 850- 10. ● In a concurrent amendment to the Purchase Agreement, the Sellers waived their contractual right to receive 215, 000 Preferred Units, eliminating a significant future equity obligation. On December 19, 2024, the Company entered into a final amendment, under which: ● Approximately $ 1. 6 million in accrued interest was converted into 485, 381 shares of common stock, and ● The payment deferral period under the Promissory Notes was extended through October 30, 2025. In total, these amendments resulted in the forgiveness or conversion of approximately $ 5. 7 million in accrued interest. The related- party forgiveness and equity conversions generated a combined non- cash gain of $ 3. 86 million, which was recorded directly to APIC as a capital transaction. In addition, the forgiveness of $ 5. 4 million was recorded directly to APIC as a capital transaction** . Series A Preferred Stock Designation and Dividend On January 17, 2023, the board of directors of the Company declared a dividend of one one- thousandth of a share of Series A Preferred Stock, par value $ 0. 001 per share, for each outstanding share of the Company' s common stock, par value $ 0. 001 per share to stockholders of record at 5: 00 p. m. Eastern Time on January 27, 2023 (the " Record Date "). On January 19, 2023, the Company filed a Certificate of Designation with the Delaware Secretary of State for its Series A Preferred Stock. The number of shares designated is three hundred thousand (300, 000). All shares of Series A Preferred Stock issued have been since redeemed ~~. Nasdaq Deficiency Notice On September 29, 2023, the Company received a written notice (the " Notice ") from The Nasdaq Stock Market LLC (" Nasdaq ") that the Company is not in compliance with the minimum bid price requirement of $ 1. 00 per share set forth in Nasdaq Rules for continued listing on Nasdaq. Based on the closing bid price of the Company' s listed securities for the 31 consecutive business days from August 16, 2023 to September 28, 2023, the Company no longer meets the minimum bid price requirement set forth in Listing Rule 5550 (a) (2). The Notice is only a notification of deficiency, not of imminent delisting, and has no current effect on the listing or trading of the Company' s securities on the Nasdaq Capital Market. In accordance with Nasdaq Listing Rule 5810 (c) (3) (A), the Company has been provided 180 calendar days, or until March 27, 2024, to regain compliance with Nasdaq Listing Rule 5550 (a) (2). To regain compliance, the Company' s common shares must have a closing bid price of at least $ 1. 00 for a minimum of 10 consecutive business days. On March 28, 2024, we received a letter from the Listing Qualifications Department of Nasdaq indicating that the Company has not regained compliance with Nasdaq Listing Rule 5810 (c) (3) (A) and is not eligible for a second 180 day period. The Company has not regained compliance with the Rule and is not eligible for a second 180 day period. Specifically, the Company does not comply with the $ 5, 000, 000 minimum stockholders' equity initial listing requirement for The Nasdaq Capital Market~~ . Critical Accounting Policies and Significant Judgments and Estimates Our management' s discussion and analysis of our financial condition and results of operations are based on our consolidated financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America, or GAAP. The preparation of these consolidated financial statements requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities as of the date of the consolidated financial statements as well as the reported expenses during the reporting periods. The accounting estimates that require our most significant, difficult and subjective judgments have an impact on revenue recognition, the determination of share- based compensation and financial instruments. We evaluate our estimates and judgments on an ongoing basis. Actual results may differ materially from these estimates under different assumptions or conditions. Our significant accounting policies are more fully described in Note 2 to our consolidated financial statements included elsewhere in this Annual Report. Principles of Consolidation The consolidated financial statements include the accounts of Eightco Holdings Inc. and its wholly- owned ~~,~~ **or** majority owned subsidiaries and consolidated variable interest entities. Use of Estimates Preparation of financial statements in conformity with U. S. GAAP requires management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, together with amounts disclosed in the related notes to the financial statements. The Company' s significant estimates used in these financial statements include, but are not limited to, accounts receivable reserves, the valuation allowance related to the Company' s deferred tax assets, the recoverability and useful lives of long- lived assets, debt conversion features, stock- based compensation, certain assumptions related to the valuation of the reserved shares and the assets acquired and liabilities assumed related to the

Company' s acquisitions. Certain of the Company' s estimates could be affected by external conditions, including those unique to the Company and general economic conditions. It is reasonably possible that these external factors could have an effect on the Company' s estimates and could cause actual results to differ from those estimates. Long- Lived Assets We record intangible assets based on their fair value on the date of acquisition. Intangible assets include the cost of developed technology, customer relationships, trademarks and identifiable media and influencer platforms. Intangible assets are amortized utilizing the straight- line method over their remaining economic useful lives. A significant percentage of the Company' s' long term assets are intangibles assets and therefore, estimates regarding the fair value of these assets have a material impact on our financial statements. Goodwill Goodwill is recorded for the difference between the fair value of the purchase consideration over the fair value of the net identifiable tangible and intangible assets acquired. We perform an impairment assessment of goodwill on an annual basis, or whenever impairment indicators exist. In the absence of any impairment indicators, goodwill is assessed for impairment during the fourth quarter of each fiscal year. Judgments regarding the existence of impairment indicators are based on market conditions and operational performance of the business. We may assess our goodwill for impairment initially using a qualitative approach to determine whether it is more likely than not that the fair value of these assets is greater than their carrying value. When performing a qualitative test, we assess various factors including industry and market conditions, macroeconomic conditions and performance of our businesses. If the results of the qualitative assessment indicate that it is more likely than not that our goodwill and other indefinite- lived intangible assets are impaired, a quantitative impairment analysis would be performed to determine if impairment is required. We may also elect to perform a quantitative analysis of goodwill initially rather than using a qualitative approach. The impairment testing for goodwill is performed at the reporting unit level. The valuation methods used in the quantitative fair value assessment, discounted cash flow and market multiples method, requires our management to make certain assumptions and estimates regarding certain industry trends and future profitability of our reporting units. If the fair value of a reporting unit exceeds the related carrying value, the reporting unit' s goodwill is considered not to be impaired and no further testing is performed. If the carrying value of a reporting unit exceeds its fair value, an impairment loss is recorded for the difference. The valuation of goodwill is affected by, among other things, our business plan for the future and estimated results of future operations. Future events could cause us to conclude that impairment indicators exist, and, therefore, that goodwill may be impaired. Goodwill is a significant percentage of the Company' s' long term assets and therefore, estimates regarding the fair value of our goodwill have a material impact on our financial statements. Warrant Accounting The Company evaluates its financial instruments to determine if such instruments are derivatives or contain features that qualify as embedded derivatives in accordance with ASC Topic 815, " Derivatives and Hedging ". The Company classifies a warrant to purchase shares of its common stock as **equity** ~~a liability~~ on its consolidated balance sheets as this warrant is a free- standing financial instrument that ~~may require~~ **is indexed to** the Company ~~to transfer consideration upon exercise~~ **' s own stock and meets the criteria for equity classification.** Each warrant is initially recorded **within equity** at **the** ~~fair value on~~ date of grant **,** ~~using the Monte- Carlo simulation pricing model and~~ net of issuance costs, and ~~it~~ is **not** subsequently re- measured ~~to fair value at each subsequent balance sheet date~~. Changes in **the** fair value of the warrant are **not** recognized **after** ~~as a component of other~~ -- **the** ~~income (expense), net~~ **initial measurement. The sale aligns with the Company' s strategic decision to focus resources on scaling Forever 8, the Company' s inventory funding platform** . Cash Flows for the Years Ended December 31, **2024 and** 2023 ~~and 2022~~ Since inception, Eightco Holdings Inc. and its subsidiaries have primarily used its available cash to fund its operations. The following table sets forth a summary of cash flows for the periods presented: For the Years Ended December 31, **2024** 2023 ~~2022~~ Cash (used in) provided by: Operating Activities $ (6, **637, 101) $ (6,** 399, 079 **)** ~~$ (16, 719, 389~~) Investing Activities (**70, 098) (** 295, 150) ~~468, 419~~ Financing Activities **1, 698, 550** 6, 361, 634 ~~20, 920, 207~~ Net increase in cash and restricted cash $ (**5, 008, 649) $ (** 332, 595) **Operating Activities Net cash (used in) operating activities was (** $ ~~4~~ **6** , ~~669~~ **637** , ~~237~~ **101) during the year ended December 31, 2024, which consisted primarily of a net income from continuing operations of $ 289, 811 and net income from discontinued operations of $ 418, 716 offset by non- cash depreciation expense of $ 2, 454, 661, amortization of debt issuance costs of $ 1, 337, 750, share based compensation of $**

573, 788 and changes in assets and liabilities of $ 1, 815, 366 offset by gain on extinguishment of liabilities of $ 7, 427, 193 and gain on forgiveness of earnout of $ 6, 100, 000. Net cash (used in) operating activities was ($ 6, 399, 079) during the year ended December 31, 2023, which consisted primarily of a net loss of $ 68, 320, 414 offset by non- cash depreciation expense of $ 3, 044, 531, amortization of debt issuance costs of $ 8, 109, 078, impairment charges of **$** 292, 748, share **-** based compensation of ($ 358, 937), loss on issuance of warrants of $ 46, 928, 815 and changes in assets and liabilities of $ 3, 899, 203. **Investing Activities** Net cash **provided by** (used in) ~~operating~~ **investing** activities was ($ ~~16 70~~ **, 098** ~~719, 389~~) during the year ended December 31, ~~2022~~ **2024 compared to** ~~, which consisted primarily of a net loss of $ 47, 446, 060 offset by non- cash depreciation expense of $ 848, 933, amortization of debt issuance costs of $ 6, 217, 053, impairment charges of $ 1, 300, 000, share based compensation of $ 1, 504, 500, loss on issuance of warrants of $ 25, 318, 519, bad debt expense of $ 608, 356 and changes in assets and liabilities of ($ 5, 070, 690). Net cash provided by (used in) investing activities was~~ ($ 295, 150) ~~during the year ended December 31, 2023 compared to $ 468, 419~~ for the year ended December 31, ~~2022~~ **2023** . The decrease ~~is largely attributable~~ **was primarily due** to **lower purchases** ~~cash received from the acquisition~~ of **property and equipment** ~~the Forever 8 Fund, LLC recognized in the year ended December 31, 2022~~ . **Financing Activities** Net cash provided by financing activities was $ ~~6~~ **1** , ~~361~~ **698** , ~~634~~ **550** during the year ended December 31, ~~2023~~ **2024** compared to $ ~~20~~ **2** , ~~920~~ **989** , ~~207~~ **800** for the year ended December 31, ~~2022~~ **2023** . This decrease was largely attributable to ~~a decrease in~~ **repayments of $ 4, 915, 000 under convertible notes payable, offset by** proceeds from the issuance of common stock **of $ 3, 064, 067** and borrowings under ~~convertible notes~~ **lines of credit of $ 3, 750, 000** as compared to the year ended December 31, ~~2022~~ **2023** . Eightco Holdings Inc. has required funding from the Former Parent to launch operations. Ferguson Containers has historically had positive cash flows from operations. Since inception, Ferguson Containers Inc.' s operations have been funded principally through its operations. Going Concern The financial statements have been prepared on a going concern basis which assumes the Company will be able to realize its assets and discharge its liabilities in the normal course of business for the foreseeable future. The Company has incurred a loss since ~~Inception~~ **inception** resulting in an accumulated deficit of $ ~~113~~ **112** , ~~278~~ **570** , ~~588~~ **049** as of December 31, ~~2023~~ **2024** and further losses are anticipated in the development of its business. Further, the Company has current liabilities in excess of current assets and has a stockholders' deficit at December 31, ~~2023~~ **2024** . These factors raise substantial ~~doubts~~ **doubt** about the Company' s ability to continue as a going concern for a period of one year from the issuance of these financial statements. As of December 31, ~~2023~~ **2024** , the Company had approximately $ ~~5~~ **0** . 2 million in cash and cash equivalents as compared to $ 5. ~~6~~ **2** million at December 31, ~~2022~~ **2023** . The Company expects that its current cash and cash equivalents, approximately $ **~~500, 000~~ 0. 2 million** as of the date of this annual report, will not be sufficient to support its projected operating requirements for at least the next 12 months from this date. The Company expects to need additional capital in order to increase revenues above current levels. Any additional equity financing, if available, may not be on favorable terms and would likely be significantly dilutive to the Company' s current stockholders, and debt financing, if available, may involve restrictive covenants. The Company' s ability to access capital when needed is not assured and, if not achieved on a timely basis, will likely have a materially adverse effect on our business, financial condition and results of operations. In 2023, the Company began reducing headcount to reduce the corporate overhead. The Company ~~has continued to raise~~ **raised** capital in 2024 and ~~will~~ **intends to** continue **reducing** ~~to look to reduce~~ costs in ~~2024~~ **2025 while raising additional capital as needed** . Off- Balance Sheet Arrangements We did not have, during the periods presented, and we do not currently have, any relationships with any organizations or financial partnerships, such as structured finance or special purpose entities, that would have been established for the purpose of facilitating off- balance sheet arrangements or other contractually narrow or limited purposes. We conducted our ~~audits~~ **audit** in accordance with the standards of the PCAOB. Those standards require that we plan and perform the ~~audits~~ **audit** to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our ~~audits~~ **audit** , we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company' s internal control over financial reporting. Accordingly, we express no such opinion. Our ~~audits~~ **audit** included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our ~~audits~~ **audit** also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. NATURE OF OPERATIONS AND BASIS OF PRESENTATION As used herein, " Eightco " and the " Company " refer to Eightco Holdings Inc. and subsidiaries and / or where applicable, its management , a Delaware corporation originally incorporated on September 21, 2021 (date of inception) under the laws of the State of Nevada **, and subsidiaries** . On March 9, 2022, the Company converted to a Delaware corporation pursuant to a plan of conversion entered into with its former parent, Vinco Ventures, Inc. (" Vinco " or " Former Parent "). The Company operates in three **two** main businesses: Forever 8 Inventory Cash Flow Solution , Web3 Business, and **Corrugated** Packaging Business. Forever 8 Fund LLC (" Forever 8 "), which focuses on purchasing inventory for e- commerce retailers, was acquired by the company **Company** on October 1, 2022, and is part of its Inventory Solution Business. The Company previously sold BTC mining equipment and developed an NFT character set under its Web3 Business but has no intention of continuing this business at this time. The **Corrugated** Packaging Business manufactures and sells custom packaging for a wide variety of products and helps customers generate brand awareness and promote brand image through packaging. Prior to the Separation (as defined below), the Company was 100 % owned by Vinco. As of December 31, 2023 **2024** , Eightco had three wholly- owned subsidiaries: Forever 8, Ferguson Containers, Inc. (" Ferguson Containers **" or " Corrugated Packaging Business** ") and BlockHiro, LLC. Ferguson Containers owns 100 % of 8co Holdings Shared Services, LLC. Eightco owns 51 % of CW Machines, LLC which is consolidated under the voting interest entity model. Under the voting interest entity model, control is presumed by the holder of a majority voting interest unless noncontrolling shareholders have substantive participating rights. Forever 8 owns 100 % of Forever 8 UK, Ltd and Forever 8 Fund EU Holdings BV. During 2021, the Former Parent announced it plans to spin- off (the " Separation ") certain of its businesses. The Former Parent has included Ferguson Containers as well as other subsidiaries of the Former Parent (the " Eightco Businesses ") as part of the spin- off. In anticipation of the Separation, the Former Parent contributed its assets and legal entities comprising the Eightco Businesses to facilitate the Separation. As a result of the Separation, the Company has become **became** an independent, publicly traded company comprised of the Eightco Businesses on June 30, 2022. On March 29, 2022, Ferguson Containers ownership was assigned by the Former Parent to the Company. This transaction between entities under common control resulted in a change in reporting entity and required retrospective combination of the entities for all periods presented, as if the combination had been in effect since the inception of common control. Accordingly, the condensed consolidated financial statements of the Company reflect the accounting of the combined acquired subsidiaries at historical carrying values, except that equity reflects the equity of Eightco. Basis of Presentation. The accompanying audited consolidated financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America (" US GAAP "). All significant intercompany transactions and balances have been eliminated in consolidation. The Company is an emerging growth company as the term is used in The Jumpstart Our Business Startups Act, enacted on April 5, 2021 and has elected to comply with certain reduced public company reporting requirements. 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES Reverse Stock Split: On April 3, 2023, the Company filed a Certificate of Amendment **(the " Certificate of Amendment ")** to the Company' s Certificate of Incorporation (the " Certificate of Incorporation ") with the Secretary of State of Delaware (1) to effect a 1- for- 50 reverse stock split of the shares of the Company' s common stock, par value $ 0. 001 per share (the " Common Stock "), either issued and outstanding or held by the Company as treasury stock (the " **2023** Reverse Stock Split ") and (2) to change the name of the Company from " Cryptyde, Inc. " to " Eightco Holdings Inc. " (the " Name Change "). Both **On August 8, 2024,** the **Company filed another amendment to its Certificate of Incorporation with the Secretary of State of the State of Delaware to effectuate a 1- for- 5 reverse stock split if its Common Stock (the " 2024** Reverse Stock Split **"** and **together with** the Name Change were effective as of 4: 05 p. m., New York time, on April 3, 2023 . The Common Stock began trading on a reverse stock split- adjusted basis on the Nasdaq Capital Market on April 4, 2023. The trading symbol for the Common Stock following the Reverse Stock Split **and ,** the Name Change is " OCTO. " The new CUSIP number for the Common Stock following the Reverse Stock Split **Splits ")** and the Name Change is 22890A203 . All share, equity award, and per share amounts contained in the Consolidated **consolidated** Financial **financial** Statements **statements** have been adjusted to reflect the Reverse Stock Split **Splits** for all prior periods presented. Use of Estimates. The preparation of financial statements in conformity with U. S. GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. The Company' s significant estimates used in these consolidated financial statements include, but are not limited to, revenue recognition and the determination of the economic useful life of depreciable property and equipment. Certain of the Company' s estimates could be affected by external conditions, including those unique to the Company and general economic conditions. It is reasonably possible that these external factors could have an effect on the Company' s estimates and could cause actual results to differ from those estimates. Business Combinations. For business combinations that meet the accounting definition of a business, the Company determines and allocates the purchase price of an acquired company to the tangible and intangible assets acquired, the liabilities assumed, and noncontrolling interest, if applicable, as of the date of acquisition at fair value. Fair value may be estimated using comparable market data, a discounted cash flow method, or a combination of the two. In the discounted cash flow method, estimated future cash flows are based on management' s expectations for the future. Revenues and costs of the acquired companies are included in the Company' s operating results from the date of acquisition. The Company uses its best estimates and assumptions as part of the purchase price allocation process to accurately value assets acquired and liabilities assumed at the acquisition date, and these estimates and assumptions are inherently uncertain and subject to refinement during the measurement period not to exceed one year from the acquisition date. As a result, any adjustment identified subsequent to the measurement period is included in operating results in the period in which the amount is determined (See Note 3 – Acquisitions). **Discontinued Operations. A component of an entity that is disposed of by sale or abandonment is reported as discontinued operations if the transaction represents a strategic shift that will have a major effect on an entity' s operations and financial results. The results of discontinued operations are aggregated and presented separately in the Consolidated Statement of Operations. Assets and liabilities of the discontinued operations are aggregated and reported separately as assets and liabilities of discontinued operations in the Consolidated Balance Sheet, including the comparative prior year period. The Company' s cash flows are reflected as cash flows from discontinued operations within the Company' s Consolidated Statements of Cash Flows for each period presented.** Cash and Cash Equivalents. The Company considers all highly liquid, short- term investments with original maturities of three months or less when purchased to be cash equivalents. Restricted Cash **F- 9 2** . **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)** The Company' s restricted cash, for the period ended December 31, 2022, consisted of cash that the Company was contractually obligated to maintain in accordance with the terms of its January 26, 2022 Secured Convertible Note. Accounts Receivable. Accounts receivable are carried at their contractual amounts, less an estimated allowance for credit losses. Management estimates the allowance for credit losses using a loss- rate approach based on historical loss information, adjusted for management' s expectations about current and future economic conditions, as the basis to determine expected credit losses. Management exercises significant judgment in determining expected credit losses. Key inputs include macroeconomic factors, industry trends, the creditworthiness of counterparties, historical experience, the financial conditions of the customers, and the amount and age of past due accounts. Management believes that the composition of receivables at year- end is consistent with historical conditions as credit terms and practices and the client base has not changed significantly. Receivables are considered past due if full payment is not received by the contractual due date. Past due accounts are generally written off against the allowance for credit losses only after all collection attempts have been exhausted. The allowance for credit losses was $ 67 **60** , 350 **000** and $ 46 **67** , 705 **350** as of December 31, **2024 and** 2023 and 2022 , respectively. There was one **were two** customer **customers** who represented 27 **30 % and 18** % of total accounts receivable as of December 31, 2023 **2024 , respectively** . Inventories. Inventory is recorded at the lower of cost or net realizable value on a first- in, first- out basis. The Company reduces the carrying value of inventories for those items that are potentially excess, obsolete, or slow moving based on changes in customer **a review of recent sales trends and expected future** demand , technology developments, or other economic factors . Property and Equipment. Property and equipment are stated at cost, net of accumulated depreciation and amortization, which is recorded commencing at the in- service date using the straight- line method over the estimated useful lives of the assets, as follows: 3 to 5 years for office equipment, 5 to 7 years for furniture and fixtures, 6 to 10 years for machinery and equipment, 10 to 15 years for building improvements, 5 years for software, 5 years for molds, 5 to 7 years for vehicles and 40 years for buildings. When fixed assets are retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is included in the statements of comprehensive loss for the respective period. Minor additions and repairs are expensed in the period incurred. Major additions and repairs which extend the useful life of existing assets are capitalized and depreciated using the straight- line method over their remaining estimated useful lives. Intangible Assets and Long- lived Assets. The Company reviews long- lived assets **, including definite- lived intangible assets,** for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. The Company assesses the recoverability of its long- lived assets using undiscounted cash flows. If an asset is found to be impaired, the amount recognized for impairment is equal to the difference between the carrying value and the asset' s fair value. During the years ended December 31, **2024 and** 2023 and 2022 , the Company recorded impairment charges to long lived assets in the amounts of $ **0** 292, 748 and $ 1 **292** , **748** 300, 000 , respectively. We **The impaired asset was fully written off in 2023. The Company** record **records** intangible assets based on their fair value on the date of acquisition. Intangible assets include the cost of developed technology, customer relationships, trademarks and tradenames. Intangible assets are amortized utilizing the straight- line method over their remaining economic useful lives, as follows: 10 years for developed technology, 7 years for customer relationships and 7 years for trademarks and tradenames. The Company reviews long- lived assets and intangible assets for potential impairment annually and when events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. In the event the expected undiscounted future cash flows resulting from the use of the asset is less than the carrying amount of the asset, an impairment loss is recorded equal to the excess of the asset' s carrying value over its fair value. If an asset is determined to be impaired, the loss is measured based on quoted market prices in

active markets, if available. If quoted market prices are not available, the estimate of fair value is based on various valuation techniques, including a discounted value of estimated future cash flows. In the event that management decides to no longer allocate resources to an asset, an impairment loss equal to the remaining carrying value of the asset is recorded. The Company did not record any impairment charges related to intangibles assets during the years ended December 31, **2024 and** 2023 ~~and 2022~~, respectively. **F- 10** Goodwill. Goodwill is recorded for the difference between the fair value of the purchase consideration over the fair value of the net identifiable tangible and intangible assets acquired. We perform an impairment assessment of goodwill on an annual basis as of December 31st, or whenever impairment indicators exist. In the absence of any impairment indicators, goodwill is assessed for impairment during the fourth quarter of each fiscal year. Judgments regarding the existence of impairment indicators are based on market conditions and operational performance of the business. We may assess our goodwill for impairment initially using a qualitative approach to determine whether it is more likely than not that the fair value of these assets is greater than their carrying value. When performing a qualitative test, we assess various factors including industry and market conditions, macroeconomic conditions and performance of our businesses. If the results of the qualitative assessment indicate that it is more likely than not that our goodwill and other indefinite- lived intangible assets are impaired, a quantitative impairment analysis would be performed to determine if impairment is required. We may also elect to perform a quantitative analysis of goodwill initially rather than using a qualitative approach. The impairment testing for goodwill is performed at the reporting unit level. The valuation methods used in the quantitative fair value assessment, discounted cash flow and market multiples method, requires our management to make certain assumptions and estimates regarding certain industry trends and future profitability of our reporting units. If the fair value of a reporting unit exceeds the related carrying value, the reporting unit' s goodwill is considered not to be impaired and no further testing is performed. If the carrying value of a reporting unit exceeds its fair value, an impairment loss is recorded for the difference. The valuation of goodwill is affected by, among other things, the Company' s business plan for the future and estimated results of future operations. Future events could cause the Company to conclude that impairment indicators exist, and, therefore, that goodwill may be impaired. ~~F- 8 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)~~ Contingent Liabilities. The Company, from time to time, may be involved in certain legal proceedings. Based upon consultation with outside counsel handling its defense in these matters and the Company' s analysis of potential outcomes, if the Company determines that a loss arising from such matters is probable and can be reasonably estimated, an estimate of the contingent liability is recorded in its ~~condensed~~ consolidated financial statements. If only a range of estimated loss can be determined, an amount within the range that, based on estimates, assumptions and judgments, reflects the most likely outcome, is recorded as a contingent liability in the ~~condensed~~ consolidated financial statements. In situations where none of the estimates within the estimated range is a better estimate of probable loss than any other amount, the Company records the low end of the range. Any such accrual would be charged to expense in the appropriate period. Litigation expenses for these types of contingencies are recognized in the period in which the litigation services were provided. **Warrants. The Company classifies a warrant to purchase shares of its common stock as equity on its consolidated balance sheets as this warrant is a free- standing financial instrument that is indexed to the Company' s own stock and meets the criteria for equity classification. Each warrant is initially recorded within equity at the date of grant, net of issuance costs, and is not subsequently re- measured. Changes in the fair value of the warrant are not recognized after the initial measurement. The warrants will remain classified in equity until they are exercised or expire.** Revenue Recognition. In accordance with Financial Accounting Standards Board (" FASB ") Accounting Standards Codification (" ASC ") 606, Revenue from Contracts with Customers, the Company recognizes revenue when it satisfies performance obligations, by transferring promised goods or services to customers, in an amount that reflects the consideration to which the Company expects to be entitled in exchange for fulfilling those performance obligations. Revenue for product sales is recognized upon receipt by the customer. There are no contract assets or contract liabilities and therefore no unsatisfied performance obligations. One customer represented ~~71~~ **75** % of total revenues for the year ended December 31, ~~2023~~ **2024** . Disaggregation of Revenue. The Company' s primary revenue streams include the sale of consumer goods through our inventory management solutions business and the sale of corrugated packaging materials. There are no other material operations that were separately disaggregated for segment purposes. **F- 11** Cost of Revenues. Cost of revenues includes freight charges, purchasing and receiving costs, depreciation and inspection costs. Comprehensive income. The Company follows Accounting Standards Codification (" ASC ") 220 in reporting comprehensive income. Comprehensive income is a more inclusive financial reporting methodology that includes disclosure of certain financial information that historically has not been recognized in the calculation of net income. ~~Since the Company has no items of other~~ **Other** comprehensive **income is limited to foreign currency translation adjustments. Therefore, total comprehensive income includes net income (** loss **) and foreign currency translation adjustments** ~~, comprehensive loss is equal to net loss~~ . Foreign Currency Transactions and Translation. Eightco' s functional currency is the United States Dollar (" USD ") and the Forever 8 functional currency in which it operates is the Euro (" EUR "). For the purpose of presenting these ~~condensed~~ consolidated financial statements the reporting currency is USD. Forever 8 assets and liabilities are expressed in USDs at the exchange rate on the balance sheet date, equity accounts are translated at historical rates, and income and expense items are translated at the weighted average exchange rate during the period. The resulting translation adjustments are reported under accumulated other comprehensive income in the stockholders' equity section of the balance sheets. Transactions in currencies other than the entity' s functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at the end of the reporting periods. Exchange differences arising on the settlement of monetary items and on translation of monetary items at period- end are included in statement of comprehensive loss. Exchange rate used for the translation as follows: **SCHEDULE OF EXCHANGE RATE December 31, 2024 December 31, 2023 Spot** USD to EUR ~~— 1 USD to~~ **$ 0. 9615 $ 0** . 9009 ~~EUR' s.~~ USD to GBP ~~— 1~~ **$ 0. 8000 $ 0. 7874 December 31, 2024 December 31, 2023 Average** USD to **EUR $ 0. 9259 $ 0. 9224 USD to GBP $ 0** . 7874 **$ 0** ~~GBP' s~~ . **8016** Earnings Per Share. The Company follows ASC 260 when reporting Earnings Per Share **(" EPS ")** resulting in the presentation of basic and diluted earnings per share. Basic net (loss) income per common share is computed by dividing net (loss) income by the weighted average number of vested common shares outstanding during the period. Diluted net income per common share is computed by dividing net income by the weighted average number vested of common shares, plus the net impact of common shares (computed using the treasury stock method), if dilutive, resulting from the exercise of dilutive securities. In periods when losses are reported, the weighted- average number of common shares outstanding excludes common stock equivalents because their inclusion would be anti- dilutive. **F- 12 For the year ended December 31, 2024, the Company had net income and therefore included the dilutive effect of certain securities in its diluted EPS calculation. For the year ended December 31, 2023, the Company incurred a net loss and excluded common stock equivalents from diluted EPS as their effect would have been anti- dilutive. The following is a reconciliation of the weighted average number of common shares outstanding used in calculating the basic and diluted net loss per share: SCHEDULE OF WEIGHTED AVERAGE NUMBER OF COMMON SHARES OUTSTANDING BASIC AND DILUTED NET LOSS PER SHARE 2024 2023 December 31, 2024 2023 Weighted average shares outstanding – basic 1, 751, 132 2, 891, 144 Warrants for noteholders and placement agents 44, 217- Warrants for equity investors 145, 600- Shares to be issued 40, 410- Weighted average shares outstanding – diluted 1, 981, 359 2, 891, 144** As of December 31, **2024 and** 2023 ~~and 2022~~, the Company excluded the common stock equivalents summarized below, which entitle the holders thereof to ultimately acquire shares of common stock, from its calculation of earnings per share, as their effect would have been anti- dilutive. Deferred financing costs include debt discounts and debt issuance costs related to a recognized debt liability and are presented in the balance sheet as a direct deduction from the carrying value of the debt liability. Amortization of deferred financing costs are included as a component of interest expense. Deferred financing costs are amortized using the straight- line method over the term of the recognized debt liability which approximates the effective interest method. **F- 13** Income Taxes. The Company accounts for income taxes under the provisions of the FASB ASC Topic 740 " Income Taxes " (" ASC Topic 740 "). The Company recognizes deferred tax assets and liabilities for the expected future tax consequences of items that have been included or excluded in the ~~condensed~~ consolidated financial statements or tax returns. Deferred tax assets and liabilities are determined on the basis of the difference between the tax basis of assets and liabilities and their respective financial reporting amounts (" temporary differences ") at enacted tax rates in effect for the years in which the temporary differences are expected to reverse. The Company utilizes a recognition threshold and measurement process for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Management has evaluated and concluded that there were no material uncertain tax positions requiring recognition in the Company' s ~~condensed~~ consolidated financial statements as of December 31, **2024 and** 2023 ~~and 2022~~. The Company does not expect any significant changes in its unrecognized tax benefits within twelve months of the reporting date. The Company' s policy is to classify assessments, if any, for tax related interest as interest expense and penalties as general and administrative expenses in the consolidated statements of comprehensive income. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Fair Value Measurements. The Company measures the fair value of financial assets and liabilities based on the guidance of ASC 820 " Fair Value Measurements and Disclosures " (" ASC 820 ") which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. ASC 820 describes three levels of inputs that may be used to measure fair value: Level 1 — quoted prices in active markets for identical assets or liabilities Level 2 — quoted prices for similar assets and liabilities in active markets or inputs that are observable Level 3 — inputs that are unobservable (for example, cash flow modeling inputs based on assumptions) The carrying amounts of the Company' s financial instruments, such as cash, accounts receivable, accounts payable and other current liabilities approximate fair values due to the short- term nature of these instruments. The Company' s long- term debt consists of $ **21, 021, 155 at December** 31, **2024** ~~815, 804~~ . The estimated fair value of this debt approximates the carrying value of these instruments, due to the interest rates on this debt approximating current market interest rates. Concentration of Credit Risks. Financial instruments that potentially subject the Company to concentrations of credit risk are cash equivalents and accounts receivable. Cash and cash equivalents are invested in deposits with certain financial institutions and may, at times, exceed federally insured limits. The Company has not experienced any significant losses on its deposits of cash and cash equivalents. In regard to trade receivables, the Company performs ongoing evaluations of its customers' financial condition as well as general economic conditions and, generally, requires no collateral from its customers. ~~On December 31, 2023, amount due from one customer totaled approximately 21 % of accounts receivable.~~ Leases. In February 2016, the FASB issued Accounting Standards Update (" ASU ") 2016- 02, Leases (Topic 842). This ASU requires a lessee to recognize a right- of- use asset and a lease liability under most operating leases in its balance sheet. The ASU is effective for annual and interim periods beginning after December 15, 2021. Early adoption is permitted. The Company has adopted ASU 2016- 02 as of January 1, 2022. The adoption of the standard did not have a material impact on the balance sheet. As of April 26, 2022, the date the Company assumed the lease, the operating lease right of use asset and operating lease liability amounted to $ 98, 736 with no cumulative- effect adjustment. **F- 14** Recent Accounting Pronouncements. In June 2016, the FASB issued ASU No. 2016- 13, Financial Instruments – Credit Losses (Topic 326), Measurement of Credit Losses on Financial Instruments, as modified by FASB ASU No. 2019- 10 and other subsequently issued related ASUs. The amendments in this Update affect loans, debt securities, trade receivables, and any other financial assets that have the contractual right to receive cash. The ASU requires an entity to recognize expected credit losses rather than incurred losses for financial assets. The amendments in this Update are effective for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. The Company adopted this new guidance effective January 1, 2023 utilizing the modified retrospective transition method. The adoption of this standard did not have a material impact on the Company' s **consolidated** financial statements, but did change how the allowance for credit losses is determined **. In November 2023, the FASB issued ASU 2023- 07, Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures, which requires public entities to disclose significant segment expenses and other segment items on an interim and annual basis and provide in interim periods all disclosures about a reportable segment' s profit or loss and assets that are currently required annually. The ASU does not change how a public entity identifies its operating segments, aggregates them, or applies the quantitative threshold to determine its reportable segments. The new disclosure requirements are also applicable to entities that account and report as a single operating segment entity. ASU 2023- 07 is effective for fiscal years beginning after December 15, 2023, and for interim periods within fiscal years beginning after December 15, 2024. The Company adopted the guidance for the annual reporting period ended December 31, 2024. There was no impact on the Company' s reportable segments identified** . Segment Reporting. The Company uses " the management approach " in determining reportable operating segments. The management approach considers the internal organization and reporting used by the Company' s chief operating decision maker for making operating decisions and assessing performance as the source for determining the Company' s reportable segments. The Company' s chief operating decision maker is the Chairman and Chief Executive Officer (" CEO ") of the Company, who reviews operating results to make decisions about allocating resources and assessing performance for the entire Company. The Company' s primary revenue streams include inventory management solutions and the sale of corrugated packaging materials. ~~Therefore~~ **Based on the CODM' s evaluation and internal reporting** , the Company **has** ~~only identifies~~ two reportable ~~operating~~ segments **: Inventory Management Solutions and Corrugated Packaging** . ~~F- 10~~ **Reclassifications. Certain prior period amounts have been reclassified to conform to the current period presentation, including amounts related to the Corrugated Packaging Business, which was classified as a discontinued operation as of December 31, 2024. These reclassifications had no impact on previously reported net income or stockholders' equity.** 3. GOING CONCERN The **consolidated** financial statements have been prepared on a going concern basis which assumes the Company will be able to realize its assets and discharge its liabilities in the normal course of business for the foreseeable future. The Company has **negative cash flows from operations,** incurred a loss since ~~Inception~~ **inception** resulting in an accumulated deficit of ~~113~~ **$ 112** , ~~278~~ **570** , ~~588~~ **049** as of December 31, ~~2023~~ **2024** and further losses are anticipated in the development of its business ~~. Further, the Company has current liabilities in excess of current assets and has a stockholders' deficit at December 31, 2023~~ . These factors raise substantial doubts about the Company' s ability to continue as a going concern for a period of ~~one year~~ **12 months** from the ~~issuance~~ **date** of ~~these financial statements~~ **this annual report** . As of December 31, ~~2023~~ **2024** , the Company had approximately $ ~~5~~ **0** . 2 million in cash and cash equivalents as compared to $ 5. ~~6~~ **2** million at December 31, ~~2022~~ **2023** . The Company expects that its current cash and cash

equivalents, approximately $ ~~500, 000~~ **0. 5 million** as of the date of this annual report, will not be sufficient to support its projected operating requirements for at least the next 12 months from this date. The Company expects to need additional capital in order to increase revenues above current levels. Any additional equity financing, if available, may not be on favorable terms and would likely be significantly dilutive to the Company' s current stockholders, and debt financing, if available, may involve restrictive covenants. The Company' s ability to access capital when needed is not assured and, if not achieved on a timely basis, will likely have a materially adverse effect on our business, financial condition and results of operations. In 2023, the Company began reducing headcount to reduce the corporate overhead. The Company ~~has continued to raise~~ **raised** capital in 2024 and will continue to look to reduce costs in ~~2024~~ **2025 and raise capital as required for its operations** . **F- 15** 4. The remaining forgiven interest, totaling $ 3. 86 million, was recorded as a capital contribution to additional paid- in capital (APIC) due to the related- party nature of the transaction. These modifications resulted in a substantial reduction in the total consideration payable under the original purchase agreement. F- 16 4. The purchase price of the Note was $ 5, 000, 000 with~~ an original issue discount ~~of $ 555, 000. F- 14 16. CONVERTIBLE NOTE PAYABLE (continued) The Securities Purchase Agreement provides for the purchase by Hudson Bay~~ and **included embedded conversion features** ~~the sale by the Company of the March 2023 Note~~ and **detachable** ~~the March 2023 Warrant. The Securities Purchase Agreement contains representations and warranties~~ -- **warrants, which resulted** ~~of the Company and Hudson Bay that are typical for transactions of this type. The representations and warranties made by the Company~~ in the **recognition of significant debt discounts and warrant- related expenses** ~~Securities Purchase Agreement are qualified by reference to certain exceptions contained~~ in ~~disclosure schedules delivered to Hudson Bay. Accordingly, the representations and warranties contained in the Securities Purchase Agreement should not be relied upon by third parties who have not reviewed those disclosure schedules and the documentation surrounding the transaction as a whole. The Securities Purchase Agreement closed upon the satisfaction of certain conditions of Hudson Bay and the Company that are typical for transactions of this type, as well certain other condition including the following: ● the Company delivered to Hudson Bay a lock- up agreement (the " Lock- Up Agreement "), executed by each of the parties identified in the Securities Purchase Agreement; ● the Company received stockholder approval of a resolution to increase the number of authorized shares of the Company, and filed with the Delaware Secretary of State a Certificate of Amendment to the Company' s Certificate of Incorporation causing the increase in the amount of authorized shares of the Company; and ● the Company, Hudson Bay and the certain creditors of the Company amended that certain Subordination Agreement, dated as of September 13, 2022, by and among the Company, the Investor and certain persons identified in that Subordination Agreement (the " Subordination Agreement Amendment "). The Securities Purchase Agreement also obligates the Company to indemnify Hudson Bay for certain losses resulting from (1) any misrepresentation or breach of any representation or warranty made by the Company or any subsidiary of the Company, (2) any breach of any obligation of the Company or, any subsidiary of the Company, of the Securities Purchase Agreement or any agreements and instruments entered into or connection with the Securities Purchase Agreement and (3) certain third party claims. The Company issued the Note upon the closing. The entire outstanding principal balance and any outstanding fees or interest is due and payable in full on January 15, 2024 (" Maturity Date "). The Note does not bear interest, provided, however, that the March 2023 Note will bear interest at 18 % per annum upon the occurrence of an event of default (as described below). The Maturity Date may be extended at the sole option of Hudson Bay for so long as certain events of default is continuing or for so long as an event is continuing that if not cured and with the passage of time would result in an event of default. The March 2023 Note is convertible at the option of Hudson Bay into shares of Common Stock at a conversion price of $ 6. 245 per share, subject to adjustment for stock splits, combinations or similar events (each a " Stock Combination Event "). If on the on the fifth trading day immediately following a Stock Combination Event, the conversion price then in effect on such fifth trading day (after giving effect to a proportional adjustment of the conversion price), is greater than the lowest weighted average price of the Common Stock during the twenty consecutive trading day period ending and including the trading day immediately preceding the fifth trading day after such Stock Combination Event (the " Event Market Price "), then the conversion price shall be adjusted to the Event Market Price. The March 2023 Note contains certain limitations on conversion. It provides that no conversion may be made if, after giving effect to the conversion, Hudson Bay would own in excess of 9. 99 % of the Company' s outstanding shares of Common Stock. This percentage may be increased or decreased to a percentage not to**

exceed 9. 99 %, at the option of Hudson Bay, except any increase will not be effective until 61- days' prior notice to the Company. F- 15 The conversion price of the March 2023 Note will be subject to adjustments for stock splits, combinations or similar events. In addition, the conversion price of the March 2023 Note will also subject to anti- dilution adjustment which, subject to specified exceptions, in the event that the Company issues or is deemed to have issued certain securities at a price lower than the then applicable conversion price, immediately reduces the conversion price of the March 2023 Note to equal the price at which the Company issues or is deemed to have issued its Common Stock. The March 2023 Note imposes penalties on the Company for any failure to timely deliver any shares of its Common Stock issuable upon conversion. The March 2023 Note contains events of default that are typical for transactions of this type, as well as the following events: ● the failure of any registration statement required by the Registration Rights Agreement to be filed within five trading days after the date required by the Registration Rights Agreement or the failure of any such registration statement to become effective within five trading days after the date required by the Registration Rights Agreement; ● the lapse or unavailability of any registration statement required by the Registration Rights Agreement for more than 5 consecutive trading days or more than an aggregate of 10 trading days in any 365- day period (other than certain allowable grace periods); ● the suspension from trading or failure of the Common Stock to be listed for trading on an eligible market for more than 2 consecutive trading days or more than an aggregate of 5 trading days in any 365- day period; ● the failure of the Company to issue shares upon conversion of the Note for more than 2 trading days after the relevant conversion date or a notice of the Company' s intention not to comply with a request for conversion; ● the failure for 2 consecutive trading days to have reserved for issuance 250 % of the full number of shares issuable upon conversion in accordance to the terms of the March 2023 Note; ● the failure for 2 trading days to pay Hudson Bay principal, interest, late charges or other amounts when and as due under the March 2023 Note; ● the occurrence of any default under, redemption of or acceleration prior to maturity of any indebtedness of the Company or a subsidiary; ● the invalidity of any material provision of the Security Documents (defined below) or if the enforceability of validity of any material provision of the Security Documents is contested by the Company; ● the failure of the Security Documents to perfect or maintain Hudson Bay' s first priority security interest; and ● the failure to comply with certain covenants of the March 2023 Note . If there is an event of default, then Hudson Bay has the right to request redemption of all or any portion of the March 2023 Note, at 130 % of the sum of the outstanding principal, interest and late fees to be redeemed, provided that if certain conditions specified in the March 2023 Note are not satisfied, then Hudson Bay has the right to request redemption of all or any portion of the March 2023 Note, at 130 % of the greater of (i) the sum of the outstanding principal, interest and late fees to be redeemed and (ii) the product of (a) the number of shares into which the March 2023 Note (including all principal, interest and late fees) subject to redemption may be converted and (b) the greatest closing sale price for the Common Stock beginning on the date immediately preceding the event of default and ending on the date the Company makes the entire payment required to be made upon the redemption provided, however, that if no Cash Release Event (as defined in the March 2023 Note) has occurred on or prior to the applicable of default redemption date, the principal amount used in calculating the applicable event of default redemption price on such event of default redemption date shall be decreased by the holder' s pro rata portion. F- 16 The March 2023 Note prohibits the Company from entering into certain transactions involving a change of control, unless the successor entity assumes in writing all of the obligations of the Company under the March 2023 Note and the other transaction documents. In the event of such a transaction, Hudson Bay will have the right to request redemption of the Note, at Redemption Variable Premium (as defined in the March 2023 Note) of the greater of (i) of the sum of the amount of principal, interest and late fees to be redeemed; and (ii) the product of (x) the sum of the amount of principal, interest and late fees to be redeemed and (y) the quotient determined by dividing (1) the greatest closing sale price of the shares of Common Stock during the period beginning on the date immediately preceding the earlier to occur of (A) the consummation of the applicable change of control and (B) the public announcement of such change of control and ending on the date Hudson Bay delivers a change of control redemption notice, by (2) the Conversion Price; or; (iii) Redemption Variable Premium of the product of (x) the number of shares into which the March 2023 Note (including all principal, interest and late fees) subject to such redemption may be converted multiplied by (y) the greatest closing sale price of the shares of Common Stock during the period beginning on the date immediately preceding the earlier to occur of (x) the consummation of the change of control and (y) the public announcement of such change of control and ending on the date Hudson Bay delivers the change of control redemption notice; provided, however, that if no Cash Release Event has occurred on or prior to the applicable change of control redemption date, the principal amount used in calculating the applicable change of control redemption price on such change of control. If the Company issues options, convertible securities, warrants, stock, or similar securities to holders of its Common Stock, the holder of the March 2023 Note shall have the right to acquire the same as if it had converted its March 2023 Note. Hudson Bay is entitled to receive any dividends paid or distributions made to the holders of the Common Stock on an " as if converted " to Common Stock basis. The March 2023 Note contains a variety of covenants on the part of Company that are typical for transactions of this type, as well as the following covenants: ● the March 2023 Note ranks senior to all other indebtedness of the Company, except that certain permitted indebtedness ranks pari passu with the March 2023 Note; ● the Company will not incur other indebtedness, except for certain permitted indebtedness; ● the Company will not incur any liens, except for certain permitted liens; ● the Company will not, directly or indirectly, redeem or repay all or any portion of any permitted indebtedness if at the time such payment is due or is made or, after giving effect to such payment, an event constituting, or that with the passage of time and without being cured would constitute, an event of default has occurred and is continuing; and ● the Company will not redeem, repurchase or pay any dividend or distribution on its Common Stock or any other capital stock. On March 23, 2023, the warrants issued were classified as equity with an initial grant date fair value of $ 4, 532, 673, of which $ 4, 335, 611 was recorded as a deferred debt discount, $ 197, 061 of the excess fair value was immediately expensed as loss on issuance of warrants. The Company also incurred $ 664, 389 of issuance expenses which were recorded as deferred debt discount. The fair value of the warrants was computed on the grant date using a per share price of $ 0. 12 per share. The fair value was estimated using the Black Scholes option pricing models with the following assumptions: SCHEDULE OF FAIR VALUE OF OPTION WITH ASSUMPTIONS Dividend Yield Expected Volatility Risk- free Interest Rate Expected Life Hudson Bay Warrant; March 2023 0. 00 % 143. 23 % 3. 88 % 2. 5 years Palladium Capital Warrant; March 2023 0. 00 % 143. 23 % 3. 88 % 2. 5 years F- 17 On April 5, 2023, the warrants issued under the March 2023 Offering were adjusted under the terms and conditions to a strike price of $ 2. 01 due to the reverse stock split. The adjustment resulted in a fair value of $ 3, 387, 604, of which $ 3, 387, 604 was immediately expensed as loss on issuance of warrants. The agreement required aggregate payments of $ 8, 215, 000, which were remitted in installments from October 2023 through** March 2023 **2024 . Upon receipt of** Warrant (as defined below), subject to the **these payments** conditions set forth therein. As previously disclosed , **all obligations under** pursuant to the Note Securities Purchase Agreement, the Company sold to the Investor the January 2022 Note, of which an aggregate principal amount of $ 2, 000, 000 remains outstanding. In addition, pursuant to the Securities Purchase Agreement (together with the Note Securities Purchase Agreement, the " SPAs ") the Company sold to Hudson Bay the March 2023 Note, **and associated warrants were satisfied in full** of which the entire aggregate principal amount remains outstanding (together with the January 2022 Note, the " Notes ") and the **instruments were extinguished during** March 2023 Warrant Common Stock. Pursuant to the **year** Prepayment Agreement, the Company agreed to make an aggregate payment of $ 8, 215, 000 (the " Aggregate Payment Amount ") to Hudson Bay in six installments, of which an initial payment remitted in October 2023 of $ 3, 000, 000 was allocated towards repayment in full of the remaining $ 2, 000, 000 of the January 2022 Note, $ 340, 000 partial repayment of the March 2023 Note and $ 660, 000 for the redemption in full of the March 2023 Warrant (the " Initial Payment "). The remaining five installments, which range from $ 150, 000 to $ 2, 275, 000 and are allocated towards the remaining principal of the March 2023 Note as specified in the Prepayment Agreement, are due on the fifteenth day of each month, beginning on November 15, 2023 and ending on March 15, 2024. At its option, the Company may prepay any monthly installment prior to its respective due date. During the three months ended December 31, 2023 **2024** the Company remitted a total **. No convertible notes or related instruments were outstanding as** of $ 3 **December 31** , 300, 000 in payments. Any cash payments required to be made pursuant to the terms of the Notes shall be suspended as long as the Company timely makes the payments set forth in the Prepayment Agreement and no Event of Default (as defined in the Notes) (or an event that with the passage of time or the giving of notice would result in an Event of Default) occurs and is continuing. In addition, upon receipt by Hudson Bay of the Initial Payment, all of the aggregate principal amount outstanding of the March 2023 **2024** Note will no longer be convertible into shares of Common Stock, provided that any aggregate principal amount outstanding of the March 2023 Note shall again become convertible into shares of Common Stock if an Event of Default (or an event that with the passage of time or the giving of notice would result in an Event of Default) occurs and is continuing or in the event the Company fails to timely make the payments under the Prepayment Agreement. Upon receipt by Hudson Bay of the Aggregate Payment Amount, the SPAs, the Notes, the March 2023 Warrant and any other transaction documents related to the SPAs shall terminate and be of no further force or effect, other than certain indemnification obligations in the SPAs. In the event that the conditions to closing shall not have occurred by on or before the fifth (5th) business day following the Effective Date, subject to certain conditions, Hudson Bay has the option to terminate the Prepayment Agreement at the close of business on such date. F- 18 January 2022 Offering On January 26, 2022, the Company, entered into a Securities Purchase Agreement (the " Note Securities Purchase Agreement ") with an accredited investor (the " Note Investor ") for the issuance and sale of a Senior Convertible Note with an initial principal amount of $ 33, 333, 333 (the " January 2022 Note ") at a conversion price of $ 10. 00 per share of Eighteo' s Common Stock with a purchase amount of $ 30, 000, 000 and an original issue discount of $ 3, 333, 333, a warrant (the " January 2022 Warrant ") to purchase up to 66, 667 shares of Common Stock with an initial exercise price of $ 10. 00 per share of Common Stock (the " Note Private Placement "). In addition, the Company issued a warrant to the placement agent to purchase up to 1, 067 shares of Common Stock with an initial exercise price of $ 10. 00 per share of Common Stock. The warrants vest immediately, expiring on May 16, 2027 and had an estimated fair value of $ 3, 905, 548. The Company recorded a debt discount of $ 7, 798, 881 which consists of the original issue discount of $ 3, 333, 333, the fair value of the warrants of $ 3, 905, 548 and placement agent fees of $ 560, 000. The discount will be amortized over the term of the convertible note payable. The entire outstanding principal balance and any outstanding fees or interest shall be due and payable in full on the third anniversary of the date the note is issued, May 5, 2022. The January 2022 Note does not bear interest, provided, however, that the Note will bear interest at 18 % per annum upon the occurrence of an event of default. Eighteo and the Note Investor closed the transaction contemplated by the Note Securities Purchase Agreement on May 5, 2022. In connection with the Note Private Placement, the Company also entered into a Registration Rights Agreement (the " January 2022 Registration Rights Agreement ") with the Note Investor , and, upon the closing, entered into a Security Agreement, a Pledge Agreement and various ancillary certificates, disclosure schedules and exhibits in support thereof prior to the closing of the Note Securities Purchase Agreement. On July 28, 2022, the Company entered into an Amendment Agreement (the " July 2022 Amendment Agreement ") with the Note Investor to amend the Note Securities Purchase Agreement, the January 2022 Note, and that certain January 2022 Registration Rights Agreement. Pursuant to the July 2022 Amendment Agreement, the Company released an aggregate of $ 29, 000, 000 (the " Released Funds ") from the restricted funds account maintained in accordance with the Note Securities Purchase Agreement (the " Restricted Funds Account ") and, going forward, must deposit 50 % of any Warrant Exercise Cash (as defined in the July 2022 Amendment Agreement) into the Restricted Funds Account. As required by the July 2022 Amendment Agreement, the Company used $ 22, 000, 000 of the Released Funds to repurchase from the Investor $ 22, 000, 000 of the principal of the January 2022 Note. Pursuant to the July 2022 Amendment Agreement, the conversion price of the balance of the January 2022 Note that remains was voluntarily adjusted to $ 1. 06 (the " Adjustment "). The July 2022 Amendment Agreement also amended the January 2022 Registration Rights Agreement. to require the Company to register (i) the number of shares of common stock equal to 200 % of the shares issuable upon conversion of the January 2022 Note and (ii) the number of shares of common stock equal to 200 % of the shares issuable upon exercise of the warrant issued under the Note Securities Purchase Agreement, assuming all cash has been released from the Restricted Funds Account and the number of shares of common stock issuable upon exercise of the January 2022 Warrant issued under the Note Securities Purchase Agreement has been adjusted in accordance with Section 3 (e) of the warrant. The July 2022 Amendment Agreement requires the Company to register additional shares of its common stock underlying the January 2022 Note. Accordingly, the Company filed a registration statement on Form S- 1 dated August 12, 2022 (the " August S- 1 ") with the Securities and Exchange Commission. The August S- 1 includes 301, 007 shares of the Company' s common stock issuable upon the conversion of the January 2022 Note as a result of the Adjustment. As a result of the Adjustment, the exercise price of (i) warrants to purchase up to 15, 467 shares of the Company' s Common Stock held by Palladium Capital Group, LLC, (ii) warrants to purchase up to 66, 667 shares of the Company' s Common Stock held by the Note Investor, and (iii) warrants to purchase up to 30, 000 shares of the Company' s Common Stock held by BHP Capital NY, Inc. was adjusted to $ 1. 06 per share of the Company' s Common Stock. The July 2022 Amendment Agreement amends the January 2022 Note to permit the Company to enter into technology license agreements which obligate the Company to make cash payments of up to $ 10, 000, 000 (the " Cash Payment ") and Common Stock issuances of up to 5, 000 restricted shares, provided (i) the Cash Payments are not due until at least two years after the signing of such license agreements, and (ii) the Company must enter into an intercreditor agreement in connection with each license agreement. The July 2022 Amendment Agreement also amends the January 2022 Note to increase the permitted amount of a lien on indebtedness of the Company from $ 500, 000 to $ 10, 000, 000. The July 2022 Amendment Agreement grants the holder of the January 2022 Note the right, at any time after December 27, 2023, to force the Company to redeem all or any portion of the outstanding principal, interest or penalties on the January 2022 Note. The parties also amended the Company' s carve out to its financing standstill as set forth in the July 2022 Amendment Agreement . F- **21** 19 On September 14, 2022, the Company and the Note Investor entered into a waiver (the " Waiver ") to permit, subject to the terms and conditions set forth therein, the entry into a purchase agreement for Forever 8. Pursuant to the Waiver, the conversion price and exercise price of the January 2022 Note and the January 2022 Warrants, respectively, were voluntarily and irrevocably adjusted to equal $ 50. 00, subject to further adjustment as set forth therein. As a result of the price adjustment feature, the number of shares of the Company' s common stock issuable upon exercise of the January 2022 Warrants and conversion of the January 2022 Notes was increased upon the acquisition of Forever 8 on October 1, 2022. As a result of the adjustment of the January 2022 Note and January 2022 Warrant conversion and exercise price, respectively, in the Waiver, the exercise price of (i) warrants to purchase up to 15, 467 shares of the Company' s Common Stock held by Palladium Capital Group, LLC, (ii) warrants to purchase up to 66, 667 shares of the Company' s Common Stock held by the Note Investor, and (iii) warrants to purchase up to 30, 000 shares of the Company' s Common Stock held by BHP Capital NY, Inc. was adjusted to $ 50. 00 per share of the Company' s Common Stock. On January 6, 2023, the Company entered into a Second Amendment Agreement (the " Second Amendment Agreement ") with Hudson Bay to amend the (i) Note Securities Purchase Agreement, (ii) the January 2022 Note, (iii) the January 2022 Registration Rights Agreement, and (iv) the January 2022 Warrant. Pursuant to the Second Amendment Agreement, the

~~conversion price of the balance of the January 2022 Note that remains outstanding was voluntarily adjusted to $ 10. 00 per share of Common Stock. The Second Amendment Agreement grants the Company the right to redeem all or a portion of the outstanding amount of the January 2022 Note (the " Redemption Right ") upon 10 trading days' notice provided that (i) no Equity Conditions Failure (as defined in the January 2022 Note) exists and (ii) the Company has sufficient resources to effect the redemption. The Redemption Right is subject to certain other restrictions contained in the Second Amendment Agreement. The Second Amendment Agreement provides that if Hudson Bay converts any portion of the January 2022 Note during the 10 consecutive trading day period starting on January 6, 2023 (the " Applicable Conversion Period "), Hudson Bay shall, on the first business day immediately following the end of the Applicable Conversion Period, release to the Company an amount of cash from the Control Account (as defined in the January 2022 Note) equal to 20 % of the amount converted during the Applicable Conversion Period if the volume- weighted average price (" VWAP ") of the common stock on each trading day during the Applicable Conversion Period equals or exceeds $ 10. 00 and there is no circumstance or event that would, with or without the passage of time or the giving of notice, result in a material default, material breach or event of default under any Transaction Document (as defined in the Note Securities Purchase Agreement). As a result of the voluntary adjustment to the conversion price of the January 2022 Note, the exercise price of the January 2022 Warrant was automatically adjusted to $ 10. 00 per share of common stock and the number of shares issuable upon exercise of the January 2022 Warrant (the " HB Warrant Shares ") was proportionately increased to 3, 333, 333 HB Warrant Shares. Pursuant to the Second Amendment Agreement, Hudson Bay agreed to waive the adjustment to the number of HB Warrant Shares issuable pursuant to the January 2022 Warrant to the extent such adjustment results in a number of HB Warrant Shares underlying the January 2022 Warrant exceeding 2, 220, 000. The Second Amendment Agreement provides that Hudson Bay (i) will not exercise January 2022 Warrants to purchase more than an aggregate of 1, 500, 000 HB Warrant Shares until March 2, 2023, provided such limitation will be waived upon the occurrence of an Event of Default (as defined in the January 2022 Note) or if the VWAP of the common stock on any trading day from January 6, 2023 until March 2, 2023 is less than $ 11. 00 and (ii) will not exercise the January 2022 Warrant until (x) such time as the aggregate principal amount outstanding of the January 2022 Note is equal to or less than the amount remaining in the Control Account or (y) the occurrence of an Event of Default (the " HB Initial Exercisability Date "). However, Hudson Bay may exercise Warrants for up to 200, 000 shares of common stock prior to the HB Initial Exercisability Date if the VWAP of the common stock on any trading day during the period starting on March 1, 2023 and ending on and including March 31, 2023 is less than $ 10. 00. If the VWAP of the common stock on each trading day from January 6, 2023 through March 1, 2023, is greater than $ 11. 00, Hudson Bay will forfeit the right to purchase 720, 000 HB Warrant Shares pursuant to the January 2022 Warrant, provided that there is no circumstance or event that would, with or without the passage of time or the giving of notice, result in a material default, material breach or event of default under any Transaction Document. Additionally, the exercise price of the January 2022 Warrant was voluntarily further adjusted to $ 0. 01 per share of common stock in lieu of the investors taking less warrant shares. The VWAP of the common stock, from January 6, 2023 through March 1, 2023, was below $ 11. 00, as such Hudson Bay did not forfeit the 720, 000 HB Warrant Shares. The Second Amendment Agreement required the Company to provide each stockholder entitled to vote at the next special or annual meeting of stockholders of the Company, which was required to be held no later than April 1, 2023, a proxy statement soliciting each such stockholder' s affirmative vote at the stockholder meeting for approving the increase of the authorized shares of common stock from 250, 000, 000 to 500, 000, 000 (" Stockholder Approval "). The Stockholder Approval was obtained at the Company' s special meeting of stockholders held on March 15, 2023. The warrants issued by the Company were modified to reduce the exercise price, which also increased the number of warrants to purchase common stock. The warrant modification expense of $ 43, 344, 150 was computed on the modification date using a per share price of $ 0. 32 per share. SEGMENTING REPORTING The Company' s principal operating segments coincide with the types of products to be sold. The products from which revenues are derived are consistent with the reporting structure of the Company' s internal organization. The Company' s two reportable segments for the years ended December 31, **2024 and** 2023 were the Inventory Management Solutions segment and the Corrugated ~~segment~~ **Packaging Business** . The Company' s chief operating decision maker has been identified as the Chairman and CEO, who reviews operating results to make decisions about allocating resources and assessing performance for the entire Company. Segment information is presented based upon the Company' s management organization structure as of December 31, ~~2023~~ **2024** and the distinctive nature of each segment. Future changes to this internal financial structure may result in changes to the reportable segments disclosed. There are no inter- segment revenue transactions and, therefore, revenues are only to external customers **. F- 28 21. SEGMENTING REPORTING (continued) The CODM evaluates segment performance based on net revenues, cost of revenues, gross profit, and selling, general and administrative expenses. These items are reviewed by segment. Depreciation and amortization is also monitored by management and presented below. Certain other costs, such as interest expense, other income (expense), and income taxes, are managed on a consolidated basis and not allocated to segments** . Segment operating profit is determined based upon internal performance measures used by the chief operating decision maker. The Company derives the segment results from its internal management reporting system. The accounting policies the Company uses to derive reportable segment results are the same as those used for external reporting purposes. **Segment operating income excludes certain corporate costs that are not allocated to segments, including corporate- level general and administrative expenses and unallocated shared services. These items are disclosed separately as " Corporate. "** Management measures the performance of each reportable segment based upon several metrics, including net revenues, gross profit and operating loss. Management uses these results to evaluate the performance of, and to assign resources to, each of the reportable segments. The Company ~~manages certain operating expenses separately at the corporate level and~~ does not allocate ~~such~~ **impairment charges, interest** ~~expenses~~ **expense,** ~~to the segments. ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE ITEM 9A.CONTROLS AND PROCEDURES Disclosure Controls and Procedures The Company' s management,with the participation of the Company' s Principal Executive Officer and Principal Financial and Accounting Officer **,** has evaluated the effectiveness of the Company' s disclosure controls and procedures (as such term is defined in Rules 13a- 15 (e) and 15d- 15 (e) under the Exchange Act) as of the end of the period covered by this Annual Report.Based on such evaluation,the Company' s Principal Executive Officer and Principal Financial and Accounting Officer have concluded that,as of the end of such period,the Company' s disclosure controls and procedures were not effective to provide reasonable assurance that information that it is required to disclose in reports that the Company files with the SEC is recorded,processed,summarized and reported within the time periods specified by the Exchange Act rules and regulations.As of December 31, ~~2023~~ **2024** ,management completed an effective assessment of the Company' s internal control over financial reporting based on the 2013 Committee of Sponsoring Organizations (COSO) framework.Management has concluded that as of December 31, ~~2023~~ **2024** ,our internal control over financial reporting was not effective to detect the inappropriate application of U.S.GAAP.Management identified the following material weakness set forth below in our internal control over financial reporting.The Company was unable to provide a timely financial reporting package in connection with the year end audit.This was primarily the result of the Company' s limited accounting personnel.This also limits the extent to which the Company can segregate incompatible duties and has a lack of controls in place to ensure that all material transactions and developments impacting the financial statements are reflected.There is a risk under the current circumstances that intentional or unintentional errors could occur and not be detected.Management' s Report on Internal Control over Financial Reporting Management is responsible for establishing and maintaining adequate internal control over financial reporting,as defined in Rule 13a- 15 (f) under the Exchange Act ~~(already defined)~~ .Because of its inherent limitations,internal control over financial reporting is not intended to provide absolute assurance that a misstatement of our financial statements would be prevented or detected.Under the supervision of our Chief Executive Officer and Chief Financial Officer,the Company conducted an evaluation of the effectiveness of our internal control over financial reporting as of December 31, ~~2023~~ **2024** using the criteria established in Internal Control — Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (" COSO ") (2013 Framework).A material weakness is a deficiency,or combination of deficiencies,in internal control over financial reporting,such that there is a reasonable possibility that a material misstatement of our annual or interim financial statements will not be prevented or detected on a timely basis.In our assessment of the effectiveness of internal control over financial reporting as of December 31, ~~2023~~ **2024** ,we determined that there were control deficiencies existing that constituted a material weakness. ~~Our~~ **As a result,our** Chief Executive Officer and Chief Financial Officer concluded that the Company did not maintain effective internal control over financial reporting as of December 31, ~~2023~~ **2024** based on criteria established in Internal Control — Integrated Framework issued by COSO (2013 Framework). ~~Our The Company expects to provide total compensation packages that are competitive, tailored to the unique characteristics and needs of the Company within its industry, and adequately reward its executives for their roles in creating value for our stockholders. The Company expects that it will be competitive in its executive compensation with other similarly situated companies in its industry. The compensation decisions regarding the Company' s executives are expected to be based on its need to attract individuals with the skills necessary to achieve its business plan, to reward those individuals fairly over time and to retain those individuals who continue to perform at or above the Company' s expectations. The Company' s executive compensation program is expected to consist of three primary components: salary, incentive bonus and stock- based awards issued under an equity incentive plan. The Company determines the appropriate level for each compensation component based in part, but not exclusively, on its view of internal equity and consistency, individual performance, the Company' s performance, and other information deemed relevant and timely. Employment Agreements On September 27, 2022, the Company entered into new employment agreements for the Company' s Chief Executive Officer (the " McFadden Employment Agreement ") and Chief Financial Officer (the " Vroman Employment Agreement "). The employment agreements reported here replace existing employment agreements entered into with Mr. McFadden (the " March McFadden Agreement ") and Mr. Vroman (the " March Vroman Agreement ") in March 2022. What follows below is a summary of the principal terms for each of the new employment agreements, each as amended on October 18, 2022. Brian McFadden~~ Employment Agreement Pursuant to the terms of the ~~McFadden~~ **Vroman** Employment Agreement, Mr. ~~McFadden~~ **Vroman** is employed as the Chief ~~Executive~~ **Financial** Officer of the Company. Mr. ~~McFadden~~ **Vroman**' s employment under the ~~McFadden~~ **Vroman** Employment Agreement **was to** ~~lasts~~ **last** until September 27, 2024, unless earlier terminated pursuant to the terms of the agreement. ~~The McFadden Employment Agreement provides for an automatic renewal for a period of one year unless either party provides timely written notice otherwise.~~ Pursuant to the terms of Mr. ~~McFadden~~ **Vroman**' s employment agreement, Mr. ~~McFadden will~~ **Vroman was to** receive, subject to approval by the ~~board of directors of the Company (the "~~ Board ~~"),~~, an annual grant of ~~200~~ **180**, 000 restricted stock units convertible into shares of the Company' s common stock, which shall be immediately vested and subject to the terms and conditions of the Company' s 2022 Long- Term Incentive Plan. This reflects an increase from the ~~150~~ **135**, 000 shares provided to Mr. ~~McFadden~~ **Vroman** under the March ~~McFadden~~ **Vroman** Agreement. Mr. ~~McFadden~~ **Vroman** will be entitled to a base salary payable at the annualized rate of $ ~~325~~ **292**, 000 per year (the " ~~McFadden~~ **Vroman** Base Salary "), which reflects an increase from the $ 250, 000 provided to Mr. ~~McFadden~~ **Vroman** under the March ~~McFadden~~ **Vroman** Agreement. Mr. ~~McFadden~~ **Vroman** is eligible for an annual cash bonus opportunity equal to 100 % of the ~~McFadden~~ **Vroman** Base Salary (the " ~~McFadden~~ **Vroman** Bonus ") based on the achievement of performance goals as determined by **the** Company' s audit committee and the Board. The ~~McFadden~~ **Vroman** Bonus reflects a decrease on a percentage basis from the maximum 150 % of base salary provided for in the March ~~McFadden~~ **Vroman** Agreement. In addition, Mr. ~~McFadden~~ **Vroman** shall under some circumstances be entitled to receive additional shares of the Company' s common stock contingent upon the satisfaction of certain additional performance goals. Mr. ~~McFadden~~ **Vroman** shall be entitled to receive a maximum total of **990** ~~1, 100~~, 000 shares upon full satisfaction of certain corporate growth achievements based upon a review of the Company' s audited financial statements and subject to the approval of the Board. This reflects an increase over the March ~~McFadden~~ **Vroman** Agreement, which provided that Mr. ~~McFadden~~ **Vroman** would be eligible to receive a maximum of ~~500~~ **450**, 000 shares in connection with revenue growth. Mr. ~~McFadden~~ **Vroman** shall be eligible to receive a one- time bonus of ~~200~~ **180**, 000 shares in the event that the Company achieves a positive cash flow based on a review of the Company' s audited financial statements and subject to the review of the Board. The March ~~McFadden~~ **Vroman** Agreement provided for a substantially similar bonus in connection with cash flow. Mr. ~~McFadden~~ **Vroman** shall be eligible to receive a bonus of a maximum aggregate of 1, ~~750~~ **600**, 000 shares in the event that certain market capitalization milestones are met based on a review of the Company' s audited financial statements and subject to approval by the Board. ~~Though specific milestone thresholds vary, the March McFadden Agreement contained a substantially similar provision with respect to a market capitalization bonus. Subsequent to receiving the maximum aggregate 1, 750, 000 shares provided for under the first three market capitalization milestones, Mr. McFadden will be eligible to receive additional bonuses of 150, 000 shares for each doubling in market capitalization of the Company over the market capitalization recorded at the prior bonus threshold, provided such increase is sustained for a period of at least three consecutive trading days. Though specific milestone thresholds and timing requirements vary, the March McFadden Agreement contained a substantially similar provision with respect to a continuing market capitalization bonus. Mr. McFadden may also be eligible for additional compensation in the sole and complete discretion of the Board. Mr. McFadden will be eligible to participate in all health, medical, dental and life insurance policies offered to employees of the Company, and the Company will pay all applicable premiums. The Company will reimburse Mr. McFadden up to $ 10, 000 per year as a car allowance, reimburse Mr. McFadden up to $ 2, 500 for home office expenses and reimburse Mr. McFadden for all reasonable out- of- pocket expenses incurred by him in the conduct of the Company' s business. The McFadden Employment Agreement provides Mr. McFadden with four (4) weeks of paid vacation and five (5) days of paid personal time. The McFadden Employment Agreement also provides Mr. McFadden with liability insurance coverage and shall reimburse certain financial planning expenses incurred by Mr. McFadden. All terms provided in this paragraph are substantially similar to those provided in the March McFadden Agreement. In the event the Company terminates Mr. McFadden' s employment without cause (as defined in the McFadden Employment Agreement), Mr. McFadden will receive (i) the Accrued Obligation (as defined in the McFadden Employment Agreement) and (ii) severance in the amount of equal to the McFadden Base Salary for twenty- four (24) months. In addition, this termination will cause the vesting of all Eighteo common stock held by Mr. McFadden and entitle Mr. McFadden to reimbursement of premiums associated with the continuation of health insurance benefits provided under the McFadden Employment Agreement during the remaining Term of Employment (as defined in the McFadden Employment Agreement). On February 26, 2024, the Company and Brian McFadden entered into General Release and Severance Agreement (the " McFadden Severance Agreement "), effective as of the eighth day following the McFadden Severance Agreement in connection with Mr. McFadden' s resignation as Chief Executive Officer of the Company, effective as of December 31, 2023. Pursuant to the McFadden Severance Agreement, Mr. McFadden is eligible to receive $ 146, 683 in accrued but unpaid base salary through the Separation Date in four quarterly payments of $ 36, 670. 75 each, less all applicable tax withholdings, by December 31, 2024. In consideration of the McFadden Severance Agreement, the release therein and Mr. McFadden' s resignation as Chief Executive Officer of the Company, the Company shall provide Mr. McFadden severance pay in the gross amount of amount of $ 422, 500, less all lawful and authorized withholdings and deductions (the " Severance Payment "), which Severance Payment shall be paid in four quarterly installments of $ 105, 625 per each installment, payable at the Company' s option in either cash or Common Stock, with the payment to be made as follows: (i) as of the McFadden Effective Date, on which such date Mr. McFadden shall be granted, in lieu of cash, 128, 811 fully- vested restricted shares of the Common Stock at a price of $ 0. 82 per share, which such shares of Common Stock subject to the terms and conditions of the Company' s 2022 Long- Term Incentive Plan (the " Plan "), and as of each of (ii) April 1, 2024, (iii) July 1, 2024, and (iv) October 1, 2024, payable at the Company' s option, in either cash or Common Stock. The shares of Common Stock to be issued to Mr. McFadden under installments (ii), (iii) and (iv), if applicable, shall be fully vested and the number of shares to be issued shall be determined based on the volume weighted average trading price of the Common Stock on the principal exchange on which the Common Stock is listed or admitted to trade during the period of 10 trading days immediately prior to the date of such issuance. Pursuant to the terms of the McFadden Severance Agreement, Mr. McFadden was to remain a director of the Company' s board (the " Board ") from the Separation Date through March 31, 2024, at which time Mr. McFadden would resign from the Board. On March 17, 2024, the Board approved the entry by the Company into the First Amendment to the McFadden Severance Agreement to amend Mr. McFadden' s end date of service on the Board to March 17, 2024. A copy of the complete McFadden Severance Agreement is included as Exhibit 10. 2 to the Company' s Current Report on Form 8- K, as filed with the Securities and Exchange Commission on February 26, 2024. Brett Vroman Employment Agreement Pursuant to the terms of the Vroman Employment Agreement, Mr. Vroman is employed as the Chief Financial Officer of the Company. Mr. Vroman' s employment under the Vroman Employment Agreement lasts until September 27, 2024, unless earlier terminated pursuant to the terms of the agreement. Pursuant to the terms of Mr. Vroman' s employment agreement, Mr. Vroman will receive, subject to approval by the Board, an annual grant of 180, 000 restricted stock units convertible into shares of the Company' s common stock, which shall be immediately vested and subject to the terms and conditions of the Company' s 2022 Long- Term Incentive Plan. This reflects an increase from the 135, 000 shares provided to Mr. Vroman under the March Vroman Agreement. Mr. Vroman will be entitled to a base salary payable at the annualized rate of $ 292, 000 per year (the " Vroman Base Salary "), which reflects an increase from the $ 250, 000 provided to Mr. Vroman under the March Vroman Agreement. Mr. Vroman is eligible for an annual cash bonus opportunity equal to 100 % of the Vroman Base Salary (the " Vroman Bonus ") based on the achievement of performance goals as determined by the Company' s audit committee and the Board. The Vroman Bonus reflects a decrease on a percentage basis from the maximum 150 % of base salary provided for in the March Vroman Agreement. In addition, Mr. Vroman shall under some circumstances be entitled to receive additional shares of the Company' s common stock contingent upon the satisfaction of certain additional performance goals. Mr. Vroman shall be entitled to receive a maximum total of 990, 000 shares upon full satisfaction of certain corporate growth achievements based upon a review of the Company' s audited financial statements and subject to the approval of the Board. This reflects an increase over the March Vroman Agreement, which provided that Mr. Vroman~~

would be eligible to receive a maximum of 450, 000 shares in connection with revenue growth. Mr. Vroman shall be eligible to receive a one- time bonus of 180, 000 shares in the event that the Company achieves a positive cash flow based on a review of the Company' s audited financial statements and subject to the review of the Board. The March Vroman Agreement provided for a substantially similar bonus in connection with cash flow. Mr. Vroman shall be eligible to receive a bonus of a maximum aggregate of 1, 600, 000 shares in the event that certain market capitalization milestones are met based on a review of the Company' s audited financial statements and subject to approval by the Board. This reflects an increase above the maximum aggregate of 1, 575, 000 shares provided for in connection with meeting market capitalization milestones under the March Vroman Agreement. Subsequent to receiving the maximum aggregate 1, 600, 000 shares provided for under the first three market capitalization milestones, Mr. Vroman will be eligible to receive additional bonuses of 135, 000 shares for each doubling in market capitalization of the Company over the market capitalization recorded at the prior bonus threshold, provided such increase is sustained for a period of at least three consecutive trading days. Though specific milestone thresholds and timing requirements vary, the March Vroman Agreement contained a substantially similar provision with respect to a continuing market capitalization bonus. Mr. Vroman may also be eligible for additional compensation in the sole and complete discretion of the Board. Mr. Vroman will be eligible to participate in all health, medical, dental and life insurance policies offered to employees of the Company, and the Company will pay all applicable premiums. The Company will reimburse Mr. Vroman up to $ 10, 000 per year as a car allowance, reimburse Mr. Vroman up to $ 2, 500 for home office expenses and reimburse Mr. Vroman for all reasonable out- of- pocket expenses incurred by him in the conduct of the Company' s business. The Vroman Employment Agreement provides Mr. Vroman with four (4) weeks of paid vacation and five (5) days of paid personal time. The Vroman Employment Agreement also provides Mr. Vroman with liability insurance coverage and shall reimburse certain financial planning expenses incurred by Mr. Vroman. All terms provided in this paragraph are substantially similar to those provided in the March Vroman Agreement. In the event the Company terminates Mr. Vroman' s employment without cause (as defined in the Vroman Employment Agreement), Mr. Vroman will receive (i) the Accrued Obligation (as defined in the Vroman Employment Agreement) and (ii) severance in the amount of equal to the Vroman Base Salary for twenty- four (24) months. In addition, this termination will cause the vesting of all Eightco common stock held by Mr. Vroman and entitle Mr. Vroman to reimbursement of premiums associated with the continuation of health insurance benefits provided under the Vroman Employment Agreement during the remaining Term of Employment (as defined in the Vroman Employment Agreement). On February 26, 2024, the Company and Brett Vroman entered into General Release and Severance Agreement (the " Vroman Severance Agreement "), effective as of the eighth date following the Vroman Severance Agreement in connection with the termination of the amended and restated employment agreement, by and between the Company and Mr. Vroman, effective as of September 27, 2022. Pursuant to the Vroman Severance Agreement, as of the Separation Date, the Vroman Employment Agreement shall terminate forever, and no party shall have any further obligation or liability thereunder except as related to any obligations that survive employment termination, including but not limited to the obligations set forth under the Employee Confidential Disclosure, Invention Assignment, Non- Competition, Non- Solicitation and Non- Interference Agreement, attached to the Vroman Employment Agreement. Pursuant to the Vroman Severance Agreement, the Company will provide Mr. Vroman with (i) back pay wages through the Separation Date in the amount of $ 151, 615. 46, less all lawful and authorized withholdings and deductions, to be paid as soon as practicable following the Vroman Effective Date and (ii) severance of 24 months of Mr. Vroman' s base salary, less all lawful and authorized withholdings and deductions, under the Vroman Employment Agreement. Pursuant to the Vroman Severance Agreement, the Company shall also reimburse to Mr. Vroman the premiums associated with the continuation of Mr. Vroman' s health insurance for the period commencing on the Separation Date through December 31, 2024, pursuant to applicable law, expenses in accordance with the Company' s expense reimbursement policy, and the full vesting of any earned shares of Common Stock. The Vroman Severance Agreement also provides for a mutual waiver and release of any claims in connection with Mr. Vroman' s employment, separation and departure from the Company, and for certain customary covenants regarding confidentiality. Additionally, on February 22, 2024, the Company and CXO Lite, LLC, a limited liability company organized under the laws of Pennsylvania, of which Mr. Vroman is the sole member, entered into a consulting agreement (the " CXO Lite Consulting Agreement ") pursuant to which Mr. Vroman shall be engaged and continue to serve the Company as its Chief Financial Officer. A copy of the complete Vroman Severance Agreement and CXO Lite Consulting Agreement are included as an Exhibits exhibits 10. 3 and 10. 4, respectively, to this Annual the Company' s Current Report on Form 8- K, as filed with the Securities and Exchange Commission on February 26, 2024. Kevin O' Donnell Employment Agreement and Separation Agreement On February 22, 2024, the Board appointed Kevin O' Donnell as Interim Chief Executive Officer of the Company, effective as of the Separation Date, to serve until a successor is chosen and qualified, or until his earlier resignation or removal 17 and Consulting Agreement On February 26, 2024, the Company and Brett Vroman Kevin O' Donnell entered into a General Release and Severance Agreement, (the " Vroman O' Donnell Severance Agreement "), effective as of March 17, 2024 the eighth date following the Vroman Severance Agreement (the " Vroman O' Donnell Effective Date ") in connection with the The O' Donnell Severance Agreement terminated termination of the amended and restated employment agreement, by and between the Company and Mr. Vroman O' Donnell, effective as of October 21 September 27, 2022 (the " Vroman O' Donnell Employment Agreement "). Pursuant to the Vroman O' Donnell Severance Agreement, as of the Separation O' Donnell Effective Date, the Vroman O' Donnell Employment Agreement shall terminate forever, and no party shall have any further obligation or liability thereunder except as related to any obligations that survive employment termination, including but not limited to the obligations set forth under the Employee Confidential Disclosure, Invention Assignment, Non- Competition, Non- Solicitation and Non- Interference Agreement, attached to the Vroman O' Donnell Employment Agreement. Additionally, on February 22, 2024 Pursuant to the O' Donnell Severance Agreement, the Company will provide and CXO Lite, LLC, a limited liability company organized under the laws of Pennsylvania, of which Mr. Vroman O' Donnell with Outstanding Equity Awards at Fiscal Year- End Retirement Benefits The Company expects to maintain a tax- qualified defined contribution plan that meets the requirements of Section 401 (k) of the Internal Revenue Code (the " Code "), commonly called a 401 (k) plan, for substantially all of its employees. The 401 (k) plan will be made available on the same basis to all employees, including the named executive officers. Each participant in the 401 (k) plan will be able to elect to defer from 0 % to 100 % of compensation, subject to limitations under the Code and Employee Retirement Income Security Act. Director Compensation The Company' s board of directors' compensation program is expected to be designed to provide competitive compensation necessary to attract and retain high quality non- employee directors and to encourage ownership of Company stock to further align their interests with those of our stockholders. The director annual compensation program is expected to provide the following compensation for independent, non- employee directors following the Business Combination: ● A quarterly retainer (the " Quarterly Retainer ") of $ 25, 000, and 25, 000 shares of the Company common stock, a supplemental 5, 000 shares of the Company common stock as an annual retainer for each of the Audit Committee Chair, the Compensation Committee Chair, and the Nominating and Governance Committee Chair; and ● Additional compensation for ad hoc services on a case- by- case basis. Subject to preferences~~ **, " Company Insiders ") and (iii) certain other employees** that **the Company** may **designate** ~~be applicable to any then- outstanding preferred stock, holders of our common stock are entitled to receive ratably those dividends, if any, as may be declared~~ from time to time ~~by~~ **as " Covered Persons " because of their position, responsibilities or their actual or potential access to material information. " Covered Persons " means Company Insiders and any other employee that** the **company designates as a Covered Person** ~~board of directors out of legally available funds. One We have never paid cash dividends on our common stock and do not anticipate paying any cash dividends in the foreseeable future but intend to retain our capital resources for reinvestment in our business. Any future disposition of dividends will be at the discretion of our board of directors and will depend upon, among other things, our future earnings, operating and financial condition, capital requirements, and other factors. Liquidation. In the event of our liquidation, dissolution or winding up, holders of common stock will be entitled to share ratably in the net assets legally available for distribution to stockholders after the payment of all of our debts and other liabilities and the satisfaction of any liquidation preference granted to the holders of any then- outstanding preferred stock. Rights and Preferences. Holders of common stock have no preemptive, conversion or subscription rights and there are no redemption or sinking fund provisions applicable to our common stock. The rights, preferences and privileges~~ of the **principal purposes** ~~holders of common stock are subject to, and may be adversely affected by, the rights~~ of the **federal** ~~holders of any series~~ **securities** ~~of preferred stock that we may designate in~~ **laws is to prohibit so- called " insider trading. The~~ **Company to make decisions to purchase, sell, give away or otherwise trade the** Company' s **securities or the securities of certain other companies or to provide that information to others outside the Company. The prohibitions against insider trading apply to trades, tips and recommendations by virtually any person, including all persons associated with the Company, if the information involved is " material " and " nonpublic. " These terms are defined in this Policy under Part I, Section 3 below. The prohibitions would apply to any director, officer or employee who buys or sells securities on the basis of material nonpublic information that he or she obtained about the Company, its customers, suppliers, partners, competitors or other companies with which the Company has contractual relationships or may be negotiating transactions. 1. Applicability. This Policy applies to all trading or other transactions in (i) the Company' s securities, including** common stock ~~is listed on~~ **, options and any other securities that** the ~~Nasdaq~~ **Company may issue, such as preferred** ~~Stock stock Market LLC under~~ **, notes, bonds and convertible securities, as well as to derivative securities relating to any of** the ~~symbol " OCTO. The transfer agent~~ ' s ~~telephone number is (775) 322- 0626. The board of directors is authorized, subject to any limitations prescribed by law, without further vote or action by the stockholders, to issue from time to time shares of preferred stock in one or more series~~ **securities** ~~. Each such series of preferred stock shall have such number of shares~~ , ~~designations, preferences, voting powers, qualifications, and special or relative rights or privileges as shall be determined by the board of directors, which may include, among others, dividend rights, voting rights, liquidation preferences, conversion rights and preemptive rights. Issuance of preferred stock by our board of directors may result in such shares having dividend and / or liquidation preferences senior to the rights of the holders of our common stock and could dilute the voting rights of the holders of our common stock. Prior to the issuance of shares of each series of preferred stock, the board of directors is required by the Delaware General Corporation Law (the " DGCL ") and our certificate of incorporation to adopt resolutions and file a certificate of designation with the Secretary of State of the State of Delaware. The certificate of designation fixes for each class or series the designations, powers, preferences, rights, qualifications, limitations and restrictions, including, but not limited to, some or all of the following: ● the number of shares constituting that series and the distinctive designation of that series, which number may be increased or decreased (but not below the number of shares then outstanding) from time to time by action of the board of directors; ● the dividend rate and the manner and frequency of payment of dividends on the shares of that series, whether dividends will be cumulative, and, if so, from which date; ● whether that series will have voting rights, in addition to any voting rights provided by law, and, if so, the terms of such voting rights; ● whether that series will have conversion privileges, and, if so, the terms and conditions of such conversion, including provision for adjustment of the conversion rate in such events as the board of directors may determine; ●~~ whether or not **issued by** the ~~shares~~ **Company and (ii) the securities** of **certain other companies** ~~that series will be redeemable~~ , **including common stock, options** and ~~, if so, the~~ **other** ~~terms and conditions~~ **securities issued by those companies as well as derivative securities relating to any** of ~~such redemption; ● whether that series will have a sinking fund for the~~

those companies' ~~redemption or purchase of shares of that series~~ securities . This Policy applies to all employees , ~~and, if so, the terms and amount of such sinking fund; ● whether or not the shares~~ of the Company, all officers ~~series will have priority over or be on a parity with or be junior to the shares of any other series or class in any respect; ● the rights~~ of the Company ~~shares of that series in the event of voluntary or involuntary liquidation, dissolution or winding up of the corporation,~~ and ~~the relative rights or priority, if any, of payment of shares of that series; and ● any other relative rights, preferences and limitations of that series. Once designated by our board of directors, each series of preferred stock may have specific financial and other terms that will be described in a prospectus supplement. The description of the preferred stock that is set forth in any prospectus supplement is not complete without reference to the documents that govern the preferred stock. These include our certificate of incorporation and any certificates of designation that our board of directors may adopt. All shares of preferred stock offered hereby will, when issued, be fully paid and nonassessable, including shares of preferred stock issued upon the exercise of preferred stock warrants or subscription rights, if any. Although our board of directors has no intention at the present time of doing so, it could authorize the issuance of a series of preferred stock that could, depending on the terms of such series, impede the completion of a merger, tender offer or other takeover attempt. Anti- Takeover Effects of Certain Provisions of Delaware Law, our Certificate of Incorporation and Bylaws Delaware Law We are subject to Section 203 of the DGCL. Section 203 generally prohibits a public Delaware corporation from engaging in a " business combination " with an " interested stockholder " for a period of three years after the date of the transaction in which the person became an interested stockholder, unless: ● prior to the date of the transaction, the board of directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder; ● the interested stockholder owned at least 85 % of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the number of shares outstanding (but not the outstanding voting stock owned by the interested stockholder) (i) shares owned by persons who are directors and also officers and (ii) shares owned by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or ● on or subsequent to the date of the transaction, the business combination is approved by the board and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least 66 2 / 3 % of the outstanding voting stock which is not owned by the interested stockholder. Section 203 defines a business combination to include: ● any merger or consolidation involving the corporation and the interested stockholder; ● any sale, transfer, pledge or other disposition involving the interested stockholder of 10 % or more of the assets of the corporation; ● subject to exceptions, any transaction that results in the issuance or transfer by the corporation of any stock of the corporation to the interested stockholder; or ● the receipt by the interested stockholder of the benefit of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation. In general, Section 203 defines an " interested stockholder " as any entity or person beneficially owning 15 % or more of the outstanding voting stock of the corporation and any entity or person affiliated with, or controlling, or controlled by, the entity or person. The term " owner " is broadly defined to include any person that, individually, with or through that person' s affiliates or associates, among other things, beneficially owns the stock, or has the right to acquire the stock, whether or not the right is immediately exercisable, under any agreement or understanding or upon the exercise of warrants or options or otherwise or has the right to vote the stock under any agreement or understanding, or has an agreement or understanding with the beneficial owner of the stock for the purpose of acquiring, holding, voting or disposing of the stock. The restrictions in Section 203 do not apply to corporations that have elected, in the manner provided in Section 203, not to be subject to Section 203 of the DGCL or, with certain exceptions, which do not have a class of voting stock that is listed on a national securities exchange or held of record by more than 2, 000 stockholders. Our certificate of incorporation and bylaws do not opt out of Section 203. Section 203 could delay or prohibit mergers or other takeover or change in control attempts with respect to us and, accordingly, may discourage attempts to acquire us even though such a transaction may offer our stockholders the opportunity to sell their stock at a price above the prevailing market price. Certificate of Incorporation and Bylaws Provisions of our certificate of incorporation and our bylaws may delay or discourage transactions involving an actual or potential change in our control or change in our management, including transactions in which stockholders might otherwise receive a premium for their shares, or transactions that our stockholders might otherwise deem to be in their best interests. Therefore, these provisions could adversely affect the price of our common stock. Among other things, our certificate of incorporation and bylaws: ● permit our board of directors to issue up to 10, 000, 000 shares of preferred stock, without further action by the stockholders, with any rights, preferences and privileges as they may designate, including the right to approve an acquisition or other change in control; ● provide that the authorized number of directors may be changed only by a resolution adopted by a majority of the total number of authorized directors; ● do not provide for cumulative voting rights (therefore allowing the holders of a majority of the shares of common stock entitled to vote in any election of directors to elect~~all~~ members ~~of the directors standing for election, if they should so choose); ● provide advance notice provisions with which a stockholder who wishes to nominate a director or propose other business to be considered at a stockholder meeting must comply; ● the division~~ of the Company' s board of directors and their respective family members. 2. General Policy: No Trading or Causing Trading While in Possession of Material Nonpublic Information. (a) No director, officer or employee or any of their immediate family members may purchase or sell, or offer to purchase or sell, any Company security, whether or not issued by the Company, while in possession of material nonpublic information about the Company. (The terms " material " and " nonpublic " are defined in Part I, Section 3 (a) and (b) below.) (b) No director, officer or employee or any of their immediate family who knows of any material nonpublic information about the Company may communicate that information to (" tip ") any other person, including family members and friends, or otherwise disclose such information without the Company' s authorization. (c) No director, officer or employee or any of their immediate family members may purchase or sell any security of any other publicly- traded company while in possession of material nonpublic information that was obtained in the course of his or her involvement with the Company. No director, officer or employee or any of their immediate family members who knows of any such material nonpublic information may communicate that information to, or tip, any other person, including family members and friends, or otherwise disclose such information without the Company' s authorization. (d) For compliance purposes, you should never trade, tip or recommend securities (or otherwise cause the purchase or sale of securities) while in possession of information that you have reason to believe is material and nonpublic unless you first consult with, and obtain the advance approval of, the Compliance Officer (which is defined in Part I, Section 3 (c) below). (e) Covered Persons must " pre- clear " all trading in securities of the Company in accordance with the procedures set forth in Part II, Section 3 below. 3. Definitions. (a) Material. Insider trading restrictions come into play only if ~~three~~ the information you possess is " material. " Materiality, however, involves a relatively low threshold. Information is generally regarded as " material " if it has market significance, that is, if its public dissemination is likely to affect the market price of securities, or if it otherwise is information that a reasonable investor would want to know before making an investment decision. Information dealing with the following subjects is reasonably likely to be found material in particular situations: (i) significant changes in the Company' s prospects; (ii) significant write- downs in ~~classes~~ assets or increases in reserves; (iii) developments regarding significant litigation or government agency investigations; (iv) liquidity problems; (v) changes in earnings estimates or unusual gains or losses in major operations; (vi) major changes in the Company' s management or the board of directors ~~, with each class serving~~ ; (vii) changes in dividends; (viii) extraordinary borrowings; (ix) major changes in accounting methods or policies; (x) award or loss of ~~a staggered term~~ significant contract , (xi) cybersecurity risks and ● incidents, including vulnerabilities and breaches; (xii) changes in debt ratings; (xiii) proposals, plans or agreements, even if preliminary in nature, involving mergers, acquisitions, divestitures, recapitalizations, strategic alliances, licensing arrangements, or purchases or sales of substantial assets; and (xiv) offerings of Company securities. Material information is not limited to historical facts but may also include projections and forecasts. With respect to ~~a provision~~ future event, such as a merger, acquisition or introduction of a new product, the point at which negotiations or product development are determined to be material is determined by balancing the probability that ~~directors serving~~ the event will occur against the magnitude of the effect the event would have on a ~~classified board~~ company' s operations or stock price should it occur. Thus, information concerning an event that would have a large effect on stock price, such as a merger, may be ~~removed~~ material even if the possibility that the event will occur is relatively small. When in doubt about whether particular nonpublic information is material, you should presume it is material. If you are unsure whether information is material, you should either consult the Compliance Officer before making any decision to disclose such information (other than to persons who need to know it) or to trade in or recommend securities to which that information relates or assume that the information is material. (b) Nonpublic. Insider trading prohibitions come into play only when you possess information that is material and " nonpublic. " The fact that information has been disclosed to a few members of the public does not make it public for insider trading purposes. To be " public " the information must have been disseminated in a manner designed to reach investors generally, and the investors must be given the opportunity to absorb the information. Even after public disclosure of information about the Company, you must wait until the close of business on the second trading day after the information was publicly disclosed before you can treat the information as public. Nonpublic information may include: (i) information available to a select group of analysts or brokers or institutional investors; (ii) undisclosed facts that are the subject of rumors, even if the rumors are widely circulated; and (iii) information that has been entrusted to the Company on a confidential basis until a public announcement of the information has been made and enough time has elapsed for the market to respond to a public announcement of the information (normally two trading days). As with questions of materiality, if you are not sure whether information is considered public, you should either consult with the Compliance Officer or assume that the information is nonpublic and treat it as confidential. (c) Compliance Officer. The Company has appointed Kevin O' Donnell as the Compliance Officer for this Policy. The duties of the Compliance Officer include, but are not limited to, the following: (i) assisting with implementation and enforcement of this Policy; (ii) circulating this Policy to all employees and ensuring that this Policy is amended as necessary to remain up- to- date with insider trading laws; (iii) pre- clearing all trading in securities of the Company by ~~stockholders only~~ Covered Persons in accordance with the procedures set forth in Part II, Section 3 below; (iv) providing approval of any Rule 10b5- 1 plans under Part II, Section 1 (c) below and any prohibited transactions under Part II, Section 4 below; and (v) providing a reporting system with an effective whistleblower protection mechanism. 4. Exceptions. The trading restrictions of this Policy do not apply to the following: (a) 401 (k) Plan. Investing 401 (k) plan contributions in a Company stock fund in accordance with the terms of the Company' s 401 (k) plan. However, any changes in your investment election regarding the Company' s stock are subject to trading restrictions under this Policy. (b) ESPP. Purchasing Company stock through periodic, automatic payroll contributions to the Company' s Employee Stock Purchase Plan (" ESPP "), if available. However, electing to enroll in the ESPP, making any changes in your elections under the ESPP and selling any Company stock acquired under the ESPP are subject to trading restrictions under this Policy. (c) Options. Exercising stock options granted under the Eightco Holdings, Inc, 2022 Long- Term Incentive Plan for cash or the delivery of previously owned Company stock. However, the sale of any shares issued on the exercise of Company- granted stock options and any cashless exercise of Company- granted stock options are subject to trading restrictions under this Policy. 5. Violations of Insider Trading Laws. Penalties for trading on or communicating material nonpublic information can be severe, both for individuals involved in such unlawful conduct and their employers and supervisors, and may include jail terms, criminal fines, civil penalties and civil enforcement injunctions. Given the severity of the potential penalties, compliance with this Policy is absolutely mandatory. (a) Legal Penalties. A person who violates insider trading laws by engaging in transactions in a company' s securities when he or she has material nonpublic information can be sentenced to a substantial jail term and required to pay a criminal penalty of several times the amount of profits gained or losses avoided. In addition, a person who tips others may also be liable for transactions by the tippees to whom he or she has disclosed material nonpublic information. Tippers can be subject to the same penalties and sanctions as the tippees, and the Securities and Exchange Commission (the " SEC ") has imposed large penalties even when the tipper did not profit from the transaction. The SEC can also seek substantial civil penalties from any person who, at the time of an insider trading violation, " directly or indirectly controlled the person who committed such violation, " which would apply to the Company and / or management and supervisory personnel. These control persons may be held liable for up to the greater of $ 1 million or three times the amount of the profits gained or losses avoided. Even for violations that result in a small or no profit, the SEC can seek penalties from a company and / or its management and supervisory personnel as control persons. (b) Company- Imposed Penalties. Employees who violate this Policy may be subject to disciplinary action by the Company, including dismissal for cause. Any exceptions to the Policy, if permitted, may only be granted by the Compliance Officer and must be provided before any activity contrary to the above requirements takes place. 6. Inquiries. If you have any questions regarding any of the provisions of this Policy, please contact the Compliance Officer at: KO @ Eightco Holdings. com 1. Blackout Periods. All Covered Persons are prohibited from trading in the Company' s securities during blackout periods as defined below. (a) Quarterly Blackout Periods. Trading in the Company' s securities is prohibited during the period beginning at the close of the market on the day that is two weeks before the end of each fiscal quarter and ending at the close of business on the second trading day following the date the Company' s financial results are publicly disclosed and Form 10- Q or Form 10- K is filed. During these periods, Covered Persons generally possess or are presumed to possess material nonpublic information about the Company' s financial results. (b) Other Blackout Periods. From time to time, other types of material nonpublic information regarding the Company (such as negotiation of mergers, acquisitions or dispositions, investigation and assessment of cybersecurity incidents or new product developments) may be pending and not be publicly disclosed. While such material nonpublic information is pending, the Company may impose special blackout periods during which Covered Persons are prohibited from trading in the Company' s securities. If the Company imposes a special blackout period, it will notify the Covered Persons affected. (c) Exception. These trading restrictions do not apply to transactions under a pre- existing written plan, contract, instruction, or arrangement under Rule 10b5- 1 under the Securities Exchange Act of 1934 (an " Approved 10b5- 1 Plan ") that: (i) has been reviewed and approved at least one month in advance of any trades thereunder by the Compliance Officer (or, if revised or amended, such revisions or amendments have been reviewed and approved by the Compliance Officer at least one month in advance of any subsequent trades); (ii) was entered into in good faith by the Covered Person at a time when the Covered Person was not in possession of material nonpublic information about the Company; and (iii) gives a third party the discretionary authority to execute such purchases and sales, outside the control of the Covered Person, so long as such third party does not possess any material nonpublic information about the Company; or explicitly specifies the security or securities to be purchased or sold, the number of shares, the prices and / or dates of transactions, or other formula (s) describing such transactions. 2. Trading Window. Covered Persons are permitted to trade in the Company' s securities when no blackout period is in effect. Generally, this means that Covered Persons can trade during the period beginning on the second trading day following the date the Company' s financial results are publicly disclosed and Form 10- Q or Form 10- K is filed, and ending on the close of the market on the day that is two weeks before the end of each fiscal quarter. However, even during this

trading window, a Covered Person who is in possession of any material nonpublic information should not trade in the Company' s securities until the information has been made publicly available or is no longer material. In addition, the Company may close this trading window if a special blackout period under Part II, Section 1 (b) above is imposed and will re- open the trading window once the special blackout period has ended. 3. Pre- Clearance of Securities Transactions. (a) Because Company Insiders are likely to obtain material nonpublic information on a regular basis, the Company requires all such persons to refrain from trading, even during a trading window under Part II, Section 2 above, without first pre- clearing all transactions in the Company' s securities. (b) Subject to the exemption in subsection (d) below, no Company Insider may, directly or indirectly, purchase or sell (or otherwise make any transfer, gift, pledge or loan of) any Company security at any time without first obtaining prior approval from the Compliance Officer. These procedures also apply to transactions by such person' s spouse, other persons living in such person' s household and minor children and to transactions by entities over which such person exercises control. (c) The Compliance Officer shall record the date each request is received and the date and time each request is approved or disapproved. Unless revoked, a grant of permission will normally remain valid until the close of trading two business days following the day on which it was granted. If the transaction does not occur during the two- day period, pre- clearance of the transaction must be re- requested. (d) Pre- clearance is not required for purchases and sales of securities under an Approved 10b5- 1 Plan. With respect to any purchase or sale under an Approved 10b5- 1 Plan, the third party effecting transactions on behalf of the Company Insider should be instructed to send duplicate confirmations of all such transactions to the Compliance Officer. 4. Prohibited Transactions. (a) Company Insiders are prohibited from trading in the Company' s equity securities during a blackout period imposed under an " individual account " retirement or pension plan of the Company, during which at least 50 % of the plan participants are unable to purchase, sell or otherwise acquire or transfer an interest in equity securities of the Company, due to a temporary suspension of trading by the Company or the plan fiduciary. (b) Covered Persons, including any person' s spouse, other persons living in such person' s household and minor children and entities over which such person exercises control, are prohibited from engaging in the following transactions in the Company' s securities unless advance approval is obtained from the Compliance Officer: (i) Short- term trading. Company Insiders who purchase Company securities may not sell any Company securities of the same class for at least six months after the purchase; (ii) Short sales. Covered Persons may not sell the Company' s securities short; (iii) Options trading. Covered Persons may not buy or sell puts or calls or other derivative securities on the Company' s securities; (iv) Trading on margin or pledging. Covered Persons may not hold Company securities in a margin account or pledge Company securities as collateral for a loan; and (v) Hedging. Covered Persons may not enter into hedging or monetization transactions or similar arrangements with respect to Company securities. 5. Acknowledgment and Certification. All Covered Persons are required to sign the attached acknowledgment and certification. (the " Company ") is hereby adopted as of November 3, 2023 in compliance with Rule 5608 of the Nasdaq Rules. Certain terms used herein shall have the meanings set forth in " Section 3. Definitions " below. Section 1. Recovery RequirementSubject to Section 4 of this Policy, in the event the Company is required to prepare an Accounting Restatement, then the Board and Committee hereby direct the Company, to the fullest extent permitted by governing law, to recover from each Executive Officer the amount, if any, of Erroneously Awarded Compensation received by such Executive Officer, with such recovery occurring reasonably promptly after the Restatement Date relating to such Accounting Restatement. The Board or the Committee may effect recovery in any manner consistent with applicable law including, but not limited to, (a) seeking reimbursement of all or part of Erroneously Awarded Compensation previously received by an Executive Officer, together with any expenses reasonably incurred as described below in connection with the recovery of such Erroneously Awarded Compensation, (b) cancelling prior grants of Incentive- Based Compensation, whether vested or unvested, restricted or deferred, or paid or unpaid, and through the forfeiture of previously vested equity awards, (c) cancelling or setting- off against planned future grants of Incentive- Based Compensation, (d) deducting all or any portion of such Erroneously Awarded Compensation from any other remuneration payable by the Company to such Executive Officer, and (e) any other method authorized by applicable law or contract. To the extent that an Executive Officer fails to repay all Erroneously Awarded Compensation to the Company when due, the Company shall take all actions reasonable and appropriate to recover such Erroneously Awarded Compensation from the applicable Executive Officer. The applicable Executive Officer shall be required to reimburse the Company for any and all expenses reasonably incurred (including legal fees) by the Company in recovering such Erroneously Awarded Compensation in accordance with the immediately preceding sentence. The Company' s right to recovery pursuant to this Policy is not dependent on if or when the Accounting Restatement is filed with the SEC. Section 2. Incentive- Based Compensation Subject to this PolicyThis Policy applies to all Incentive- Based Compensation received by each Executive Officer on or after the Effective Date: (i) if such Incentive- Based Compensation was received on and after the date such person became an Executive Officer of the Company; (ii) if such Executive Officer served as an Executive Officer at any time during the performance period for such Incentive- Based Compensation; (iii) while the Company has a class of securities listed on a national securities exchange or a national securities association; and (iv) during the three completed fiscal years immediately preceding the date that the Company is required to prepare an Accounting Restatement (including any transition period that results from a change in the Company' s fiscal year that is within or immediately following those three completed fiscal years; provided that a transition period of nine to 12 months is deemed to be a completed fiscal year). This Policy shall apply and govern Incentive- Based Compensation received by any Executive Officer, notwithstanding any contrary or supplemental term or condition in any document, plan or agreement including, without limitation, any employment contract, indemnification agreement, equity or bonus agreement, or equity or bonus plan document. This Policy shall also apply to any bonus, incentive or equity compensation paid or granted to any employee, independent contractor or outside director of the Company who is not an Executive Officer to the extent that (x) the applicable plan document or award agreement relating to such bonus, incentive or equity compensation provides that this Policy may or will apply and (y) the Board or the Committee, in its sole discretion, determines that it is appropriate for this Policy to apply to such persons. Section 3. Definitions: For purposes of this Policy, the following terms have the meanings set forth below: ● " Accounting Restatement " means an accounting restatement due to the material noncompliance of the Company with any financial reporting requirement under the securities laws, including any required accounting restatement to correct an error (i) in previously issued financial statements that is material to the previously issued financial statements (commonly referred to as a " Big R " restatement), or (ii) that would result in a material misstatement if the error were corrected in the current period or left uncorrected in the current period (commonly referred to as a " little r " restatement). ● " Board " means the Board of Directors of the Company. ● " Committee " means the Compensation Committee of the Board. ● " Effective Date " means November 3, 2023. ● " Erroneously Awarded Compensation " means the amount of Incentive- Based Compensation received that exceeds the amount of Incentive- Based Compensation that otherwise would have been received by the Executive Officer had it been determined based on the restated amounts in the Accounting Restatement (computed without regard to any taxes paid). For Incentive- Based Compensation based on stock price or total shareholder return (" TSR "), where the amount of Erroneously Awarded Compensation is not subject to mathematical recalculation directly from the information in the Accounting Restatement, the Company shall: (i) base the calculation of the amount on a reasonable estimate of the effect of the Accounting Restatement on the stock price or TSR upon which the Incentive- Based Compensation received was based; and (ii) retain documentation of the determination of that reasonable estimate and provide such documentation to The Nasdaq Stock Market LLC (" Nasdaq ") or, if a class of securities of the Company is no longer listed on Nasdaq, such other national securities exchange or national securities association on which a class of the Company' s securities is then listed for trading. ● " Executive Officer " means the Company' s current and former executive officers, as determined by the Board or the Committee in accordance with the definition of executive officer set forth in Rule 5608 (d) of the Nasdaq Rules. ● " Financial Reporting Measures " means measures that are determined and presented in accordance with the accounting principles used in preparing the Company' s financial statements, and any measures that are derived wholly or in part from such measures. Stock price and TSR are also Financial Reporting Measures. A Financial Reporting Measure need not be presented within the Company' s financial statements or included in any of the Company' s filings with the SEC. ● " Incentive- Based Compensation " means any compensation that is granted, earned, or vested based wholly or in part upon the attainment of a Financial Reporting Measure (including, without limitation, any cash bonuses, performance awards, restricted stock awards or restricted stock unit awards that are granted, earned or vest based on achievement of a Financial Reporting Measure). The following do not constitute Incentive- Based Compensation for purposes of this Policy: (a) equity awards for which (1) the grant is not contingent upon achieving any Financial Reporting Measure performance goals and (2) vesting is contingent solely upon completion of a specified employment period and / or attaining one or more nonfinancial reporting measures, and (b) bonus awards that are discretionary or based on subjective goals or goals unrelated to Financial Reporting Measures. ● " Nasdaq Rules " means the listing rules of The Nasdaq Stock Market LLC. ● " received ". An Executive Officer shall be deemed to have " received " Incentive- Based Compensation in the Company' s fiscal period during which the Financial Reporting Measure specified in the Incentive- Based Compensation award is attained, even if the payment or grant of the Incentive- Based Compensation occurs after the end of that fiscal period. ● " Restatement Date " means the earlier to occur of (i) the date the Board or the Committee (or an officer or officers of the Company authorized to take such action if Board action is not required) concludes, or reasonably should have concluded, that the Company is required to prepare an Accounting Restatement and (ii) the date a court, regulator, or other legally authorized body directs the Company to prepare an Accounting Restatement. ● " SEC " means the U. S. Securities and Exchange Commission. Section 4. Exceptions to RecoveryNotwithstanding the foregoing, the Company is not required to recover Erroneously Awarded Compensation to the extent that the Committee, or in the absence of such committee, a majority of the independent directors serving on the Board has made a determination that recovery would be impracticable and that: (i) after the Company has made a reasonable attempt to recover such Erroneously Awarded Compensation (which has been documented and such documentation has been provided to Nasdaq), the direct expense paid to a third party to assist in enforcing this Policy would exceed the amount to be recovered; (ii) recovery would violate one or more laws of the home country that were adopted prior to November 28, 2022 (which determination shall be made after the Company obtains an opinion of home country counsel, acceptable to Nasdaq, that recovery would result in a such a violation, and a copy of such opinion is provided to Nasdaq); (iii) recovery would likely cause an otherwise tax- qualified retirement plan, under which benefits are broadly available to employees of the Company and its subsidiaries, to fail to meet the requirements of 26 U. S. C. 401 (a) (13) or 26 U. S. C. 411 (a) and regulations thereunder; or (iv) any other exception permitted under Rule 5608 (b) (1) (iv) of the Nasdaq Rules. Section 5. Right to Adjust Unvested Incentive- Based CompensationIf the Board or the Committee, in its sole discretion, determines that the performance metrics of outstanding but unvested Incentive- Based Compensation were established using Financial Reporting Measures that were impacted by the Accounting Restatement, the Board or the Committee, in its sole discretion, may adjust such Financial Reporting Measures or modify such Incentive- Based Compensation, in such manner as the Board or the Committee determines, in its sole discretion, to be appropriate. Section 6. Additional Actions in Case of MisconductIf the Board or the Committee learns of any misconduct by an Executive Officer that contributed to the Company' s having to restate its financial statements, it shall take, or direct the Company to take, such action as it deems reasonably necessary to remedy the misconduct, prevent its recurrence and, if appropriate, based on all relevant facts and circumstances, take remedial action against the wrongdoer. In**

~~determining whether remedial action is appropriate, the Board or the Committee shall take into account such factors as it deems relevant, including whether the misconduct reflected negligence, recklessness or intentional wrongdoing. Remedial action may include dismissal and initiating legal action against the Executive Officer, termination of employment, and / or forfeiture of existing awards, including, without limitation, awards that do not constitute Incentive- Based Compensation, or clawback of prior amounts paid or shares vested. In determining what action to take or to require the Company to take, the Board and the Committee may consider, among other things, penalties or punishments imposed by third parties, such as law enforcement agencies, regulators or other authorities, the impact upon the Company in any related proceeding or investigation of taking remedial action against an Executive Officer, and the cost and likely outcome of taking remedial action. The Board' s and the Committee' s power to determine the appropriate remedial action is in addition to, and not in replacement of, remedies imposed by such authorities. Section 7. No Right to Indemnification or InsuranceThe Company shall not indemnify any Executive Officer against the loss of Erroneously Awarded Compensation or losses arising from any claims relating to the Company' s enforcement of this Policy. In addition, the Company shall not pay, or reimburse any Executive Officer for, any premiums for a third- party insurance policy purchased by the Executive Officer or any other party that would fund any of the Executive Officer' s potential recovery obligations under this Policy. Section 8. Plan Documents and Award AgreementsThe Board further directs the Company to include clawback language in each of the Company' s incentive compensation plans and any award agreements such that each individual who receives Incentive- Based Compensation under those plans understands and agrees that all or any portion of such Incentive- Based Compensation may be subject to recovery by the Company, and such individual may be required to repay all or any portion of such Incentive- Based Compensation, if (i) recovery of such Incentive- Based Compensation is required by this Policy, (ii) such Incentive- Based Compensation is determined to be based on materially inaccurate financial and / or performance information (which includes, but is not limited to, statements of earnings, revenues or gains), or (iii) repayment of such Incentive- Based Compensation is required by applicable federal or state securities laws. Section 9. Interpretation and Amendment of this PolicyThe Board or the Committee, in its discretion, shall have the sole authority to interpret and make any determinations regarding this Policy. Any interpretation, determination, or other action made or taken by the Committee (or, if applicable, the Board) shall be final, binding, and conclusive on all interested parties. The determination of the Committee (or, if applicable, the Board) need not be uniform with respect to one or more officers of the Company. The Board or the Committee may amend this Policy from time to time in its discretion and shall amend the Policy to comply with any rules or standards adopted by Nasdaq or any national securities exchange on which the Company' s securities are then listed. Section 10. Filing RequirementThe Company shall file this Policy as an exhibit to its Annual Report on Form 10- K and make such other disclosures with respect to this Policy in accordance with the requirements of the federal securities laws, including the disclosure required by applicable SEC rules and regulations. Section 11. Other Recoupment RightsThe Company intends that this Policy will be applied to the fullest extent of the law. Any right of recoupment under this Policy is in addition to, and not in lieu of, any other remedies or rights of recoupment that may be available to the Company pursuant to the terms of any similar policy in any employment agreement, equity award agreement, or similar agreement and any other remedies available to the Company under applicable law. Without by implication limiting the foregoing, following a restatement of the Company' s financial statements, the Company also shall be entitled to recover any compensation received by the Chief Executive Officer and Chief Financial Officer that is required to be recovered by Section 304 of the Sarbanes- Oxley Act of 2002. Section 12. SuccessorsThis Policy shall be binding and enforceable against all Executive Officers and their respective beneficiaries, heirs, executors, administrators or other legal representatives.~~ v3. ~~24~~ **25** 1Cover- USD ($) 12 Months EndedDec. 31, **2024 Dec. 31,** 2023 ~~Apr~~ **Mar** ~~01~~ **31** ~~2024~~ **2025** Jun. ~~30~~ **28** ~~2023Cover~~ **2024Cover** [Abstract] Document Type 10- K Amendment Flag false Document Annual Report true Document Transition Report false Document Period End Date Dec. 31, ~~2023~~ **2024** Document Fiscal Period Focus FY Document Fiscal Year Focus Current Fiscal Year End Date-- 12- 31 Entity File Number 001- 41033 Entity Registrant Name EIGHTCO HOLDINGS INC. Examples of items that might be included in the application of this element may consist of letters of credit, standby letters of credit, and revolving credit arrangements, under which borrowings can be made up to a maximum amount as of any point in time conditional on satisfaction of specified terms before, as of and after the date of drawdowns on the line. Includes short- term obligations that would normally be classified as current liabilities but for which (a) postbalance sheet date issuance of a long term obligation to refinance the short term obligation on a long term basis, or (b) the enterprise has entered into a financing agreement that clearly permits the enterprise to refinance the short- term obligation on a long term basis and the

following conditions are met (1) the agreement does not expire within 1 year and is not cancelable by the lender except for violation of an objectively determinable provision, (2) no violation exists at the BS date, and (3) the lender has entered into the financing agreement is expected to be financially capable of honoring the agreement. Weighted average relates to the portion of time within a reporting period that common shares have been issued and outstanding to the total time in that period. Such concept is used in determining the weighted average number of shares outstanding for purposes of calculating earnings per share (basic). NATURE OF OPERATIONS AND BASIS OF PRESENTATION As used herein, " Eightco " and the " Company " refer to Eightco Holdings Inc. and subsidiaries and / or where applicable, its management , a Delaware corporation originally incorporated on September 21, 2021 (date of inception) under the laws of the State of Nevada **, and subsidiaries** . On March 9, 2022, the Company converted to a Delaware corporation pursuant to a plan of conversion entered into with its former parent, Vinco Ventures, Inc. (" Vinco " or " Former Parent "). The Company operates in three two main businesses: Forever 8 Inventory Cash Flow Solution , Web3 Business, and **Corrugated** Packaging Business. Forever 8 Fund LLC (" Forever 8 "), which focuses on purchasing inventory for e- commerce retailers, was acquired by the company **Company** on October 1, 2022, and is part of its Inventory Solution Business. The Company previously sold BTC mining equipment and developed an NFT character set under its Web3 Business but has no intention of continuing this business at this time. The **Corrugated** Packaging Business manufactures and sells custom packaging for a wide variety of products and helps customers generate brand awareness and promote brand image through packaging. Prior to the Separation (as defined below), the Company was 100 % owned by Vinco. As of December 31, 2023 **2024** , Eightco had three wholly- owned subsidiaries: Forever 8, Ferguson Containers, Inc. (" Ferguson Containers **" or " Corrugated Packaging Business** ") and BlockHiro, LLC. Ferguson Containers owns 100 % of 8co Holdings Shared Services, LLC. Eightco owns 51 % of CW Machines, LLC which is consolidated under the voting interest entity model. Under the voting interest entity model, control is presumed by the holder of a majority voting interest unless noncontrolling shareholders have substantive participating rights. Forever 8 owns 100 % of Forever 8 UK, Ltd and Forever 8 Fund EU Holdings BV. During 2021, the Former Parent announced it plans to spin- off (the " Separation ") certain of its businesses. The Former Parent has included Ferguson Containers as well as other subsidiaries of the Former Parent (the " Eightco Businesses ") as part of the spin- off. In anticipation of the Separation, the Former Parent contributed its assets and legal entities comprising the Eightco Businesses to facilitate the Separation. As a result of the Separation, the Company has become **became** an independent, publicly traded company comprised of the Eightco Businesses on June 30, 2022. On March 29, 2022, Ferguson Containers ownership was assigned by the Former Parent to the Company. This transaction between entities under common control resulted in a change in reporting entity and required retrospective combination of the entities for all periods presented, as if the combination had been in effect since the inception of common control. Accordingly, the condensed consolidated financial statements of the Company reflect the accounting of the combined acquired subsidiaries at historical carrying values, except that equity reflects the equity of Eightco. Basis of Presentation. The accompanying audited consolidated financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America (" US GAAP "). All significant intercompany transactions and balances have been eliminated in consolidation. The Company is an emerging growth company as the term is used in The Jumpstart Our Business Startups Act, enacted on April 5, 2021 and has elected to comply with certain reduced public company reporting requirements. Use of Estimates. The preparation of financial statements in conformity with U. S. GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. The Company' s significant estimates used in these consolidated financial statements include, but are not limited to, revenue recognition and the determination of the economic useful life of depreciable property and equipment. Certain of the Company' s estimates could be affected by external conditions, including those unique to the Company and general economic conditions. It is reasonably possible that these external factors could have an effect on the Company' s estimates and could cause actual results to differ from those estimates. Business Combinations. For business combinations that meet the accounting definition of a business, the Company determines and allocates the purchase price of an acquired company to the tangible and intangible assets acquired, the liabilities assumed, and noncontrolling interest, if applicable, as of the date of acquisition at fair value. Fair value may be estimated using comparable market data, a discounted cash flow method, or a combination of the two. In the discounted cash flow method, estimated future cash flows are based on management' s expectations for the future. Revenues and costs of the acquired companies are included in the Company' s operating results from the date of acquisition. The Company uses its best estimates and assumptions as part of the purchase price allocation process to accurately value assets acquired and liabilities assumed at the acquisition date, and these estimates and assumptions are inherently uncertain and subject to refinement during the measurement period not to exceed one year from the acquisition date. As a result, any adjustment identified subsequent to the measurement period is included in operating results in the period in which the amount is determined (See Note 3 – Acquisitions). **Discontinued Operations. A component of an entity that is disposed of by sale or abandonment is reported as discontinued operations if the transaction represents a strategic shift that will have a major effect on an entity' s operations and financial results. The results of discontinued operations are aggregated and presented separately in the Consolidated Statement of Operations. Assets and liabilities of the discontinued operations are aggregated and reported separately as assets and liabilities of discontinued operations in the Consolidated Balance Sheet, including the comparative prior year period. The Company' s cash flows are reflected as cash flows from discontinued operations within the Company' s Consolidated Statements of Cash Flows for each period presented.** Cash and Cash Equivalents. The Company considers all highly liquid, short- term investments with original maturities of three months or less when purchased to be cash equivalents. ~~Restricted Cash~~ **EIGHTCO HOLDINGS INC . Accounts receivable are carried at their contractual amounts, less an estimated allowance for credit losses. Management estimates the allowance for credit losses using a loss- rate approach based on historical loss information, adjusted for management' s expectations about current and future economic conditions, as the basis to determine expected credit losses. Management exercises significant judgment in determining expected credit losses. Key inputs include macroeconomic factors, industry trends, the creditworthiness of counterparties, historical experience, the financial conditions of the customers, and the amount and age of past due accounts. Management believes that the composition of receivables at year- end is consistent with historical conditions as credit terms and practices and the client base has not changed significantly. Receivables are considered past due if full payment is not received by the contractual due date. Past due accounts are generally written off against the allowance for credit losses only after all collection attempts have been exhausted. The allowance for credit losses was $ ~~67~~ **60** , ~~350~~ **000** and $ ~~46~~ **67** , ~~705~~ **350** as of December 31, **2024 and** 2023 ~~and 2022~~ , respectively. There ~~was one~~ **were two** ~~customer~~ **customers** who represented ~~27~~ **30 % and 18** % of total accounts receivable as of December 31, ~~2023~~ **2024 , respectively** . Inventories. Inventory is recorded at the lower of cost or net realizable value on a first- in, first- out basis. The Company reduces the carrying value of inventories for those items that are potentially excess, obsolete, or slow moving based on ~~changes in customer~~ **a review of recent sales trends and expected future** demand ~~, technology developments, or other economic factors~~ . Property and Equipment. Property and equipment are stated at cost, net of accumulated depreciation and amortization, which is recorded commencing at the in- service date using the straight- line method over the estimated useful lives of the assets, as follows: 3 to 5 years for office equipment, 5 to 7 years for furniture and fixtures, 6 to 10 years for machinery and equipment, 10 to 15 years for building improvements, 5 years for software, 5 years for molds, 5 to 7 years for vehicles and 40 years for buildings. When fixed assets are retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is included in the statements of comprehensive loss for the respective period. Minor additions and repairs are expensed in the period incurred. Major additions and repairs which extend the useful life of existing assets are capitalized and depreciated using the straight- line method over their remaining estimated useful lives. Intangible Assets and Long- lived Assets. The Company reviews long- lived assets **, including definite- lived intangible assets,** for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. The Company assesses the recoverability of its long- lived assets using undiscounted cash flows. If an asset is found to be impaired, the amount recognized for impairment is equal to the difference between the carrying value and the asset' s fair value. During the years ended December 31, **2024 and** 2023 ~~and 2022~~ , the Company recorded impairment charges to long lived assets in the amounts of $ **0** ~~292, 748~~ and $ ~~1~~ **292** , **748** ~~300, 000~~ , respectively. ~~We~~ **The impaired asset was fully written off in 2023. The Company** ~~record~~ **records** intangible assets based on their fair value on the date of acquisition. Intangible assets include the cost of developed technology, customer relationships, trademarks and tradenames. Intangible assets are amortized utilizing the straight- line method over their remaining economic useful lives, as follows: 10 years for developed technology, 7 years for customer relationships and 7 years for trademarks and tradenames. The Company reviews long- lived assets and intangible assets for potential impairment annually and when events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. In the event the expected undiscounted future cash flows resulting from the use of the asset is less than the carrying amount of the asset, an impairment loss is recorded equal to the excess of the asset' s carrying value over its fair value. If an asset is determined to be impaired, the loss is measured based on quoted market prices in active markets, if available. If quoted market prices are not available, the estimate of fair value is based on various valuation techniques, including a discounted value of estimated future cash flows. In the event that management decides to no longer allocate resources to an asset, an impairment loss equal to the remaining carrying value of the asset is recorded. The Company did not record any impairment charges related to intangibles assets during the years ended December 31, **2024 and** 2023 **, respectively. EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2024** and ~~2022~~ **2023 2** ~~, respectively .~~ **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)** Goodwill. Goodwill is recorded for the difference between the fair value of the purchase consideration over the fair value of the net identifiable tangible and intangible assets acquired. We perform an impairment assessment of goodwill on an annual basis as of December 31st, or whenever impairment indicators exist. In the absence of any impairment indicators, goodwill is assessed for impairment during the fourth quarter of each fiscal year. Judgments regarding the existence of impairment indicators are based on market conditions and operational performance of the business. We may assess our goodwill for impairment initially using a qualitative approach to determine whether it is more likely than not that the fair value of these assets is greater than their carrying value. When performing a qualitative test, we assess various factors including industry and market conditions, macroeconomic conditions and performance of our businesses. If the results of the qualitative assessment indicate that it is more likely than not that our goodwill and other indefinite- lived intangible assets are impaired, a quantitative impairment analysis would be performed to determine if impairment is required. We may also elect to perform a quantitative analysis of goodwill initially rather than using a qualitative approach. The impairment testing for goodwill is performed at the reporting unit level. The valuation methods used in the quantitative fair value assessment, discounted cash flow and market multiples method, requires our management to make certain assumptions and estimates regarding certain industry trends and future profitability of our reporting units. If the fair value of a reporting unit exceeds the related carrying value, the reporting unit' s goodwill is considered not to be impaired and no further testing is performed. If the carrying value of a reporting unit exceeds its fair value, an impairment loss is recorded for the difference. The valuation of goodwill is affected by, among other things, the Company' s business plan for the future and estimated results of future operations. Future events could cause the Company to conclude that impairment indicators exist, and, therefore, that goodwill may be impaired. ~~EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2023 and 2022 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)~~ Contingent Liabilities. The Company, from time to time, may be involved in certain legal proceedings. Based upon consultation with outside counsel handling its defense in these matters and the Company' s analysis of potential outcomes, if the Company determines that a loss arising from such matters is probable and can be reasonably estimated, an estimate of the contingent liability is recorded in its ~~condensed~~ consolidated financial statements. If only a range of estimated loss can be determined, an amount within the range that, based on estimates, assumptions and judgments, reflects the most likely outcome, is recorded as a contingent liability in the ~~condensed~~ consolidated financial statements. In situations where none of the estimates within the estimated range is a better estimate of probable loss than any other amount, the Company records the low end of the range. Any such accrual would be charged to expense in the appropriate period. Litigation expenses for these types of contingencies are recognized in the period in which the litigation services were provided. **Warrants. The Company classifies a warrant to purchase shares of its common stock as equity on its consolidated balance sheets as this warrant is a free- standing financial instrument that is indexed to the Company' s own stock and meets the criteria for equity classification. Each warrant is initially recorded within equity at the date of grant, net of issuance costs, and is not subsequently re- measured. Changes in the fair value of the warrant are not recognized after the initial measurement. The warrants will remain classified in equity until they are exercised or expire.** Revenue Recognition. In accordance with Financial Accounting Standards Board (" FASB ") Accounting Standards Codification (" ASC ") 606, Revenue from Contracts with Customers, the Company recognizes revenue when it satisfies performance obligations, by transferring promised goods or services to customers, in an amount that reflects the consideration to which the Company expects to be entitled in exchange for fulfilling those performance obligations. Revenue for product sales is recognized upon receipt by the customer. There are no contract assets or contract liabilities and therefore no unsatisfied performance obligations. One customer represented ~~71~~ **75** % of total revenues for the year ended December 31, ~~2023~~ **2024** . Disaggregation of Revenue. The Company' s primary revenue streams include the sale of consumer goods through our inventory management solutions business and the sale of corrugated packaging materials. There are no other material operations that were separately disaggregated for segment purposes. **EIGHTCO HOLDINGS INC. Cost of revenues includes freight charges, purchasing and receiving costs, depreciation and inspection costs. Comprehensive income. The Company follows Accounting Standards Codification (" ASC ") 220 in reporting comprehensive income. Comprehensive income is a more inclusive financial reporting methodology that includes disclosure of certain financial information that historically has not been recognized in the calculation of net income. ~~Since the Company has no items of other~~ **Other** comprehensive **income is limited to foreign currency translation adjustments. Therefore, total comprehensive income includes net income (** loss **) and foreign currency translation adjustments** ~~, comprehensive loss is equal to net loss~~ . Foreign Currency Transactions and Translation. Eightco' s functional currency is the United States Dollar (" USD ") and the Forever 8 functional currency in which it operates is the Euro (" EUR "). For the purpose of presenting these ~~condensed~~ consolidated financial statements the reporting currency is USD. Forever 8 assets and liabilities are expressed in USDs at the exchange rate on the balance sheet date, equity accounts are translated at historical rates, and income and expense items are translated at the weighted average exchange rate during the period. The resulting translation adjustments are reported under accumulated other comprehensive income in the stockholders' equity section of the balance sheets. Transactions in currencies other than the entity' s functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at the end of the reporting periods. Exchange differences arising on the settlement of monetary items and on translation of monetary items at period- end are included in statement of comprehensive loss. Exchange rate used for the translation as follows: **SCHEDULE OF EXCHANGE RATE December 31, 2024 December 31, 2023 Spot** USD to EUR ~~— 1 USD to~~ **$ 0. 9615 $ 0** . 9009 ~~EUR' s.~~ USD to GBP ~~— 1~~ **$ 0. 8000 $ 0. 7874 December 31, 2024 December 31, 2023 Average** USD to **EUR $ 0. 9259 $ 0. 9224 USD to GBP $ 0** . 7874 **$ 0** ~~GBP' s~~ . **8016** Earnings Per Share. The Company follows ASC 260 when reporting Earnings Per Share **(" EPS ")** resulting in the presentation of basic and diluted earnings per share. Basic net (loss) income per common share is computed by dividing net (loss) income by the weighted average number of vested common shares outstanding during the period. Diluted net income per common share is computed by dividing net income by the weighted average number vested of common shares, plus the net impact of common shares (computed using the treasury stock method), if dilutive, resulting from the exercise of dilutive securities. In periods when losses are reported, the weighted- average number of common shares outstanding excludes common stock equivalents because their inclusion would be anti- dilutive. **EIGHTCO HOLDINGS INC. 2023 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued) For the year ended December 31, 2024, the Company had net income and therefore included the dilutive effect of certain securities in its diluted EPS calculation. For the year ended December 31, 2023, the Company incurred a net loss and excluded common stock equivalents from diluted EPS as their effect would have been anti- dilutive. Deferred financing costs include debt discounts and debt issuance costs related to a recognized debt liability and are presented in the balance sheet as a direct deduction from the carrying value of the debt liability. Amortization of deferred financing costs are included as a component of interest expense. Deferred financing costs are amortized using the straight- line method over the term of the recognized debt liability which approximates the effective interest method. **EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2024 and 2023 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)** Income Taxes. The Company accounts for income taxes under the provisions of the FASB ASC Topic 740 " Income Taxes " (" ASC Topic 740 "). The Company recognizes deferred tax assets and liabilities for the expected future tax consequences of items that have been included or excluded in the ~~condensed~~ consolidated financial statements or tax returns. Deferred tax assets and liabilities are determined on the basis of the difference between the tax basis of assets and liabilities and their respective financial reporting amounts (" temporary differences ") at enacted tax rates in effect for the years in which the temporary differences are expected to reverse. The Company utilizes a recognition threshold and measurement process for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Management has evaluated and concluded that there were no material uncertain tax positions requiring recognition in the Company' s ~~condensed~~ consolidated financial statements as of December 31, **2024 and** 2023 ~~and 2022~~. The Company does not expect any significant changes in its unrecognized tax benefits within twelve months of the reporting date. The Company' s policy is to classify assessments, if any, for tax related interest as interest expense and penalties as general and administrative expenses in the consolidated statements of comprehensive income. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Fair Value Measurements. The Company measures the fair value of financial assets and liabilities based on the guidance of ASC 820 " Fair Value Measurements and Disclosures " (" ASC 820 ") which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. ASC 820 describes three levels of inputs that may be used to measure fair value: Level 1 — quoted prices in active markets for identical assets or liabilities Level 2 — quoted prices for similar assets and liabilities in active markets or inputs that are observable Level 3 — inputs that are unobservable (for example, cash flow modeling inputs based on assumptions) The carrying amounts of the Company' s financial instruments, such as cash, accounts receivable, accounts payable and other current liabilities approximate fair values due to the short- term nature of these instruments. The Company' s long- term debt consists of $ **21, 021, 155 at December** 31, **2024** ~~815, 804~~. The estimated fair value of this debt approximates the carrying value of these instruments, due to the interest rates on this debt approximating current market interest rates. Concentration of Credit Risks. Financial instruments that potentially subject the Company to concentrations of credit risk are cash equivalents and accounts receivable. Cash and cash equivalents are invested in deposits with certain financial institutions and may, at times, exceed federally insured limits. The Company has not experienced any significant losses on its deposits of cash and cash equivalents. In regard to trade receivables, the Company performs ongoing evaluations of its customers' financial condition as well as general economic conditions and, generally, requires no collateral from its customers. ~~On December 31, 2023, amount due from one customer totaled approximately 21 % of accounts receivable.~~ Leases. In February 2016, the FASB issued Accounting Standards Update (" ASU ") 2016- 02, Leases (Topic 842). This ASU requires a lessee to recognize a right- of- use asset and a lease liability under most operating leases in its balance sheet. The ASU is effective for annual and interim periods beginning after December 15, 2021. Early adoption is permitted. The Company has adopted ASU 2016- 02 as of January 1, 2022. The adoption of the standard did not have a material impact on the balance sheet. As of April 26, 2022, the date the Company assumed the lease, the operating lease right of use asset and operating lease liability amounted to $ 98. 736 with no cumulative- effect adjustment. **EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2024 and 2023 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)** Recent Accounting Pronouncements. In June 2016, the FASB issued ASU No. 2016- 13, Financial Instruments – Credit Losses (Topic 326), Measurement of Credit Losses on Financial Instruments, as modified by FASB ASU No. 2019- 10 and other subsequently issued related ASUs. The amendments in this Update affect loans, debt securities, trade receivables, and any other financial assets that have the contractual right to receive cash. The ASU requires an entity to recognize expected credit losses rather than incurred losses for financial assets. The amendments in this Update are effective for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. The Company adopted this new guidance effective January 1, 2023 utilizing the modified retrospective transition method. The adoption of this standard did not have a material impact on the Company' s **consolidated** financial statements, but did change how the allowance for credit losses is determined. **In November 2023, the FASB issued ASU 2023- 07, Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures, which requires public entities to disclose significant segment expenses and other segment items on an interim and annual basis and provide in interim periods all disclosures about a reportable segment' s profit or loss and assets that are currently required annually. The ASU does not change how a public entity identifies its operating segments, aggregates them, or applies the quantitative threshold to determine its reportable segments. The new disclosure requirements are also applicable to entities that account and report as a single operating segment entity. ASU 2023- 07 is effective for fiscal years beginning after December 15, 2023, and for interim periods within fiscal years beginning after December 15, 2024. The Company adopted the guidance for the annual reporting period ended December 31, 2024. There was no impact on the Company' s reportable segments identified** . Segment Reporting. The Company uses " the management approach " in determining reportable operating segments. The management approach considers the internal organization and reporting used by the Company' s chief operating decision maker for making operating decisions and assessing performance as the source for determining the Company' s reportable segments. The Company' s chief operating decision maker is the Chairman and Chief Executive Officer (" CEO ") of the Company, who reviews operating results to make decisions about allocating resources and assessing performance for the entire Company. The Company' s primary revenue streams include inventory management solutions and the sale of corrugated packaging materials. ~~Therefore~~ **Based on the CODM' s evaluation and internal reporting** , the Company **has** ~~only identifies~~ two reportable ~~operating~~ segments **: Inventory Management Solutions and Corrugated Packaging** . **Reclassifications** ~~EIGHTCO HOLDINGS INC. The Company expects to need additional capital in order to increase revenues above current levels. Any additional equity financing, if available, may not be on favorable terms and would likely be significantly dilutive to the Company' s current stockholders, and debt financing, if available, may involve restrictive covenants. The Company' s ability to access capital when needed is not assured and, if not achieved on a timely basis, will likely have a materially adverse effect on our business, financial condition and results of operations. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, **2024 and** 2023 ~~and 2022 16. CONVERTIBLE NOTE PAYABLE (continued) Securities Purchase Agreement The Securities Purchase Agreement provides for the purchase by Hudson Bay and the sale by the Company of the March 2023 Note and the March 2023 Warrant. The Securities Purchase Agreement contains representations and warranties of the Company and Hudson Bay that are typical for transactions of this type. The representations and warranties made by the Company in the Securities Purchase Agreement are qualified by reference to certain exceptions contained in disclosure schedules delivered to Hudson Bay. Accordingly, the representations and warranties contained in the Securities Purchase Agreement should not be relied upon by third parties who have not reviewed those disclosure schedules and the documentation surrounding the transaction as a whole. The Securities Purchase Agreement closed upon the satisfaction of certain conditions of Hudson Bay and the Company that are typical for transactions of this type, as well certain other condition including the following: ● the Company delivered to Hudson Bay a lock- up agreement (the " Lock- Up Agreement "), executed by each of the parties identified in the Securities Purchase Agreement; ● the Company received stockholder approval of a resolution to increase the number of authorized shares of the Company, and filed with the Delaware Secretary of State a Certificate of Amendment to the Company' s Certificate of Incorporation causing the increase in the amount of authorized shares of the Company; and ● the Company, Hudson Bay and the certain creditors of the Company amended that certain Subordination Agreement, dated as of September 13, 2022, by and among the Company, the Investor and certain persons identified in that Subordination Agreement (the " Subordination Agreement Amendment "). The Securities Purchase Agreement also obligates the Company to indemnify Hudson Bay for certain losses resulting from (1) any misrepresentation or breach of any representation or warranty made by the Company or any subsidiary of the Company, (2) any breach of any obligation of the Company or, any subsidiary of the Company, of the Securities Purchase Agreement or any agreements and instruments entered into or connection with the Securities Purchase Agreement and (3) certain third party claims. Senior Secured Convertible Note The Company issued the Note upon the closing. The entire outstanding principal balance and any outstanding fees or interest is due and payable in full on January 15, 2024 (" Maturity Date "). The Note does not bear interest, provided, however, that the March 2023 Note will bear interest at 18 % per annum upon the occurrence of an event of default (as described below). The Maturity Date may be extended at the sole option of Hudson Bay for so long as certain events of default is continuing or for so long as an event is continuing that if not cured and with the passage of time would result in an event of default. The March 2023 Note is convertible at the option of Hudson Bay into shares of Common Stock at a conversion price of $ 6. 245 per share, subject to adjustment for stock splits, combinations or similar events (each a " Stock Combination Event "). If on the on the fifth trading day immediately following a Stock Combination Event, the conversion price then in effect on such fifth trading day (after giving effect to a proportional adjustment of the conversion price), is greater than the lowest weighted average price of the Common Stock during the twenty consecutive trading day period ending and including the trading day immediately preceding the fifth trading day after such Stock Combination Event (the " Event Market Price "), then the conversion price shall be adjusted to the Event Market Price. The March 2023 Note contains certain limitations on conversion. It provides that no conversion may be made if, after giving effect to the conversion, Hudson Bay would own in excess of 9. 99 % of the Company' s outstanding shares of Common Stock. This percentage may be increased or decreased to a percentage not to exceed 9. 99 %, at the option of Hudson Bay, except any increase will not be effective until 61- days' prior notice to the Company. EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2023 and 2022 16. CONVERTIBLE NOTE PAYABLE (continued) The conversion price of the March 2023 Note will be subject to adjustments for stock splits, combinations or similar events. In addition, the conversion price of the March 2023 Note will also subject to anti- dilution adjustment which, subject to specified exceptions, in the event that the Company issues or is deemed to have issued certain securities at a price lower than the then applicable conversion price, immediately reduces the conversion price of the March 2023 Note to equal the price at which the Company issues or is deemed to have issued its Common Stock. The March 2023 Note imposes penalties on the Company for any failure to timely deliver any shares of its Common Stock issuable upon conversion. The March 2023 Note contains events of default that are typical for transactions of this type, as well as the following events: ● the failure of any registration statement required by the Registration Rights Agreement to be filed within five trading days after the date required by the Registration Rights Agreement or the failure of any such registration statement to become effective within five trading days after the date required by the Registration Rights Agreement; ● the lapse or unavailability of any registration statement required by the Registration Rights Agreement for more than 5 consecutive trading days or more than an aggregate of 10 trading days in any 365- day period (other than certain allowable grace periods); ● the suspension from trading or failure of the Common Stock to be listed for trading on an eligible market for more than 2 consecutive trading days or more than an aggregate of 5 trading days in any 365- day period; ● the failure of the Company to issue shares upon conversion of the Note for more than 2 trading days after the relevant conversion date or a notice of the Company' s intention not to comply with a request for conversion; ● the failure for 2 consecutive trading days to have reserved for issuance 250 % of the full number of shares issuable upon conversion in accordance to the terms of the March 2023 Note; ● the failure for 2 trading days to pay Hudson Bay principal, interest, late charges or other amounts when and as due under the March 2023 Note; ● the occurrence of any default under, redemption of or acceleration prior to maturity of any indebtedness of the Company or a subsidiary; ● the invalidity of any material provision of the Security Documents (defined below) or if the enforceability of validity of any material provision of the Security Documents is contested by the Company; ● the failure of the Security Documents to perfect or maintain Hudson Bay' s first priority security interest; and ● the failure to comply with certain covenants of the March 2023 Note. If there is an event of default, then Hudson Bay has the right to request redemption of all or any portion of the March 2023 Note, at 130 % of the sum of the outstanding principal, interest and late fees to be redeemed, provided that if certain conditions specified in the March 2023 Note are not satisfied, then Hudson Bay has the right to request redemption of all or any portion of the March 2023 Note, at 130 % of the greater of (i) the sum of the outstanding principal, interest and late fees to be redeemed and (ii) the product of (a) the number of shares into which the March 2023 Note (including all principal, interest and late fees) subject to redemption may be converted and (b) the greatest closing sale price for the Common Stock beginning on the date immediately preceding the event of default and ending on the date the Company makes the entire payment required to be made upon the redemption provided, however, that if no Cash Release Event (as defined in the March 2023 Note) has occurred on or prior to the applicable of default redemption date, the principal amount used in calculating the applicable event of default redemption price on such event of default redemption date shall be decreased by the holder' s pro rata portion. EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2023 and 2022 16. CONVERTIBLE NOTE PAYABLE (continued) The March 2023 Note prohibits the Company from entering into certain transactions involving a change of control, unless the successor entity assumes in writing all of the obligations of the Company under the March 2023 Note and the other transaction documents. In the event of such a transaction, Hudson Bay will have the right to request redemption of the Note, at Redemption Variable Premium (as defined in the March 2023 Note) of the greater of (i) of the sum of the amount of principal, interest and late fees to be redeemed; and (ii) the product of (x) the sum of the amount of principal, interest and late fees to be redeemed and (y) the quotient determined by dividing (1) the greatest closing sale price of the shares of Common Stock during the period beginning on the date immediately preceding the earlier to occur of (A) the consummation of the applicable change of control and (B) the public announcement of such change of control and ending on the date Hudson Bay delivers a change of control redemption notice, by (2) the Conversion Price; or, (iii) Redemption Variable Premium of the product of (x) the number of shares into which the March 2023 Note (including all principal, interest and late fees) subject to such redemption may be converted multiplied by (y) the greatest closing sale price of the shares of Common Stock during the period beginning on the date immediately preceding the earlier to occur of (x) the consummation of the change of control and (y) the public announcement of such change of control and ending on the date Hudson Bay delivers the change of control redemption notice; provided, however, that if no Cash Release Event has occurred on or prior to the applicable change of control redemption date, the principal amount used in calculating the applicable change of control redemption price on such change of control. If the Company issues options, convertible securities, warrants, stock, or similar securities to holders of its Common Stock, the holder of the March 2023 Note shall have the right to acquire the same as if it had converted its March 2023 Note. Hudson Bay is entitled to receive any dividends paid or distributions made to the holders of the Common Stock on an " as if converted " to Common Stock basis. The March 2023 Note contains a variety of covenants on the part of Company that are typical for transactions of this type, as well as the following covenants: ● the March 2023 Note ranks senior to all other indebtedness of the Company, except that certain permitted indebtedness ranks pari passu with the March 2023 Note; ● the Company will not incur other indebtedness, except for certain permitted indebtedness; ● the Company will not incur any liens, except for certain permitted liens; ● the Company will not, directly or indirectly, redeem or repay all or any portion of any permitted indebtedness if at the time such payment is due or is made or, after giving effect to such payment, an event constituting, or that with the passage of time and without being cured would constitute, an event of default has occurred and is continuing; and ● the Company will not redeem, repurchase or pay any dividend or distribution on its Common Stock or any other capital stock. On March 23, 2023, the warrants issued were classified as equity with an initial grant date fair value of $ 4, 532, 673, of which $ 4, 335, 611 was recorded as a deferred debt discount, $ 197, 061 of the excess fair value was immediately expensed as loss on issuance of warrants. The Company also incurred $ 664, 389 of issuance expenses which were recorded as deferred debt discount. The fair value of the warrants was computed on the grant date using a per share price of $ 0. 12 per share. The fair value was estimated using the Black Scholes option pricing models with the following assumptions: SCHEDULE OF FAIR VALUE OF OPTION WITH ASSUMPTIONS Dividend Yield Expected Volatility Risk- free Interest Rate Expected Life Hudson Bay Warrant; March 2023 0. 00 % 143. 23 % 3. 88 % 2. 5 years Palladium Capital Warrant; March 2023 0. 00 % 143. 23 % 3. 88 % 2. 5 years EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2023 and 2022 16. CONVERTIBLE NOTE PAYABLE (continued) On April 5, 2023, the warrants issued under the March 2023 Offering were adjusted under the terms and conditions to a strike price of $ 2. 01 due to the reverse stock split. The adjustment resulted in a fair value of $ 3, 387, 604, of which $ 3, 387, 604 was immediately expensed as loss on issuance of warrants. The fair value was estimated using the Black Scholes option pricing models with the following assumptions: Dividend Yield Expected Volatility Risk- free Interest Rate Expected Life Hudson Bay Warrant; March 2023 0. 00 % 143. 81 % 3. 67 % 2. 5 years Palladium Capital Warrant; March 2023 0. 00 % 143. 81 % 3. 67 % 2. 5 years On October 23, 2023 (the " Effective Date "), the Company entered into a Prepayment and Redemption Agreement (the " Prepayment Agreement "), by and between the Company and an accredited investor (the " Investor "), pursuant to which, among things, the Company agreed to prepay the Notes (as defined below) and to redeem the March 2023 Warrant (as defined below), subject to the conditions set forth therein. As previously disclosed, pursuant to the Note Securities Purchase Agreement, the Company sold to the Investor the January 2022 Note, of which an aggregate principal amount of $ 2, 000, 000 remains outstanding. In addition, pursuant to the Securities Purchase Agreement (together with the Note Securities Purchase Agreement, the " SPAs ") the Company sold to Hudson Bay the March 2023 Note, of which the entire aggregate principal amount remains outstanding (together with the January 2022 Note, the " Notes ") and the March 2023 Warrant Common Stock. Pursuant to the Prepayment Agreement, the Company agreed to make an aggregate payment of $ 8, 215, 000 (the " Aggregate Payment Amount ") to Hudson Bay in six installments, of which an initial payment remitted in October 2023 of $ 3, 000, 000 was allocated towards repayment in full of the remaining $ 2, 000, 000 of the January 2022 Note, $ 340, 000 partial repayment of the March 2023 Note and $ 660, 000 for the redemption in full of the March 2023 Warrant (the " Initial Payment "). The remaining five installments, which range from $ 150, 000 to $ 2, 275, 000 and are allocated towards the remaining principal of the March 2023 Note as specified in the Prepayment Agreement, are due on the fifteenth day of each month, beginning on November 15, 2023 and ending on March 15, 2024. At its option, the Company may prepay any monthly installment prior to its respective due date. During the three months ended December 31, 2023 the Company remitted a total of $ 3, 300, 000 in payments. Any cash payments required to be made pursuant to the terms of the Notes shall be suspended as long as the Company timely makes the payments set forth in the Prepayment Agreement and no Event of Default (as defined in the Notes) (or an event that with the passage of time or the giving of notice would result in an Event of Default) occurs and is continuing. In addition, upon receipt by Hudson Bay of the Initial Payment, all of the aggregate principal amount outstanding of the March 2023 Note will no longer be convertible into shares of Common Stock, provided that any aggregate principal amount outstanding of the March 2023 Note shall again become convertible into shares of Common Stock if an Event of Default (or an event that with the passage of time or the giving of notice would result in an Event of Default) occurs and is continuing or in the event the Company fails to timely make the payments under the Prepayment Agreement. Upon receipt by Hudson Bay of the Aggregate Payment Amount, the SPAs, the Notes, the March 2023 Warrant and any other transaction documents related to the SPAs shall terminate and be of no further force or effect, other than certain indemnification obligations in the SPAs. In the event that the conditions to closing shall not have occurred by on or before the fifth (5th) business day following the Effective Date, subject to certain conditions, Hudson Bay has the option to terminate the Prepayment Agreement at the close of business on such date. EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2023 and 2022 16. CONVERTIBLE NOTE PAYABLE (continued) January 2022 Offering On January 26, 2022, the Company, entered into a Securities Purchase Agreement (the " Note Securities Purchase Agreement ") with an accredited investor (the " Note Investor ") for the issuance and sale of a Senior Convertible Note with an initial principal amount of $ 33, 333, 333 (the " January 2022 Note ") at a conversion price of $ 10. 00 per share of Eightco' s Common Stock with a purchase amount of $ 30, 000, 000 and an original issue discount of $ 3, 333, 333, a warrant (the " January 2022 Warrant ") to purchase up to 66, 667 shares of Common Stock with an initial exercise price of $ 10. 00 per share of Common Stock (the " Note Private Placement "). In addition, the Company issued a warrant to the placement agent to purchase up to 1, 067 shares of Common Stock with an initial exercise price of $ 10. 00~~

per share of Common Stock. The warrants vest immediately, expiring on May 16, 2027 and had an estimated fair value of $ 3, 905, 548. The Company recorded a debt discount of $ 7, 798, 881 which consists of the original issue discount of $ 3, 333, 333, the fair value of the warrants of $ 3, 905, 548 and placement agent fees of $ 560, 000. The discount will be amortized over the term of the convertible note payable. The entire outstanding principal balance and any outstanding fees or interest shall be due and payable in full on the third anniversary of the date the note is issued, May 5, 2022. The January 2022 Note does not bear interest, provided, however, that the Note will bear interest at 18 % per annum upon the occurrence of an event of default. Eightco and the Note Investor closed the transaction contemplated by the Note Securities Purchase Agreement on May 5, 2022. In connection with the Note Private Placement, the Company also entered into a Registration Rights Agreement (the " January 2022 Registration Rights Agreement ") with the Note Investor, and, upon the closing, entered into a Security Agreement, a Pledge Agreement and various ancillary certificates, disclosure schedules and exhibits in support thereof prior to the closing of the Note Securities Purchase Agreement. On July 28, 2022, the Company entered into an Amendment Agreement (the " July 2022 Amendment Agreement ") with the Note Investor to amend the Note Securities Purchase Agreement, the January 2022 Note, and that certain January 2022 Registration Rights Agreement. Pursuant to the July 2022 Amendment Agreement, the Company released an aggregate of $ 29, 000, 000 (the " Released Funds ") from the restricted funds account maintained in accordance with the Note Securities Purchase Agreement (the " Restricted Funds Account ") and, going forward, must deposit 50 % of any Warrant Exercise Cash (as defined in the July 2022 Amendment Agreement) into the Restricted Funds Account. As required by the July 2022 Amendment Agreement, the Company used $ 22, 000, 000 of the Released Funds to repurchase from the Investor $ 22, 000, 000 of the principal of the January 2022 Note. Pursuant to the July 2022 Amendment Agreement, the conversion price of the balance of the January 2022 Note that remains was voluntarily adjusted to $ 1. 06 (the " Adjustment "). The July 2022 Amendment Agreement also amended the January 2022 Registration Rights Agreement. to require the Company to register (i) the number of shares of common stock equal to 200 % of the shares issuable upon conversion of the January 2022 Note and (ii) the number of shares of common stock equal to 200 % of the shares issuable upon exercise of the warrant issued under the Note Securities Purchase Agreement, assuming all cash has been released from the Restricted Funds Account and the number of shares of common stock issuable upon exercise of the January 2022 Warrant issued under the Note Securities Purchase Agreement has been adjusted in accordance with Section 3 (e) of the warrant. The July 2022 Amendment Agreement requires the Company to register additional shares of its common stock underlying the January 2022 Note. Accordingly, the Company filed a registration statement on Form S- 1 dated August 12, 2022 (the " August S- 1 ") with the Securities and Exchange Commission. The August S- 1 includes 301, 007 shares of the Company' s common stock issuable upon the conversion of the January 2022 Note as a result of the Adjustment. As a result of the Adjustment, the exercise price of (i) warrants to purchase up to 15, 467 shares of the Company' s Common Stock held by Palladium Capital Group, LLC, (ii) warrants to purchase up to 66, 667 shares of the Company' s Common Stock held by the Note Investor, and (iii) warrants to purchase up to 30, 000 shares of the Company' s Common Stock held by BHP Capital NY, Inc. was adjusted to $ 1. 06 per share of the Company' s Common Stock. The July 2022 Amendment Agreement amends the January 2022 Note to permit the Company to enter into technology license agreements which obligate the Company to make cash payments of up to $ 10, 000, 000 (the " Cash Payment ") and Common Stock issuances of up to 5, 000 restricted shares, provided (i) the Cash Payments are not due until at least two years after the signing of such license agreements, and (ii) the Company must enter into an intercreditor agreement in connection with each license agreement. The July 2022 Amendment Agreement also amends the January 2022 Note to increase the permitted amount of a lien on indebtedness of the Company from $ 500, 000 to $ 10, 000, 000. The July 2022 Amendment Agreement grants the holder of the January 2022 Note the right, at any time after December 27, 2023, to force the Company to redeem all or any portion of the outstanding principal, interest or penalties on the January 2022 Note. The parties also amended the Company' s carve out to its financing standstill as set forth in the July 2022 Amendment Agreement. EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2023 and 2022 16. CONVERTIBLE NOTE PAYABLE (continued) On September 14, 2022, the Company and the Note Investor entered into a waiver (the " Waiver ") to permit, subject to the terms and conditions set forth therein, the entry into a purchase agreement for Forever 8. Pursuant to the Waiver, the conversion price and exercise price of the January 2022 Note and the January 2022 Warrants, respectively, were voluntarily and irrevocably adjusted to equal $ 50. 00, subject to further adjustment as set forth therein. As a result of the price adjustment feature, the number of shares of the Company' s common stock issuable upon exercise of the January 2022 Warrants and conversion of the January 2022 Notes was increased upon the acquisition of Forever 8 on October 1, 2022. As a result of the adjustment of the January 2022 Note and January 2022 Warrant conversion and exercise price, respectively, in the Waiver, the exercise price of (i) warrants to purchase up to 15, 467 shares of the Company' s Common Stock held by Palladium Capital Group, LLC, (ii) warrants to purchase up to 66, 667 shares of the Company' s Common Stock held by the Note Investor, and (iii) warrants to purchase up to 30, 000 shares of the Company' s Common Stock held by BHP Capital NY, Inc. was adjusted to $ 50. 00 per share of the Company' s Common Stock. On January 6, 2023, the Company entered into a Second Amendment Agreement (the " Second Amendment Agreement ") with Hudson Bay to amend the (i) Note Securities Purchase Agreement, (ii) the January 2022 Note, (iii) the January 2022 Registration Rights Agreement, and (iv) the January 2022 Warrant. Pursuant to the Second Amendment Agreement, the conversion price of the balance of the January 2022 Note that remains outstanding was voluntarily adjusted to $ 10. 00 per share of Common Stock. The Second Amendment Agreement grants the Company the right to redeem all or a portion of the outstanding amount of the January 2022 Note (the " Redemption Right ") upon 10 trading days' notice provided that (i) no Equity Conditions Failure (as defined in the January 2022 Note) exists and (ii) the Company has sufficient resources to effect the redemption. The Redemption Right is subject to certain other restrictions contained in the Second Amendment Agreement. The Second Amendment Agreement provides that if Hudson Bay converts any portion of the January 2022 Note during the 10 consecutive trading day period starting on January 6, 2023 (the " Applicable Conversion Period "), Hudson Bay shall, on the first business day immediately following the end of the Applicable Conversion Period, release to the Company an amount of cash from the Control Account (as defined in the January 2022 Note) equal to 20 % of the amount converted during the Applicable Conversion Period if the volume- weighted average price (" VWAP ") of the common stock on each trading day during the Applicable Conversion Period equals or exceeds $ 10. 00 and there is no circumstance or event that would, with or without the passage of time or the giving of notice, result in a material default, material breach or event of default under any Transaction Document (as defined in the Note Securities Purchase Agreement). As a result of the voluntary adjustment to the conversion price of the January 2022 Note, the exercise price of the January 2022 Warrant was automatically adjusted to $ 10. 00 per share of common stock and the number of shares issuable upon exercise of the January 2022 Warrant (the " HB Warrant Shares ") was proportionately increased to 3, 333, 333 HB Warrant Shares. Pursuant to the Second Amendment Agreement, Hudson Bay agreed to waive the adjustment to the number of HB Warrant Shares issuable pursuant to the January 2022 Warrant to the extent such adjustment results in a number of HB Warrant Shares underlying the January 2022 Warrant exceeding 2, 220, 000. The Second Amendment Agreement provides that Hudson Bay (i) will not exercise January 2022 Warrants to purchase more than an aggregate of 1, 500, 000 HB Warrant Shares until March 2, 2023, provided such limitation will be waived upon the occurrence of an Event of Default (as defined in the January 2022 Note) or if the VWAP of the common stock on any trading day from January 6, 2023 until March 2, 2023 is less than $ 11. 00 and (ii) will not exercise the January 2022 Warrant until (x) such time as the aggregate principal amount outstanding of the January 2022 Note is equal to or less than the amount remaining in the Control Account or (y) the occurrence of an Event of Default (the " HB Initial Exercisability Date "). However, Hudson Bay may exercise Warrants for up to 200, 000 shares of common stock prior to the HB Initial Exercisability Date if the VWAP of the common stock on any trading day during the period starting on March 1, 2023 and ending on and including March 31, 2023 is less than $ 10. 00. If the VWAP of the common stock on each trading day from January 6, 2023 through March 1, 2023, is greater than $ 11. 00, Hudson Bay will forfeit the right to purchase 720, 000 HB Warrant Shares pursuant to the January 2022 Warrant, provided that there is no circumstance or event that would, with or without the passage of time or the giving of notice, result in a material default, material breach or event of default under any Transaction Document. Additionally, the exercise price of the January 2022 Warrant was voluntarily further adjusted to $ 0. 01 per share of common stock in lieu of the investors taking less warrant shares. The VWAP of the common stock, from January 6, 2023 through March 1, 2023, was below $ 11. 00, as such Hudson Bay did not forfeit the 720, 000 HB Warrant Shares. The Second Amendment Agreement required the Company to provide each stockholder entitled to vote at the next special or annual meeting of stockholders of the Company, which was required to be held no later than April 1, 2023, a proxy statement soliciting each such stockholder' s affirmative vote at the stockholder meeting for approving the increase of the authorized shares of common stock from 250, 000, 000 to 500, 000, 000 (" Stockholder Approval "). The Stockholder Approval was obtained at the Company' s special meeting of stockholders held on March 15, 2023. The warrants issued by the Company were modified to reduce the exercise price, which also increased the number of warrants to purchase common stock. The warrant modification expense of $ 43, 344, 150 was computed on the modification date using a per share price of $ 0. 32 per share. The fair value was estimated using the Black Scholes option pricing models with the following assumptions: Dividend Yield Expected Volatility Risk- free Interest Rate Expected Life Hudson Bay Warrant; as adjusted January 2023 0. 00 % 142. 28 % 4. 10 % 2. 5 years Palladium Capital Warrant; as adjusted January 2023 0. 00 % 142. 28 % 4. 10 % 2. 5 years BHP Warrant; as adjusted January 2023 0. 00 % 142. 28 % 4. 10 % 2. 5 years EIGHTCO HOLDINGS INC. SEGMENTING REPORTING The Company' s principal operating segments coincide with the types of products to be sold. The products from which revenues are derived are consistent with the reporting structure of the Company' s internal organization. The Company' s two reportable segments for the years ended December 31, **2024 and** 2023 were the Inventory Management Solutions segment and the Corrugated segment **Packaging Business** . The Company' s chief operating decision maker has been identified as the Chairman and CEO, who reviews operating results to make decisions about allocating resources and assessing performance for the entire Company. Segment information is presented based upon the Company' s management organization structure as of December 31, 2023 **2024** and the distinctive nature of each segment. Future changes to this internal financial structure may result in changes to the reportable segments disclosed. There are no inter- segment revenue transactions and, therefore, revenues are only to external customers . **EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2024 and 2023 21. SEGMENTING REPORTING (continued) The CODM evaluates segment performance based on net revenues, cost of revenues, gross profit, and selling, general and administrative expenses. These items are reviewed by segment. Depreciation and amortization is also monitored by management and presented below. Certain other costs, such as interest expense, other income (expense), and income taxes, are managed on a consolidated basis and not allocated to segments** . Segment operating profit is determined based upon internal performance measures used by the chief operating decision maker. The Company derives the segment results from its internal management reporting system. The accounting policies the Company uses to derive reportable segment results are the same as those used for external reporting purposes. **Segment operating income excludes certain corporate costs that are not allocated to segments, including corporate- level general and administrative expenses and unallocated shared services. These items are disclosed separately as " Corporate. "** Management measures the performance of each reportable segment based upon several metrics, including net revenues, gross profit and operating loss. Management uses these results to evaluate the performance of, and to assign resources to, each of the reportable segments. The Company manages certain operating expenses separately at the corporate level and does not allocate such **impairment charges, interest** expenses **expense,** to the segments. Segment income **taxes, or** from operations excludes interest income / expense and other **non- operating** income or expenses and income taxes according to how a particular reportable segment **segments ' s management . Segment asset information** is **disclosed where reviewed by** measured. Management does not consider impairment charges, and unallocated costs in measuring the **CODM** performance of the reportable segments . " to " Eightco Holdings Inc. " (the " Name Change "). On August 8, 2024, the Company filed another amendment to its Certificate of Incorporation with the Secretary of State of the State of Delaware to effectuate a 1- for- 5 reverse stock split if its Common Stock (the " 2024 Reverse Stock Split " and together with the 2023 Reverse Stock Split, the " Reverse Stock Splits "). All share, equity award, and per share amounts contained in the consolidated financial statements have been adjusted to reflect the Reverse Stock Splits for all prior periods presented. Use of Estimates Use of Estimates. The preparation of financial statements in conformity with U. S. GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. The Company' s significant estimates used in these consolidated financial statements include, but are not limited to, revenue recognition and the determination of the economic useful life of depreciable property and equipment. Certain of the Company' s estimates could be affected by external conditions, including those unique to the Company and general economic conditions. It is reasonably possible that these external factors could have an effect on the Company' s estimates and could cause actual results to differ from those estimates. Business Combinations Business Combinations. For business combinations that meet the accounting definition of a business, the Company determines and allocates the purchase price of an acquired company to the tangible and intangible assets acquired, the liabilities assumed, and noncontrolling interest, if applicable, as of the date of acquisition at fair value. Fair value may be estimated using comparable market data, a discounted cash flow method, or a combination of the two. In the discounted cash flow method, estimated future cash flows are based on management' s expectations for the future. Revenues and costs of the acquired companies are included in the Company' s operating results from the date of acquisition. The Company uses its best estimates and assumptions as part of the purchase price allocation process to accurately value assets acquired and liabilities assumed at the acquisition date, and these estimates and assumptions are inherently uncertain and subject to refinement during the measurement period not to exceed one year from the acquisition date. As a result, any adjustment identified subsequent to the measurement period is included in operating results in the period in which the amount is determined (See Note 3 – Acquisitions). Discontinued Operations Discontinued Operations. A component of an entity that is disposed of by sale or abandonment is reported as discontinued operations if the transaction represents a strategic shift that will have a major effect on an entity' s operations and financial results. The results of discontinued operations are aggregated and presented separately in the Consolidated Statement of Operations. Assets and liabilities of the discontinued operations are aggregated and reported separately as assets and liabilities of discontinued operations in the Consolidated Balance Sheet, including the comparative prior year period. The Company' s cash flows are reflected as cash flows from discontinued operations within the Company' s Consolidated Statements of Cash Flows for each period presented. Cash and Cash Equivalents Cash and Cash Equivalents. The Company considers all highly liquid, short- term investments with original maturities of three months or less when purchased to be cash equivalents. EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2024 and 2023 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued) Accounts Receivable Accounts Receivable. Accounts receivable are carried at their contractual amounts, less an estimated allowance for credit losses. Management estimates the allowance for credit losses using a loss- rate approach based on historical loss information, adjusted for management' s expectations about current and future economic conditions, as the basis to determine expected credit losses. Management exercises significant judgment in determining expected credit losses. Key inputs include macroeconomic factors, industry trends, the creditworthiness of counterparties, historical experience, the financial conditions of the customers, and the amount and age of past due accounts. Management believes that the composition of receivables at year- end is consistent with historical conditions as credit terms and practices and the client base has not changed significantly. Receivables are considered past due if full payment is not received by the contractual due date. Past due accounts are generally written off against the allowance for credit losses only after all collection attempts have been exhausted. The allowance for credit losses was $ 60, 000 and $ 67, 350 as of December 31, 2024 and 2023, respectively. There were two customers who represented 30 % and 18 % of total accounts receivable as of December 31, 2024, respectively. Inventories Inventories. Inventory is recorded at the lower of cost or net realizable value on a first- in, first- out basis. The Company reduces the carrying value of inventories for those items that are potentially excess, obsolete, or slow moving based on a review of recent sales trends and expected future demand. Property and Equipment Property and Equipment. Property and equipment are stated at cost, net of accumulated depreciation and amortization, which is recorded commencing at the in- service date using the straight- line method over the estimated useful lives of the assets, as follows: 3 to 5 years for office equipment, 5 to 7 years for furniture and fixtures, 6 to 10 years for machinery and equipment, 10 to 15 years for building improvements, 5 years for software, 5 years for molds, 5 to 7 years for vehicles and 40 years for buildings. When fixed assets are retired or otherwise disposed of, the cost and accumulated depreciation are removed from the accounts and any resulting gain or loss is included in the statements of comprehensive loss for the respective period. Minor additions and repairs are expensed in the period incurred. Major additions and repairs which extend the useful life of existing assets are capitalized and depreciated using the straight- line method over their remaining estimated useful lives. Intangible Assets and Long- lived Assets Intangible Assets and Long- lived Assets. The Company reviews long- lived assets, including definite- lived intangible assets, for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. The Company assesses the recoverability of its long- lived assets using undiscounted cash flows. If an asset is found to be impaired, the amount recognized for impairment is equal to the difference between the carrying value and the asset' s fair value. During the years ended December 31, 2024 and 2023, the Company recorded impairment charges to long lived assets in the amounts of $ 0 and $ 292, 748, respectively. The impaired asset was fully written off in 2023. The Company records intangible assets based on their fair value on the date of acquisition. Intangible assets include the cost of developed technology, customer relationships, trademarks and tradenames. Intangible assets are amortized utilizing the straight- line method over their remaining economic useful lives, as follows: 10 years for developed technology, 7 years for customer relationships and 7 years for trademarks and tradenames. The Company reviews long- lived assets and intangible assets for potential impairment annually and when events or changes in circumstances indicate the carrying amount of an**

asset may not be recoverable. In the event the expected undiscounted future cash flows resulting from the use of the asset is less than the carrying amount of the asset, an impairment loss is recorded equal to the excess of the asset' s carrying value over its fair value. If an asset is determined to be impaired, the loss is measured based on quoted market prices in active markets, if available. If quoted market prices are not available, the estimate of fair value is based on various valuation techniques, including a discounted value of estimated future cash flows. In the event that management decides to no longer allocate resources to an asset, an impairment loss equal to the remaining carrying value of the asset is recorded. The Company did not record any impairment charges related to intangibles assets during the years ended December 31, 2024 and 2023, respectively. EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2024 and 2023 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued) Goodwill Goodwill. Goodwill is recorded for the difference between the fair value of the purchase consideration over the fair value of the net identifiable tangible and intangible assets acquired. We perform an impairment assessment of goodwill on an annual basis as of December 31st, or whenever impairment indicators exist. In the absence of any impairment indicators, goodwill is assessed for impairment during the fourth quarter of each fiscal year. Judgments regarding the existence of impairment indicators are based on market conditions and operational performance of the business. We may assess our goodwill for impairment initially using a qualitative approach to determine whether it is more likely than not that the fair value of these assets is greater than their carrying value. When performing a qualitative test, we assess various factors including industry and market conditions, macroeconomic conditions and performance of our businesses. If the results of the qualitative assessment indicate that it is more likely than not that our goodwill and other indefinite- lived intangible assets are impaired, a quantitative impairment analysis would be performed to determine if impairment is required. We may also elect to perform a quantitative analysis of goodwill initially rather than using a qualitative approach. The impairment testing for goodwill is performed at the reporting unit level. The valuation methods used in the quantitative fair value assessment, discounted cash flow and market multiples method, requires our management to make certain assumptions and estimates regarding certain industry trends and future profitability of our reporting units. If the fair value of a reporting unit exceeds the related carrying value, the reporting unit' s goodwill is considered not to be impaired and no further testing is performed. If the carrying value of a reporting unit exceeds its fair value, an impairment loss is recorded for the difference. The valuation of goodwill is affected by, among other things, the Company' s business plan for the future and estimated results of future operations. Future events could cause the Company to conclude that impairment indicators exist, and, therefore, that goodwill may be impaired. Contingent Liabilities Contingent Liabilities. The Company, from time to time, may be involved in certain legal proceedings. Based upon consultation with outside counsel handling its defense in these matters and the Company' s analysis of potential outcomes, if the Company determines that a loss arising from such matters is probable and can be reasonably estimated, an estimate of the contingent liability is recorded in its consolidated financial statements. If only a range of estimated loss can be determined, an amount within the range that, based on estimates, assumptions and judgments, reflects the most likely outcome, is recorded as a contingent liability in the consolidated financial statements. In situations where none of the estimates within the estimated range is a better estimate of probable loss than any other amount, the Company records the low end of the range. Any such accrual would be charged to expense in the appropriate period. Litigation expenses for these types of contingencies are recognized in the period in which the litigation services were provided. Warrants Warrants. The Company classifies a warrant to purchase shares of its common stock as equity on its consolidated balance sheets as this warrant is a free- standing financial instrument that is indexed to the Company' s own stock and meets the criteria for equity classification. Each warrant is initially recorded within equity at the date of grant, net of issuance costs, and is not subsequently re- measured. Changes in the fair value of the warrant are not recognized after the initial measurement. The warrants will remain classified in equity until they are exercised or expire. Revenue Recognition Revenue Recognition. In accordance with Financial Accounting Standards Board (" FASB ") Accounting Standards Codification (" ASC ") 606, Revenue from Contracts with Customers, the Company recognizes revenue when it satisfies performance obligations, by transferring promised goods or services to customers, in an amount that reflects the consideration to which the Company expects to be entitled in exchange for fulfilling those performance obligations. Revenue for product sales is recognized upon receipt by the customer. There are no contract assets or contract liabilities and therefore no unsatisfied performance obligations. One customer represented 75 % of total revenues for the year ended December 31, 2024. Disaggregation of Revenue Disaggregation of Revenue. The Company' s primary revenue streams include the sale of consumer goods through our inventory management solutions business and the sale of corrugated packaging materials. There are no other material operations that were separately disaggregated for segment purposes. EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2024 and 2023 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued) Cost of Revenues Cost of Revenues. Cost of revenues includes freight charges, purchasing and receiving costs, depreciation and inspection costs. Comprehensive income Comprehensive income. The Company follows Accounting Standards Codification (" ASC ") 220 in reporting comprehensive income. Comprehensive income is a more inclusive financial reporting methodology that includes disclosure of certain financial information that historically has not been recognized in the calculation of net income. Other comprehensive income is limited to foreign currency translation adjustments. Therefore, total comprehensive income includes net income (loss) and foreign currency translation adjustments. Foreign Currency Transactions and Translation Foreign Currency Transactions and Translation. Eightco' s functional currency is the United States Dollar (" USD ") and the Forever 8 functional currency in which it operates is the Euro (" EUR "). For the purpose of presenting these consolidated financial statements the reporting currency is USD. Forever 8 assets and liabilities are expressed in USDs at the exchange rate on the balance sheet date, equity accounts are translated at historical rates, and income and expense items are translated at the weighted average exchange rate during the period. The resulting translation adjustments are reported under accumulated other comprehensive income in the stockholders' equity section of the balance sheets. Transactions in currencies other than the entity' s functional currency are recorded at the rates of exchange prevailing on the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the rates prevailing at the end of the reporting periods. Exchange differences arising on the settlement of monetary items and on translation of monetary items at period- end are included in statement of comprehensive loss. Exchange rate used for the translation as follows: SCHEDULE OF EXCHANGE RATE December 31, 2024 December 31, 2023 Spot USD to EUR $ 0. 9615 $ 0. 9009 USD to GBP $ 0. 8000 $ 0. 7874 December 31, 2024 December 31, 2023 Average USD to EUR $ 0. 9259 $ 0. 9224 USD to GBP $ 0. 7874 $ 0. 8016 Earnings Per Share Earnings Per Share. The Company follows ASC 260 when reporting Earnings Per Share (" EPS ") resulting in the presentation of basic and diluted earnings per share. Basic net (loss) income per common share is computed by dividing net (loss) income by the weighted average number of vested common shares outstanding during the period. Diluted net income per common share is computed by dividing net income by the weighted average number vested of common shares, plus the net impact of common shares (computed using the treasury stock method), if dilutive, resulting from the exercise of dilutive securities. In periods when losses are reported, the weighted- average number of common shares outstanding excludes common stock equivalents because their inclusion would be anti- dilutive. EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2024 and 2023 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued) For the year ended December 31, 2024, the Company had net income and therefore included the dilutive effect of certain securities in its diluted EPS calculation. For the year ended December 31, 2023, the Company incurred a net loss and excluded common stock equivalents from diluted EPS as their effect would have been anti- dilutive. The following is a reconciliation of the weighted average number of common shares outstanding used in calculating the basic and diluted net loss per share: SCHEDULE OF WEIGHTED AVERAGE NUMBER OF COMMON SHARES OUTSTANDING BASIC AND DILUTED NET LOSS PER SHARE 2024 2023 December 31, 2024 2023 Weighted average shares outstanding – basic 1, 751, 132 2, 891, 144 Warrants for noteholders and placement agents 44, 217- Warrants for equity investors 145, 600- Shares to be issued 40, 410- Weighted average shares outstanding – diluted 1, 981, 359 2, 891, 144 As of December 31, 2024 and 2023, the Company excluded the common stock equivalents summarized below, which entitle the holders thereof to ultimately acquire shares of common stock, from its calculation of earnings per share, as their effect would have been anti- dilutive. Deferred financing costs include debt discounts and debt issuance costs related to a recognized debt liability and are presented in the balance sheet as a direct deduction from the carrying value of the debt liability. Amortization of deferred financing costs are included as a component of interest expense. Deferred financing costs are amortized using the straight- line method over the term of the recognized debt liability which approximates the effective interest method. EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2024 and 2023 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued) Income Taxes Income Taxes. The Company accounts for income taxes under the provisions of the FASB ASC Topic 740 " Income Taxes " (" ASC Topic 740 "). The Company recognizes deferred tax assets and liabilities for the expected future tax consequences of items that have been included or excluded in the consolidated financial statements or tax returns. Deferred tax assets and liabilities are determined on the basis of the difference between the tax basis of assets and liabilities and their respective financial reporting amounts (" temporary differences ") at enacted tax rates in effect for the years in which the temporary differences are expected to reverse. The Company utilizes a recognition threshold and measurement process for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Management has evaluated and concluded that there were no material uncertain tax positions requiring recognition in the Company' s consolidated financial statements as of December 31, 2024 and 2023. The Company does not expect any significant changes in its unrecognized tax benefits within twelve months of the reporting date. The Company' s policy is to classify assessments, if any, for tax related interest as interest expense and penalties as general and administrative expenses in the consolidated statements of comprehensive income. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Fair Value Measurements Fair Value Measurements. The Company measures the fair value of financial assets and liabilities based on the guidance of ASC 820 " Fair Value Measurements and Disclosures " (" ASC 820 ") which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. ASC 820 describes three levels of inputs that may be used to measure fair value: Level 1 — quoted prices in active markets for identical assets or liabilities Level 2 — quoted prices for similar assets and liabilities in active markets or inputs that are observable Level 3 — inputs that are unobservable (for example, cash flow modeling inputs based on assumptions) The carrying amounts of the Company' s financial instruments, such as cash, accounts receivable, accounts payable and other current liabilities approximate fair values due to the short- term nature of these instruments. The Company' s long- term debt consists of $ 21, 021, 155 at December 31, 2024. The estimated fair value of this debt approximates the carrying value of these instruments, due to the interest rates on this debt approximating current market interest rates. Concentration of Credit Risks Concentration of Credit Risks. Financial instruments that potentially subject the Company to concentrations of credit risk are cash equivalents and accounts receivable. Cash and cash equivalents are invested in deposits with certain financial institutions and may, at times, exceed federally insured limits. The Company has not experienced any significant losses on its deposits of cash and cash equivalents. In regard to trade receivables, the Company performs ongoing evaluations of its customers' financial condition as well as general economic conditions and, generally, requires no collateral from its customers. Leases Leases. In February 2016, the FASB issued Accounting Standards Update (" ASU ") 2016- 02, Leases (Topic 842). This ASU requires a lessee to recognize a right- of- use asset and a lease liability under most operating leases in its balance sheet. The ASU is effective for annual and interim periods beginning after December 15, 2021. Early adoption is permitted. The Company has adopted ASU 2016- 02 as of January 1, 2022. The adoption of the standard did not have a material impact on the balance sheet. As of April 26, 2022, the date the Company assumed the lease, the operating lease right of use asset and operating lease liability amounted to $ 98, 736 with no cumulative- effect adjustment. EIGHTCO HOLDINGS INC. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years ended December 31, 2024 and 2023 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued) Recent Accounting Pronouncements Recent Accounting Pronouncements. In June 2016, the FASB issued ASU No. 2016- 13, Financial Instruments – Credit Losses (Topic 326), Measurement of Credit Losses on Financial Instruments, as modified by FASB ASU No. 2019- 10 and other subsequently issued related ASUs. The amendments in this Update affect loans, debt securities, trade receivables, and any other financial assets that have the contractual right to receive cash. The ASU requires an entity to recognize expected credit losses rather than incurred losses for financial assets. The amendments in this Update are effective for fiscal years beginning after December 15, 2022, including interim periods within those fiscal years. The Company adopted this new guidance effective January 1, 2023 utilizing the modified retrospective transition method. The adoption of this standard did not have a material impact on the Company' s consolidated financial statements, but did change how the allowance for credit losses is determined. In November 2023, the FASB issued ASU 2023- 07, Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures, which requires public entities to disclose significant segment expenses and other segment items on an interim and annual basis and provide in interim periods all disclosures about a reportable segment' s profit or loss and assets that are currently required annually. The ASU does not change how a public entity identifies its operating segments, aggregates them, or applies the quantitative threshold to determine its reportable segments. The new disclosure requirements are also applicable to entities that account and report as a single operating segment entity. ASU 2023- 07 is effective for fiscal years beginning after December 15, 2023, and for interim periods within fiscal years beginning after December 15, 2024. The Company adopted the guidance for the annual reporting period ended December 31, 2024. There was no impact on the Company' s reportable segments identified. Segment Reporting Segment Reporting. The Company uses " the management approach " in determining reportable operating segments. The management approach considers the internal organization and reporting used by the Company' s chief operating decision maker for making operating decisions and assessing performance as the

source for determining the Company' s reportable segments. The Company' s chief operating decision maker is the Chairman and Chief Executive Officer (" CEO ") of the Company, who reviews operating results to make decisions about allocating resources and assessing performance for the entire Company. The Company' s primary revenue streams include inventory management solutions and the sale of corrugated packaging materials. Based on the CODM' s evaluation and internal reporting, the Company has two reportable segments: Inventory Management Solutions and Corrugated Packaging. Reclassifications Reclassifications. Certain prior period amounts have been reclassified to conform to the current period presentation, including amounts related to the Corrugated Packaging Business, which was classified as a discontinued operation as of December 31, 2024. These reclassifications had no impact on previously reported net income or stockholders' equity. X- DefinitionReverse Stock Split [PolicyTextBlock] ReferencesNo definition available. Weighted average relates to the portion of time within a reporting period that common shares have been issued and outstanding to the total time in that period. Such concept is used in determining the weighted average number of shares outstanding for purposes of calculating earnings per share (basic).
