We are subject to numerous known and unknown risks, many of which are described below and elsewhere in this Annual Report. Any of the events described below could have a material adverse effect on our business, financial condition and results of operations. Additional risks and uncertainties that we are not aware of, or that we currently deem to be immaterial, could also impact our business and results of operations. Risks Related to Business Operations A significant portion of our revenue is produced by facilities located in Texas, Nevada and California.
